MAYOR’S NOTES

Proclamation – Stevens High School Alumni Association

Mayor Girard read proclamation for the Stevens High School Alumni Association.

Mayor Girard read opinion letters that were sent from Ms. Edwards who is a Disnard Elementary School Teacher for second graders. Some of the students wrote letters asking for a Bunny Park in Claremont, a Lego Park, pets to be allowed in class, and a Chick-fil-A.

CITY MANAGER’S REPORT

Mr. MacLean applauded the appointment of John Bohenko, and noted Mr. Bohenko was a well-seasoned manager. Mr. MacLean thanked the Council for his time served and thanked all the staff that joined the budget meeting Saturday, May 14th, this budget meeting ended with a CIP tour. Mr. MacLean remarked the Council handled the CIP tour extremely well. Mr. MacLean reminded the Council that on June 8th the hope is to wrap up most discussions on budget, with our final budget meeting held on June 22nd. Mr. MacLean explained the City Attorney was present to help address any concerns relative to the OHRV use Ordinance 592.

CITIZEN’S FORUM

Mayor Girard reminded the public that Citizen’s forum was limited to five minutes per speaker on non-agenda items only.

Representative Walter Stapleton, Ward 3, noted there was a lot going on in legislature. Mr. Stapleton wanted to highlight the SB 401 which was explained as state aide for block grants, municipal bridge funding. Mr. Stapleton shared estimates from DOT on how much each municipality could receive. Mr. Stapleton then stated his intention to file and run for a third term.

Angela Bastian who lives in Fairfax Vermont, and owns some property in Claremont, shared with the Council the reason she is speaking at Citizen’s Forum is the 50 acre property her Cousin Wendy O’Connell, Kelly Hooper, and Eric Bastain owns off of Springfarm Road. Ms. Bastain stated a land owner has put up a gate on the roadway that goes to this property, and that the tax document for Wendy Oconnell states the property is landlocked. Ms. Bastain requested to remove the landlocked designation from the tax record, and have the land owner remove the gate. Ms. Bastain made note that this was first requested in August of 2021 and no action has been taken.

Mayor Girard closed the Citizen’s Forum.

OLD BUSINESS

Ordinance 592 OHRV Use– Second Reading – Public Hearing

Section 1. Article X – OHRV USE ON CITY-OWNED PROPERTY

Amend Section 19-221 by permitting use of Class VI and certain identified portions of Class V roads, within the City of Claremont, by off-highway recreational vehicles for an indefinite basis from which Section 19-94 shall now provide as follows:

Sec. 19-221 – Off-highway recreational vehicles permitted.

Operation of off-highway recreational vehicles (hereinafter “OHRV” or “OHRVs”), as defined by RSA 215-A:1, ~~may shall~~ be permitted on the following portions of these Class V roads: a) 41 Cat Hole Road to 196 Cat Hole Road; b) 7 Veterans Park Road to 168 Veterans Park Road; c) the intersection of Petrin Heights Road with Washington Street to 10 Petrin Heights Road; as well as all Class VI roads, ~~and~~ bridges and certain designated/marked ~~specified~~ trails ~~as set forth herein~~. OHRVs may be permitted to operate within city parks as designated subject to such rules and regulations as are established for all users of city parks, on file in the parks and recreation department.

Section 2. Article X – OHRV USE ON CITY-OWNED PROPERTY

Amend Section 19-222 to require any maintenance, improvement and/or repair of the City’s Class VI roads/trails, by any OHRV organization or club, to comply with the application and approval process set forth in Article II, Division 2 of the City’s Code which shall now provide as follows:

Sec. 19-222 – Permissive use.

Each OHRV organization or club seeking to perform any maintenance, improvement and/or repair of the city’s Class VI roads or trails shall obtain a permit, by and through the process as set forth in Article II, Division 2 (Sec. 16-41 through Sec. 16-58), from the department of public works prior to undertaking any such activity ~~signed consent to use the city rights of ways on a form substantially similar to that recommended by the New Hampshire Bureau of Trails, which consent may be granted as is appropriate in the judgment of the city council.~~

Section 3. Prior Enactments Shall Not Be Superseded

Any adoptions and/or amendments to Article X, Sections 19-221 and 19-222 of the City Code by action of the City Council, prior to adoption of this Ordinance, are hereby preserved subject to the current amendments as presented by this Ordinance.

Section 4. Validity

If any article, section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this Ordinance.

Section 5. Effective Date

This Ordinance shall take effect and be enforced immediately upon passage.

A motion was made by Councilor Contois and seconded by Councilor Stone to adopt Ordinance 592 Amending Article X – OHRV Use on City Owned Property.

Councilor Contois read ordinance into record

Mayor Girard opened up public hearing.

Lloyd Mann, Ward 3, received a notification letter to abutters about the OHRV amendment. Mr. Mann is against this amendment. Mr. Mann mentioned to Council that he spoke to a small business in Pittsfield NH, who has similar OHRV access and stated the owners moved there for peace and quiet but now finds it too noisy and wants to move again. Mr. Mann stated most OHRV's are not quiet, and stated if this amendment is passed it will be disturbing the peace of all class five and class six roads.

Karen Baker, Ward 3, shared concern for the elderly that walk up and down Paddy Hollow Road, along with her son who walks and rides their bike up and down the road. Ms. Baker questioned if these OHRV's will be cautious, and shared further concern for potential property damage. Ms. Baker stated the Claremont Police Department doesn't have enough staff to keep up with all the complaints.

Angela Bastian, Springfarm Road, shared concern for OHRV riders being met with gates put up in the area of her family's property, and asked who is going to monitor the OHRV's that are not following rules and laws.

Steven Wilkie, Sullivan County ATV Club President, noted miscommunication and confusion which was his fear with notifying all abutters. Mr. Wilkie clarified the club was not asking for any more or any less roads from the past twenty-two years. Mr. Wilkie noted the ATV club trail system does not go anywhere near Paddy Hollow Road or Springfarm Road, and stated whatever activity that has been on these roads for the last ten plus years will continue. This amendment only eliminates the yearly process of having the ATV Club coming to Council for permission to use the same roads as always.

Mike Saracino, Ward 3, recalled a petition from last year that did not allow ATVs on Cat Hole Road. An agreement was made to allow the ATVs for one year with patrols on site to monitor. Mr. Saracino thanked the ATV Club and Steve Wilkie for all the grant money they got for

paving Cat Hole Road and described how much it helped with dust. Mr. Saracino noted there was a major wash out due to substantial rain. This wash out allowed peace and quiet for a month, and noted this is not possible when ATVs are going by. Mr. Saracino noted it was troublesome to think there will be permission indefinitely, and asked what recourse is there when riders don't follow the rules. Mr. Saracino asked to mandate that patrols be placed where abutters want them to be placed, from Friday- Sunday. Mr. Saracino begged Council to take this out of the community.

Mike Jurkowski, Ward 3, asked the Council directly if any members have an idea of how many ATVs pass through one of these trails. Mr. Jurkowski passed out a spreadsheet containing data for a three hour and ten-minute period. Mr. Jurkowski stated the quality of life is deteriorating, and shared he has been living here for fifteen years. Mr. Jurkowski suggested there needs to be a better way to get to these trails away from homes. Mr. Jurkowski then played a recording of ATV noise passing by his house on a speaker for the Council.

Norm Blouin, Ward 3, Suggested Steve Wilkie and the ATV Club should have written permission from all land owners.

Mayor Girard closed the public hearing

Councilor Koloski stated he does not have a house that has ATVs passing by, however he does have a business that deals with this. Councilor Koloski noted it is not the ATV Club members who don't follow rules, and laws.

Assistant Mayor Matteau shared concern that this is a third time seeing this issue brought up from property owners. Assistant Mayor Matteau does not support the amendment and stated the Council has a duty to hear complaints from citizens.

City Attorney Tanguay explained the Council can amend the City Code again, and can withdraw this permission.

Ordinance 593 Amend Merit Plan - Second Reading – Public Hearing

Section 1. Amendment to Salary/Pay Scales in Attachment C During Budgetary Process

Adopt a new Section 4 of Appendix B (Personnel Classification and Pay Schedules) to read as follows:

Section 4. Amendment to Salary/Pay Scales in Attachment C During Budgetary Process

During the City's annual budgetary review and approval process, the city's administration may submit amendment(s) to the salary/pay scales as set for in Attachment C, as previously referenced herein, for consideration by the city council as part of the proposed annual budget of the City of Claremont. In such an event, the budgetary proposal, which includes amendment(s) to the salary/pay scales in Attachment C, shall constitute an "ordinance" in accordance with sections 24, 25 and 52 of the City of Claremont Charter. In addition, the adoption of any annual budget, with such amendment(s) to these salary/pay scales, shall comply with the procedures set forth in section 25 of the Charter. Any rejection, by vote of the city council, of any proposed amendment to the salary/pay schedules set forth in Attachment C shall not, by itself, serve as a vote against the adoption of the overall proposed annual budget of the City of Claremont for that fiscal year.

Section 2. Renumbering of Impacted Sections to Part II, Appendix B (Personnel Classification and Pay Schedules)

These sections of the prior version of Appendix B (before the adoption of this Ordinance) shall be assigned new numerical designations with the adoption of the proposed Section 4, as identified above, in the following manner:

Previous Section Reference

New Section Reference

Section 4. (Prior enactment superseded)

Section 5. (Prior enactment superseded)

Section 5. (Validity)

Section 6. (Validity)

Section 6. (Effective date)

Section 7. (Effective date)

Section 3. Prior Enactments Shall Not Be Superseded

Any adoptions and/or amendments to the City of Claremont Appendix B (Personnel Classification and Pay Schedules) by action of the City Council, prior to adoption of this Ordinance, are hereby preserved subject to the current amendments as presented by this Ordinance.

Section 4. Validity

If any article, section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this Ordinance.

Section 5. Effective Date

This Ordinance shall take effect and be enforced immediately upon passage, but shall be retroactive to the first day of the month in which it is passed upon third reading.

Mr. MacLean stated this will allow the Council through its's budgetary process to adjust merit plan employees without amending the ordinance. This is a streamlined process and can help with positions that have not received any adjustments.

Ms. Lauzon stated this amendment is important to level the playing field of non-union and union employees.

City Attorney Tanguay stated the idea is to amend pay scales without changing the Charter.

Councilor O'Hearne asked if pay scales would no longer come through Council. Mr. MacLean replied pay scales will continue to go through Council for approval. However, attachment C would be amended accordingly as a part of budget process when each department presents. Council will have full access to see the process and changes as well as approving any changes. This amendment does not absolve any authority from the Council.

A motion was made by Assistant Mayor Matteau and seconded by Councilor Stone to move Ordinance 593 Amending Appendix B Personnel Classification and Pay Schedules to a third reading and public hearing.

Assistant Mayor Matteau read the ordinance into record.

CDBG Status Reports

Southwest Community Service's Emergency Shelter Improvements grant - To update the public on, and take comment on, the improvements at the emergency shelter, 45 Central Street, by Southwest Community Services.

Mayor Girard stated Community Development Block Grant funds are available to municipalities through the NH Community Development Finance Authority (NH CDFA). Up to \$500,000 annually is available on a competitive basis for public facility projects, up to \$500,000 for housing projects, up to \$500,000 for economic development projects, and up to \$350,000 annually is available for emergency activities. Up to \$25,000 is available per planning study. All projects must primarily benefit low- and moderate-income persons.

Mayor Girard opened a public hearing

Mayor Girard also stated Southwest Community Service is making improvements to its Emergency Shelter at 45 Central Street, Claremont. Improvements include electrical, energy upgrades, improved security, kitchen upgrades and exterior improvements. Energy improvements had been undertaken. Renovation is underway.

Keith Thibault, the Chief Development Officer gave a brief overview of the Southwest Community Services and Grant applications.

Councilor Contois asked if the shelter is currently in operation and if the shelter would remain in operation during construction, Mr. Thibault replied the shelter is in use, and will continue to be in use during construction.

Mayor Girard closed public hearing

CDBG Grant Applications

Mayor Girard opened the Public Hearing on Requesting an Additional \$130,568 in GAP Funding for the Southwest Community Service's Emergency Shelter Improvements Project

Mayor Girard stated NH CDFA has made available a GAP financing pool set aside of \$1,500,000 for projects financially impacted by increased costs caused by Covid-19. This is a request to NH Community

Development Finance Authority for an additional \$130,568 in CDBG GAP funding for the Southwest Community Service's Emergency Shelter Improvements Project, at 45 Central Street, Claremont. Due to Covid, construction costs have increased significantly.

Mayor Girard closed the public hearing.

CDBG GAP Financing Application – The City proposes to submit an application for additional funding titled Community Development Block Grant (CDBG) GAP funding, for up to \$130,568 to the NH Community Development Finance Authority for additional constructions costs for Southwest Community Services emergency shelter improvements at 45 Central Street.

Motion to Authorize CDBG Application for Southwest Community Services

The Claremont City Council hereby approves the submission of Community Development Block Grant GAP funding for improvements to the Southwest Community Services Emergency Shelter at 45 Central Street in an amount not to exceed \$130,568 (consistent with public hearing notice) and to further authorize the City Manager to sign and submit the application, and upon approval of the application, authorize the City Manager to execute any documents which may be necessary to effectuate the CDBG contract and any amendments thereto.

CDBG GAP Financing Application- Turning Points

Mayor Girard stated the City proposes to submit an application for additional funding titled Community Development Block Grant (CDBG) GAP funding, for up to \$500,000 to the NH Community Development Finance Authority for additional construction costs for Turning Points Network renovations project at 231 Broad Street.

Mayor Girard opened the public hearing.

Mayor Girard stated NH CDFA has made available a GAP financing pool set aside of \$1,500,000 for projects financially impacted by increased costs caused by Covid-19. This is a request to NH Community Development Finance Authority for an additional \$480,400 in CDBG GAP funding for the \$480,400 in GAP Funding for the Turning Points Network Renovations Project. Due to Covid, construction costs have increased significantly.

Deborah Mozden, Director of Turning Points Network, gave a brief history of Turning Points Network to the Council. Ms. Mozden stated the company started with 1.5 staff members and now has 14 members. Ms. Mozden noted looking in the downtown area for office space, but this was not affordable. Construction to accommodate staff in the current offices went out to bid before COVID. Ms. Mozden noted Turning Points Network was approached by USDA for additional funding. This project increased from 1.4 million dollars to 2.4 million dollars. Ms. Mozden stated in order to receive the funding, the project had to be fully funded. Ms. Mozden noted a substantial loan was taken out.

Mayor Girard closed the public hearing.

Motion to Authorize CDBG Application for Turning Points Network

The Claremont City Council hereby approves the submission of Community Development Block Grant GAP funding for the Turning Points Network renovation project at 231 Broad Street in an amount not to exceed \$480,400 (consistent with public hearing notice) and to further authorize the City Manager to sign and submit the application, and upon approval of the application, authorize the City Manager to execute any documents which may be necessary to effectuate the CDBG contract and any amendments thereto.

BUDGET

Outside Agency Request Budget

Mr. Thibault and Ms. Palmer gave a presentation on the Sullivan County Transportation Services through Southwestern Community Services.

Mr. Thibault noted the Claremont to Lebanon route has already provided over 900 trips, this route runs to Lebanon 6 times a day, 6am- 6pm. Ms. Palmer noted from January through April of this year there have been about 3700 bus trips in Claremont, the On-Demand Program that is only in Claremont has had 750 trips. Mr. Thibault and Ms. Palmer thanked the City Council for their contributions over the years and reminded the council for every four dollars of federal funding a one-dollar match is needed.

Councilor Stone shared concern for the thirty-thousand-dollar contribution, and asked to consider lowering our rate as other surrounding communities contribute an average of ten thousand dollars.

Councilor Koloski stated his approval for the amount presented, and suggested the contribution is on par with utilization.

Assistant Mayor Matteau stated this service will really benefit the City of Claremont.

Councilor Mooshian stated to the Council that a good quality of life starts in our neighborhoods, and this program gives access to very important services.

A motion was made by Councilor O’Hearne and seconded by Councilor Beliveau to tentatively approve Outside Agency Request Budget in the total amount of \$30,000.00.
