MAYOR'S NOTES

Recognize Deb Mozden

Mayor Lovett said that Deb Mozden, Turning Points Network (TPN), has been awarded the NH Department of Justice Sandra Matheson Award. She has been at TPN for nearly 40 years. Mayor Lovett talked about TPN's Steppin' Up to End Violence Walk fundraiser, which raises \$80,000-\$100,000 every year.

Police Chief Mark Chase, who has worked with Ms. Mozden for over 30 years as a first responder, congratulated her on the award.

Ms. Mozden thanked the Council and Chief Chase for the acknowledgement. She said TPN serves all of Sullivan County and they are available 24/7. There is no cost for their services.

Recognize Outgoing Mayor Lovett, Assistant Mayor Damren, and Councilor Demars

Mayor Lovett, Assistant Mayor Damren, and Councilor Damren's terms will end on December 31, 2021.

Mayor Lovett presented a Certificate of Appreciation to Councilor Michael Demars for his seven months on the Council.

Mayor Lovett presented a plaque to outgoing Assistant Mayor Allen Damren who has served as At-Large Councilor 2016-2017, and Assistant Mayor 2018-2021.

Assistant Mayor Damren presented a plaque to outgoing Mayor Charlene Lovett who has served as Ward 2 Councilor 2014-2015, and Mayor 2016-2021. She also served on many other boards

and committees including the Policy Committee, Amtrak Committee, Mayors Roundtable, and the Lead Survey.

Mayor Lovett presented flowers from the Council to Council Clerk, and Executive Assistant to the City Manager, Dorée Russell, who will be retiring on January 28th.

Mayor Lovett announced that Gary Dickerman, long time videographer, would be leaving CCTV and that this would be his last Council meeting.

State Senator Suzanne Prentiss, on behalf of the NH Senate, read resolutions from the Senate to Mayor Lovett and Assistant Mayor Damren.

Mayor Lovett acknowledged that it has been a great privilege to serve as Mayor saying that her experiences serving as Mayor have been wonderful.

Mayor Lovett thanked the City Administration and the Fire Department for setting up the vaccine clinics. She thanked all the volunteers who helped with the mobile food drives. She thanked the American Legion Post for hosting the Veterans Day celebration. She thanked all the volunteers and City Staff for the work lighting up Broad Street Park. She said the American Legion Post will host its Commanders Ball on December 11th, 4-6 p.m. and it is open to the public.

CITY MANAGER'S REPORT

Pleasant Street has been paved and was opened last week. One-way traffic was moving down the right side of the road, and even without parking lines, many cars are parking at an angle on the east side of the road.

As a follow-up, Mr. Morris said the lines have been painted.

Chris Seek from Solimar International, The Sugar River Region Destination Council's consultant for destination tourism development, arrived in the City on Sunday November 28th. Chris has spent the week touring the region. He talked about the Pleasant Street redevelopment and the City's plans to host many downtown events, link our outdoor recreation opportunities to our downtown, and to build on the City's long history of makers by developing a strong local arts scene. Mr. Seek talked about many cities similar to Claremont that have been successful using destination tourism as a building block to successful redevelopment. Many of the stories had similar paths or correlations to what is happening here in Claremont, with the revitalization of Pleasant Street, the energy of the growing outdoor recreation scene, the untapped assets hidden in the many communities around us, and the chance to collaborate as a region to maximize the experience for those that visit our area.

Mr. Morris reminded everyone that it is important that we take the time to remember all the good things Claremont has to offer. Talking with visitors we have had this year (Chris Seek from Solimar International, Cheryl Giggetts from CTA Consulting, multiple racers from the Eastern States Cup, and many others) has been a good reminder of how beautiful Claremont really is. Combine the beauty of the area with the exceptional architecture, recreational opportunities, great facilities, and the many other things Claremont has to offer, and it is easy to see how bright the future of this City could be.

Other notes: Assistant Public Works Director Jeremy Clay has given his resignation. Central Collections is back up to full staff and is open to the public. Planning and Development Department's full-time staff positions have been filled, however, the part-time Zoning Administrator position has not been filled. Executive Assistant and Clerk to the Council Dorée Russell will retire in January. The next vaccine clinic is set for December 20th; more information to be announced. Keady Medical, 367 Washington Street, is open to administer vaccines.

He highlighted a concern from the Finance Report. As you know we worked hard during the budget season to maintain a level tax rate. During the budget process, City Staff worked together to try to estimate the growth in value of the City. While putting together the budget, trying to meet the City Council's goals of level funding the tax rate, maintaining City services, and increasing the paving budget, we predicted a 1.8% growth in net value, compared to the 2% average from 2015 -2020. Unfortunately, the MS-1 shows a value increase of just over .5%. Because of this, we do expect an increase in the municipal tax rate. One thing that reduced the value growth was the reduction in the Great River Hydro valuation. As mentioned last month, this reduction kept utility values about the same, instead of showing much of an increase. Though we do expect a tax increase, we estimate that increase to be under 1%.

Mr. Morris went through and highlighted some of the items from the Department Reports that were in the Council Packet.

When asked about Central Collections opening on Wednesdays, Ms. Richmond said she expects that to happen before the end of the year.

Some questions were asked about the Audit and Ms. Richmond answered them including that it is expected that the Audit will be finalized in April.

Councilor Matteau asked the status of Board of Appeals requests that had been asked previously (i.e. more outreach to get the board populated, notifying permit applicants of appeal process, and developing a form to give to anyone wanting to pursue an appeal). Nancy Merrill, Planning and Development Director said there has been a shift in personnel in her department. The new person will work on it. Mr. Morris said there is a statement on the permit that there is an appeal process.

Councilor Koloski is opposed to not plowing the top deck of the Parking Garage. Mr. Morris said it's a manpower issue and also, the bobcat scratches the deck. In the past few years, no one parks there during the winter. In the future, as the Garage fills, the City will plow the top deck.

Mayor Lovett noted that for the third year in a row, there is zero lead detected in the City's water system. She thanked the Public Works Department for all the work it is doing.

APPOINTMENT TO BOARDS AND COMMITTEES

Claremont Police Commission

A motion was made by Assistant Mayor Damren to re-appoint Alison Raymond to seat 2 of the Claremont Police Commission. No second was made.

A motion was made by Councilor Stone and seconded by Councilor O'Hearne to move all the Boards and Committees appointments to the January 12, 2022, Council meeting.

Councilor Koloski thanked all who had applied. He believes more information should be put out to the public (social media) about what the boards are and what they do.

Councilor Girard was concerned that the Boards, Committees, and Commissions Vacancies list that is on the website was dated 9/1/2021. He hoped that it would be updated soon.

Councilor Koloski said the Finance Committee sunsets at the end of the year.

Mr. Morris said an updated Boards, Committees, and Commissions Vacancies list came out today.

Mayor Lovett said without these appointments, the Claremont Energy Advisory Committee and the Electric Aggregation Committee will not be able to meet.

Councilor Matteau agreed with Councilor Koloski that more information needs to be sent out about the boards.

Roll call vote:

O'Hearne - yes

Girard - yes

Demars - yes

Damren - yes

Matteau - yes

Koloski - yes

Contois - no

Stone - yes

Lovett - yes

Motion carried 8-1.

Other board applications that were in the Council packet and were moved to the January 12, 2022, Council meeting:

- Re-appoint Robert Porter to seat 5, Member At Large, of the Tax Increment Finance District Advisory Board – Downtown
- Appoint Ryan Kelly to seat 4 of the Finance Committee
- Re-appoint Rebecca MacKenzie to seat 1 of the Claremont Energy Advisory Committee
- Re-appoint David Lucier to seat 2 of the Claremont Energy Advisory Committee
- Re-appoint Jessica Ball to seat 5 of the Claremont Energy Advisory Committee
- Appoint Francis Gauthier to seat A1 of the Claremont Energy Advisory Committee
- Re-appoint Marilyn Harris to seat A2 of the Claremont Energy Advisory Committee
- Appoint Francis Gauthier to seat 4 of the Electric Aggregation Committee

CITIZEN'S FORUM

Mike Tetu, Ward 1, acknowledged the number of volunteers who work at Arrowhead Recreation Area and that more are needed. He said he will be working on a plan to eliminate taxpayer funding at the Transfer Station. He said Mr. Morris will provide him with Transfer Station data. He said he opened a Facebook group, Friends of the Claremont Transfer Station.

OLD BUSINESS

Legislative Update

Mayor Lovett said at the November 10th Council meeting, Councilors agreed the top three priority areas are housing, municipal authority, and property taxes. January starts the legislative session.

Mayor Lovett talked about the Mayoral Roundtable and its effectiveness. She said it is important that Mayor-Elect Girard is made aware of the Council's wishes in order to share that with the Roundtable.

Mr. Morris said that he is working with Senator Prentiss on an LSR (Legislative Service Request) for vacant rental registrations.

Claremont Country Club Discretionary Easement – Public Hearing

Bob McCarthy, Contract Assessor, gave the Council an overview of how the Newport Golf Club handles their value. Newport is an 18-hole course with 140 acres versus 50 acres in Claremont. It is nominally valued at \$907,700; they are given an 85% discount to \$145,424, reduction in value of \$825,276. The recommendation for Claremont which is at \$274,900, is to give a 50% reduction to \$137,500. Cooper Glove Club and Hanover Golf Club are semi-private and do not have easement agreements. Walpole does not have an easement.

Robert Haynes, Claremont Country Club Director, said he has been a Country Club member for over 35 years. He gave some background on how they came about the easement request. He said the golf course is a big asset to the City, including holding charitable tournaments throughout the year. It generates income only 5 months of the year. He hopes the Council is in favor of the request.

Councilor Girard said that the Secretary of State's website shows that on June 23, 2021, the golf course changed to a for-profit entity. Mr. Haynes said he would have to ask their accountant about that. They are a member-owned facility.

Councilor Koloski talked about shifting the tax burden to others.

A motion was made by Councilor Stone and seconded by Councilor Matteau to table to the January 12 Council meeting in order to get more information.

Motion carried 9-0.

Mr. Morris said the City is looking for the Council to authorize the “Big Three” Opioid Drug Settlement. At the last meeting, it was stated that a public hearing was needed, however, a public hearing is not needed.

A motion was made by Councilor Koloski and seconded by Councilor Matteau that the Claremont City Council hereby authorizes the city manager, or his designees, to take such actions and execute all documents as may be necessary to accept the Opioid Settlement offer as presented in the Distributors’ Settlement Agreement of September 18, 2021, by the “Big Three” drug distributors, AmerisourceBergen, Cardinal Health, and McKesson. Said funds are to be used for abatement of the opioid epidemic, including intervention, treatment, education, and recovery services that will best serve our community.

Mr. Morris had distributed to the Council a copy of a draft LSR that is being worked on in order to revise the distribution formula for the opioid abatement trust fund.

NEW BUSINESS

Shugah Valley Snow Riders Annual Permission

Roger Wright, Ward 3 resident and Shugah Valley Snow Riders President, said that the group maintains 65 miles of trails a year. He thanked the Council and over 40 landowners who allow the use of their property for snowmobile trails.

There was discussion about making this a longer than one year permission. Police Chief Mark Chase said he would support a longer permission timeframe. Mr. Wright said they had used the same City property for over 25 years. Mayor Lovett confirmed with Mr. Wright that if there were any changes to the trails that the Club would come back before the Council.

Councilors agreed to a five-year permission.

A motion was made by Councilor Demars and seconded by Councilor Girard that the Claremont City Council hereby authorizes the city manager, or his designees, to take such actions as may be necessary to issue a written Snowmobile Trail Permission, pursuant to

RSA 215-C:8, to Shugah Valley Snow Riders, Inc. for a period of five years. This Permission is for use of designated City-owned land and class VI highways, which list is to be included with the Use Permission Form and is subject to all City and state rules and regulations pertaining to use of snowmobiles on public property. This Permission is granted subject to the following condition:

- 1. The City may close one or more trails on either City-owned land or class VI highways to snowmobile use as may be required for reasons including but not limited to trail conditions, maintenance and public safety.**

Pleasant Street Easements

Withdrawn

Resolution 2022-13, 111 & 119 Main Street Demolition Funding – Public Hearing

WHEREAS, the City of Claremont acquired 111 and 119 Main Street by tax deed and has determined that demolition of these two properties is the best course of action (the Project); and

WHEREAS, the low bid for the project was \$69,060.00, which does not include asbestos remediation; and

WHEREAS, the balance of \$65,772.73 in the Code Enforcement Non-Cap Reserve account, Property Maintenance account and Property Maintenance & Reserve Cleanup account is insufficient to cover the cost of the project along with any asbestos removal that may be necessary; and

NOW, THEREFORE, BE IT RESOLVED to raise and appropriate the sum of \$50,000.00 from fund balance (to have no impact on the tax rate) in order to move forward with the demolition of 111 and 119 Main Street, with some reserve funds for asbestos remediation, and to maintain some funding in the accounts for other cleanup actions for the remainder of the fiscal year; and

BE IT FURTHER RESOLVED that the city manager, or his designees, are hereby authorized to undertake all actions and execute all documents related to this resolution. *(2/3 Vote Required)*

Mr. Morris said this year this budget started at \$70,000. There have been some expenses and the accounts now total \$65,772.73, which doesn't cover the cleanup and asbestos removal, if it is found. The City is asking for \$50,000 from fund balance.

There was discussion about not wanting to take money from fund balance. It is recommended that the City maintain 5-15% in unassigned fund balance and the City is within that range.

Ms. Richmond said this is a one-time expense, which is an appropriate use of fund balance.

Councilor Girard would like to know the total amount of money that has been taken from fund balance over the last 17 months. Ms. Richmond said she would have to pull the resolutions to get the amounts, and that will take a few days.

A motion was made by Assistant Mayor Damren and seconded by Mayor Lovett to adopt Resolution 2022-13, 111 & 119 Main Street Demolition Funding.

Assistant Mayor Damren read the resolution into the record.

Mayor Lovett opened the public hearing. No one spoke. She closed it.

Regarding these houses being a liability, Mr. Morris said some floors are falling through. The buildings are boarded up.

Tax Collector Warrant 24 Schmitt Street

Ms. Merrill said this is a continuation of a motion made in October. The City is attempting to put a lien on this property in the amount of \$5,598 which has been expended by the City. The mortgage company has boarded up the building.

A motion was made by Councilor Matteau and seconded by Councilor Stone that

WHEREAS, on October 13, 2021, the Claremont City Council authorized the issuance of an Order for Abatement Costs to the record owner of 24 Schmitt Street pursuant to NH RSA 147:7-b, for the recovery of the City's expenses incurred in the removal of trash and unsanitary material at 24 Schmitt Street, which constituted a public health hazard; and

WHEREAS, the Health Officer has forwarded to the Council (1) a copy of the aforesaid Order, with (2) a Sheriff's Certificate of Service showing that the record owner was served in-hand on October 26, 2021, and (3) a Certification of the Health Officer that his office has received no written objection to the Order as of December 2, 2021, a period of more than 30 days following service; it is therefore hereby

MOVED that the Claremont City Council, pursuant to RSA 147:7-b, IV, hereby (i) commits the expenses set forth in the Order to the City Tax Collector for collection according to the terms of RSA 76:10-13 and RSA 80, (ii) instructs and authorizes the City Assessor to issue a supplemental warrant to the City Tax Collector for the collection of the expenses set forth in the Order, and (iii) authorizes the City Manager, Assessor, Tax Collector, and/or their designees to otherwise execute and perform all actions as may be required on behalf of the City of Claremont to collect such expenses pursuant to RSA 76 and 80.

Police Employee Retention Contract Discussion

Mr. Morris said the City is having major staffing issues in the Police Department with trying to maintain certified officers on the Police force.

Police Chief Mark Chase said he is seeking help to avert a crisis. He said he spoke about this during the budget process. Currently, the Police Department has 21 full-time officers out of 25 authorized, but only 16 officers are fully available, because of military deployments and some not having completed the Police Academy. This is a 24/7 department and they are working with minimal staffing, which they cannot continue to do. His department has expended 89% of its Overtime budget in only 5 months. He talked about the struggle to recruit officers throughout the state and that after they are trained, they become very marketable to other communities. He

talked about the low experience level of a lot of the officers on staff. The hope is that this retention contract will help keep some employees in Claremont.

There was discussion, including how other department employees will feel.

Chief Chase said the current Police Union contract expires in June 2023. This does not have to be negotiated as it is the City making the offer. Mr. Morris said all the union would have to do is agree to accept this. Councilor O'Hearne was concerned about asking employees to enter into another contract. Chief Chase said the money would come from this budget (2 employees are deployed, etc.).

Councilor Koloski said that during the budget process, there were discussions about using the unexpended Police funds toward paving. Mr. Morris said the City would keep looking and would hope to find the money for paving.

Councilor Stone thinks something needs to be done, but he is not in total agreement with what has been presented.

Councilor O'Hearne believes that this is something that should be negotiated with the union.

Members of the Police Commission (John Hall, Ward 1; Joel Tremblay, Ward 2; and Alison Raymond, Ward 2) spoke in favor of the proposal saying that it would buy some time in order to bring on new hires and to get them up to speed.

A motion was made by Assistant Mayor Damren and seconded by Councilor Matteau that the Claremont City Council hereby authorizes the City Manager or his designee to execute any documents which may be necessary to effectuate the Claremont Police Retention contract.

Councilor Girard said that NHMA (NH Municipal Association) Attorney Steven Buckley is available January 5th to do a two-hour virtual training for \$400 to discuss Municipal Charters, City Officials and Authority, Right-to-Know Law, Meetings, and Conflicts of Interest.

There was a Council consensus to approve this expense.

Councilor Girard said there will be a swearing in of Councilors on January 5th.

COVID-19 Discussion

Removed by consensus of the Council.

NON-PUBLIC SESSION PURSUANT TO RSA 91-A:3,II(b) – PERSONNEL
