At the recount, there will be a majority of the Council present, so once the recount is complete, Canvass the Vote will also be complete.

A motion was made by Assistant Mayor Damren and seconded by Councilor O'Hearne that the Claremont City Council, pursuant to Article II, Section 14 of the City Charter, having duly examined the record of the number of votes given in each ward for every person voted for on the ballot, hereby declares the persons having the largest number of votes to be elected and authorizes the city clerk, or her designee, to so notify them of their election.

Roll call vote:

O'Hearne - yes

Girard - yes

Demars - yes

Damren - yes
Matteau - yes
Koloski - yes
Contois - yes
Stone - yes
Lovett - yes
Motion carried 9-0.

Ms. Melcher said the Council is the recount board. The recount has to happen no later than next Thursday, and a quorum of the Council is needed, however, Councilors Koloski and Demars cannot participate in the count as they were on the ballot for At-Large Councilor.

Councilors agreed to do the recount on Wednesday, November 10, at 8:00 a.m., in Council Chambers.

Ms. Melcher said when the list of the write-ins were sent out on election night. David Pacetti's name was not transferred to the list. He received 80 write-in votes for Ward II Councilor. A corrected form has been sent out. Also, someone in Ward II didn't think that his ballot was counted, so the Ward Clerks and Moderator of Ward I counted all the ballots in the machine and confirmed that his ballot had been counted. On another note, a Ward I person had been given two ballots that were stuck together, but the voting machine wouldn't take them, so the blank ballot was taken back to the ballot table.

Councilor Demars said that he had requested a recount because of the 12-vote difference, and the equipment is old, so he feels it is responsible to know that the equipment is functioning as it should.

Councilor Contois said he had previously requested an update on the voting machines at the last Council meeting and the Council was assured they were fine.

Councilor Matteau asked how many mail-in votes were received. Ms. Melcher estimated there were 30 Citywide. To tabulate, the Moderator checks the name and then puts the ballot through the machine.

Councilors thanked Ms. Melcher for all of her hard work.

CONSULTATION WITH LEGAL COUNSEL

None.
