

Chapter 3

ALARM SYSTEMS*

Sec. 3-1. Definitions.

The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Dial alarms shall mean those private alarm systems which, when activated, dial a telephone number which is installed in the police or fire dispatch centers. When answered by the police or fire dispatcher, a dial alarm transmits a prerecorded message or coded signal indicating the reason for the alarm.

Direct alarms shall mean those private alarms which are connected directly to the module installed within the police or fire dispatch centers.

False alarm shall mean any alarm signal requiring a response by police or fire personnel when the situation requiring such a response does not in fact exist. An alarm signal caused by violent conditions of nature or other extraordinary circumstances beyond the control of the user, does not constitute a false alarm.

Private alarm systems shall include dial alarms, direct alarms and telephone alarms.

Telephone alarms shall mean those alarms which are relayed to the police or fire dispatch centers, (by a telephone call), from a private security company, (SIS, Valley Dispatch, etc.), as a result of an alarm system monitored by them.
(Ord. No. 260, § I, 2-12-86)

Sec. 3-2. Authorization.

Private alarm systems are authorized to be connected to and utilize the services of the police and fire departments upon pay-

ment of annual fees, and agreement to pay the false alarm fees as required in section 3-3.
(Ord. No. 260, § II, 2-12-86)

Sec. 3-3. Fees.

The private alarm systems which utilize the services of the police and fire departments shall pay the following fees:

- (1) *Annual service fee.* The owner of each direct alarm shall pay for each calendar year or part thereof, an annual service fee in the amount which is in the fee schedule on file in the city manager's office for new installations. The fee shall be collected at the time of installation. For installed alarms, the fee shall be collected in January of each year. Such fees may, from time to time, be amended by resolution of the city council.
 - (2) *False alarm fee.* For the second and each succeeding false alarm received by the police or fire departments, on a private alarm system during each calendar year, the owner of the private alarm system shall pay a fee in the amount which is in the fee schedule on file in the city manager's office. Such fees shall be collected at the time the false alarm is received or within thirty (30) days.
- (Ord. No. 260, § III, 2-12-86)

Sec. 3-4. Grace period.

New alarm installations shall be exempt from the false alarm fee for a period of thirty (30) days from the date of installation.
(Ord. No. 260, § IV, 2-12-86)

Sec. 3-5. Nonpayment.

If the owner of any private alarm system fails to pay the fees required herein, that owner shall be denied use of the police or fire alarm dispatching systems.
(Ord. No. 260, § V, 2-12-86)

Sec. 3-6. Enforcement.

The police and fire departments shall have the responsibility for enforcing this chapter and collecting the fees herein required.
(Ord. No. 260, § V, 2-12-86)
