NEW BUSINESS

Ordinance 561 Change Speed Limit on Portion of South Street – First Reading

Mayor Lovett said that Oliver Beeman had requested the speed limit on South Street be reduced to 20 mph. The Traffic Advisory Committee (TAC) had recommended that a portion of South Street be reduced.

Chief Chase said the ordinance was sent for legal review and according to state law, the City cannot set the speed limit under 25 mph. The TAC is scheduled to meet on June 26 to see if there is another solution.

Mayor Lovett asked why the speed limit on Broad Street is 20 mph. Chief Chase said that is unknown. It has been that way since the 1980s. He's happy with it being 20. It probably needs to be addressed.

BUDGET PUBLIC HEARING AND VOTE

Resolution 2019 - 1 Tax Anticipation Note – Public Hearing

BE IT RESOLVED by the Council of the City of Claremont, New Hampshire, after public hearing duly noticed, pursuant to the Municipal Finance Act, that the City Treasurer, with the approval of the City Manager, is hereby authorized to issue and sell notes of the City of Claremont, in an amount not to exceed \$1,000,000.00 in anticipation of receipt of taxes for the fiscal year 2019.

Such amount will not exceed the total tax levy for the year 2018. *(Majority Vote Required)*

A motion was made by Mr. Koloski and seconded by Mr. Damren to adopt Resolution 2019 - 1 Tax Anticipation Note.

Mr. Koloski read the resolution into the record.

Because of the change to quarterly tax billing, Ms. Walter said the last time that the Tax Anticipation Note was used was about eight years ago. This is just in case it is needed.

Mayor Lovett opened the public hearing. No one spoke. She closed it.

Voice vote: motion carried 9-0.

Ms. Walter said the City Manager's proposed taxrate was originally \$15.66. With the changes proposed by the Council, the rate would be \$15.19 which is 35 cents over the current rate.

Mr. McNutt recommended reducing the Airport budget by \$12,500. Staff will look at approaching the maintenance issue in a different way.

A motion was made by Mr. Damren and seconded by Mr. O'Hearne to reduce the Airport budget by \$12,500.

Mr. Koloski was not in favor of the reduction because of all the work that has to be done there (i.e. Fire Chief has to be there for fuel delivery, replacing mower blades). By removing this \$12,500, the Airport will stay status quo.

Councilors discussed the Airport Advisory Board and its role to advise the City Manager and the Council. Mr. Koloski finds it puzzling that people who have hangars at the airport are also on the Advisory Committee; they are the ones who set the lease rates; and they decide what development can happen at the airport. He was told by a Committee member that there is little direction given to the Committee. Ms. Lessard volunteered to serve as the Council Representative on the Airport Advisory Board.

Voice vote: motion carried 8-1, with Mr. Koloski voting no.

The proposed Airport budget is now \$112,954.

Mr. Damren talked about the proposed legal/administrative assistant and said he is in favor of adding the position. He's in favor of reducing that proposed line item by \$20,700.

Mr. McNutt said he would be looking for someone with paralegal skills. Ms. Walter said you cannot call the person a paralegal unless they are working under an attorney. Mr. McNutt said the position would help with other administrative tasks.

Mr. O'Hearne said he wanted to make a motion to cut the position currently.

Councilors had a discussion about the position.

Mr. McNutt said he feels this is a necessary position.

A motion was made by Mr. Pope and seconded by Mr. Koloski to move the question.

Roll call vote to move the question carried 8-1 with Ms. Kier voting no.

A motion was made by Mr. Pope and seconded by Mr. Damren to accept the City Manager's proposal for this position with a reduction of \$20,700.

Mr. O'Hearne said he had wanted to make a motion earlier, but was interrupted.

Mr. Pope withdrew his motion. Mr. Damren withdrew his second.

A motion was made by Mr. O'Hearne and seconded by Ms. Kier to eliminate that line item from the budget [remove the legal position].

Roll call: motion failed 4-5 with Ms. Lessard, Mr. Damren, Mr. Koloski, Mr. Pope and Mayor Lovett voting no.

A motion was made by Mr. Pope and seconded by Mr. Damren to accept the City Manager's proposal for this position with a reduction of \$20,700.

A motion was made by Mr. Pope and seconded by Mayor Lovett to amend the previous motion and call the position a legal assistant.

Roll call vote to amend: motion carried 6-3 with Mr. Damren, Ms. Kier and Mr. Koloski voting no.

The amended motion is to: accept the City Manager's proposal for this position with a reduction of \$20,700 and to call it a legal assistant.

Roll call vote on amended motion: motion carried 6-3 with Mr. Stone, Mr. Zullo and Ms. Kier voting no.

Proposed Policy budget is now \$593,525.

Councilors discussed the Fire budget.

A motion was made by Mr. Stone and seconded by Mr. Zullo to cut \$2,000 from 01-422-109-0000, Call Firemen Pay.

At 7:55 p.m. Mr. Koloski recused himself and stepped down from the Council table. He is a Call Firefighter.

Mr. Damren said he will vote no. He said the Fire Chief was not available to answer the appropriateness of that reduction.

Roll call vote: motion failed 4-4 with Ms. Lessard, Mr. Damren, Mr. Pope and Mayor Lovett voting no.

At 7:59 p.m. Mr. Koloski returned to the Council table.

Mayor Lovett said, for the record, during the next budget cycle, every time Council has a budget discussion, Directors need to be present. Councilors concurred.

COMMITTEE REPORTS

Mr. Damren said the Finance Committee will meet on Tuesday at 7 p.m., and they will continue to analyze the City Fee Schedule.

Mr. Pope said the Policy Committee will meet tomorrow at the Visitors Center at 6 p.m.

FUTURE AGENDA ITEMS AND DIRECTIVES

Mayor Lovett said the Airport Advisory Board Council seat needs to be filled.

Mr. Damren noted that three of the four seats expire at the end of this June.

Mayor Lovett asked to amend the Airport Advisory Board webpage to add “or his designee” after “City Manager” and to take off the “Staff Advisor (not a member of the board).”

Mayor Lovett asked for a Councilor to volunteer to fill the City Council Representative seat on the Airport Advisory Board. Ms. Lessard volunteered.

A motion was made by Mr. Damren and seconded by Ms. Kier to appoint Claire Lessard to the City Council Representative seat of the Airport Advisory Board.

Voice vote: motion carried 9-0.

Mayor Lovett said the Airport Advisory Board is scheduled to meet in July, but she thought they should meet earlier as there is much to be done. She will send a letter to each member of the board, but first she will send it to the City Manager for his review.

Mayor Lovett talked about the Personnel Advisory Board. Mr. McNutt said the seat last appointed by the Council expired last year. Mayor Lovett asked Councilors to look for applicants.

Mayor Lovett said a joint meeting of the Council and School Board will be held June 21. Then there will be a meeting of the Council on June 27.

Mr. O’Hearne talked about the composition of the Airport Advisory Board. He asked if there would have to be an ordinance change in order to make it “City Manager or his designee” and have the designee be a member of the board. Mayor Lovett said it is standard practice that if the City Manager is not able to participate, he sends a designee. She said Mr. O’Hearne is right, it should read “or his designee” in the ordinance. She said this ordinance needs other changes. So, we’ll just make a note of that and include it in the adjustments.

Regarding the cemetery gates and other historic artifacts, Mr. Pope suggested inviting Wayne McElreavy, Historical Society President, to the July Council meeting to see what they can do about the items.

Mr. Koloski suggested creating a historic resource ad hoc committee.
