MAYOR'S NOTES

Mayor Girard noted the Claremont Opera House 125th year celebration is this Saturday at 7 p.m. and tickets are still available.

Mayor Girard stated this was Mr. MacLean's last full-time day with the City. Mayor Girard went on to describe Mr. MacLean's devoted work ethic to the City and how much Mr. MacLean cared for the Community of Claremont. Mayor Girard Thanked Mr. MacLean for all of his work.

CITY MANAGER'S REPORT

Mr. MacLean thanked Claremont, City Council, and the Mayor. Mr. MacLean noted the Council has worked very well together in the six months he has been Interim City Manager and attributed this to Mayor Girard.

Mr. MacLean mentioned that the City staff keeps the City going and called City employees "Intrepid warriors." Mr. MacLean stated he appreciates John Bohenko; who will be taking the place of Interim City Manager and believes Mr. Bohenko will give a great effort.

Mr. MacLean prompted the Council by stating there is a new Police Chief.

Chief Chase stated the Claremont Police Commission has given a conditional offer of employment to Brent Wilmot.

Mr. Wilmot stated it was an honor to come back home, and that it has been dream for a while finally coming to fruition.

Mr. MacLean noted there were issues over the weekend relative to the treatment plant. This effected electrical panels, and sludge is now being pumped out appropriately. Mr. Gleeson, Director of Department of Public Works and staff are working with outside consultants to get this resolved.

Mr. MacLean stated the Financer Director, Ms. Richmond is not just working on budget but also working with BS&A. This is large project and a major transition of accounting procedures. Mr. MacLean thanked Ms. Richmond for all of her hard work.

Mr. MacLean concluded the managers remarks by noting an Innovation Award recognition will coming forward for Ted Wadleigh and other staff from DPW.

CITIZEN'S FORUM

Mayor Girard opened the Citizen's Forum, and reminded everyone this forum is for non-agenda items and each individual has five minutes to speak.

Walt Stapleton, Ward 3, House Representative described an article relative to the denial of municipal aggregation power purchasing. Mr. Stapleton also noted he will be filing to run again for district six and would appreciate everyone's vote.

Norm Blouin, Ward 3, asked the Council why the dialysis center at Rite-aid was canceled, and wants to know the status. Mayor Girard stated this is information that can be brought back to Mr. Blouin. Mr. Blouin questioned the experience of the Department of Public Works Director, Mr. Blouin stated his wife had accident on East Green Mountain Road because grass is about four feet high and makes it hard to see on-coming traffic. Mr. Blouin suggested starting the mowing in May, Mr. Blouin also stated he has brought this to the attention of DPW before.

OLD BUSINESS

Ordinance 594 - HB1029 Police Commission

CITY OF CLAREMONT

IN THE YEAR TWO THOUSAND AND TWENTY-TWO

ORDINANCE #594

"POLICE COMMISSION"

REMOVAL AUTHORITY OF CITY COUNCIL

The City of Claremont Ordains:

Pursuant to a special act of the New Hampshire Legislature, by and through House Bill 1029 of the 2022 session, and signed into law by Governor Sununu on April 18, 2022 within Chapter 22 of the Laws of 2022; Chapter 2, Article II, Division 10 of the City of Claremont Code is hereby amended as follows:

Section 1. Division 10 – Police Commission

Section 2-134 is revised as follows:

A police commission, hereinafter referred to as commission, was established prior to the City's Charter by a special act of the New Hampshire Legislature, Chapter 342 of the Laws of 1947. This special act was amended by Chapter 275, Laws of 1963 and Chapter 382, Laws of 1973. The Legislature also amended certain provisions of the city's original Charter in 1971 regarding budgetary control of the police department (Ch. 274, Laws of 1971, amending Chapter 392, Laws of 1947); however, some of those changes were repealed in Chapter 382, Laws of 1973. The Legislature, once again, amended this special act by and through Chapter 32 of the Laws of 2021. Another amendment occurred to this special act in Chapter 22 of the Laws of 2022. Pursuant to section 69 of the City Charter, the commission continues to be governed by these special acts of the Legislature rather than the provisions of NH RSA 105-C.

Section 2. Division 10 – Police Commission

Section 2-135 (d) is revised as follows:

- (d) The city council shall have full power to remove any commissioner at any time for just cause and after due hearing which cause shall be specified in the order of removal.

Section 3. Prior Enactments Shall Not Be Superseded

Any adoptions and/or amendments to Chapter 2, Article II, Division 10 of the City of Claremont Code by action of the City Council, prior to adoption of this Ordinance, are hereby preserved subject to the current amendment as presented by this Ordinance.

Section 4. Validity

If any article, section, subsection, sentence, clause or phrase of this Ordinance is held to be unconstitutional or invalid for any reason, such decision shall not affect the remaining portions of this Ordinance.

Section 5. Effective Date

This Ordinance shall take effect immediately upon passage.

A motion was made by Councilor O’Hearne and seconded by Councilor Stone to suspend rules to read ordinance into the record

Rail Trail Use – 13 Edgewood

Mr. Maclean noted this was a continuation of conversation from the last meeting held on June 8th. DPW reviewed the area and came up with a quote for cost of a loader and a dump truck to remove material that is encroaching onto the Rail Trail totaling \$365.00.

Mr. Feustel, Ward 1, clarified that the City has only calculated about 36 yards, while Mr. Feustel noted it was about 112 yards.

Councilor Koloski stated he was not comfortable moving forward with using City equipment and time to remove material.

Mr. Gleeson stated he walked Rail Trail and explained how the Department of Public Works took their measurements, Mr. Gleeson also mentioned there is a collection of trapped water but does not believe this is wetlands.

Councilor Koloski reiterated not being comfortable having the City remove any of this material.

Mayor Girard noted this motion was not to dictate how Mr. Feustel removes his material that is encroaching on the Rail Trail.

Motion to Require Removal of Encroachment

The Claremont City Council hereby authorizes the city manager, or his designees, to take such actions as may be necessary for the proper management and administration of the City's interest in that portion of the abandoned railroad right of way behind 13 Edgewood Street. Such action shall include the removal of all encroachments from the right of way behind 13 Edgewood Street by the owner within 60 days, including authorizing the use of motorized vehicles under the supervision of the Parks & Recreation Department to ensure no damage to the trail or any wetlands as a result of the removal.

A motion was made by Councilor Stone and seconded by Councilor Beliveau to authorize the City Manager, or his designees, to take such actions as may be necessary for the proper management and administration of the City's interest in that portion of the abandoned railroad right of way behind 13 Edgewood Street while amending the motion to 90 days

City Hall Upgrades

Municipal Complex Upgrades and Updates:

- Electrical Issues reported from the Electrician from the L.E.D. Lighting Project

Mr. Willette described the electrical issues and read an email to the Council sent by Collins Electric. Essentially stating the wiring was in disrepair, circuits had been improperly wired, and will need to be cleaned up to meet code. Mr. Willette noted this was an estimated repair cost of \$40,000.00.

- Opera House Safety Issues -Pricing and Progress

Mr. Willette noted the pricing of all materials that need to be modified do not exceed \$18,500.00. Mr. Willette noted the original plan was to replicate the balusters on the hand-rails; these cannot be obtained. The other option is to place horizontal brass coated bars. Mr. Willette also noted the water and sewer separation above Opera House issue, Mr. Willette stated when the ventilation starts it brings in the sewer smell. This is an estimated project cost of \$6,000.00.

- HVAC Upgrades for Council Chambers, Mr. Willette stated he would need to go through engineering for these upgrades.

- Update of Roof Progress

Mr. Willette stated the RFP has been posted online on June 15, 2022 and will be posted in the Eagle Times for June 18, 2022. The bid closes on July 18, 2022 with a Mandatory Pre-Bid Meeting for July 11, 2022.

- Installing No Smoking Signs around City Hall, Mr. Willette would like permission to put up no smoking signs, there would be no cost the signs are already available.

Transfer Station RFP

At the direction of the City Council an RFP was advertised to explore the cost effectiveness of privatizing the Transfer Station. On June 13th there was a public bid opening with two interested companies for review; DeCamp Waste Services and Casella Waste Management, Inc (Casella).

Both options would reduce the cost of the tax rate for the operation less the cost of vegetation control and land fill monitoring which averages around \$18,000 per year. The table below reflects highlights from the RFP proposals and if there were requirements not met.

Company	Met the Bid Spec	Rate Sheet Prices	Other
DeCamp W.S.	YES	Most Favorable (See Attached)	
Casella	NO <i>Proposal Exemption indicates "Casella will NOT be responsible for paying any City tax, including property tax**" 4 (pg:6)</i>	Least Favorable (See Attached)	
Casella (Alternative Proposal)	NO <i>(The RFP was for operation in its current footprint. This option is for closure of the station.)</i>	See Casella RFP "Alternate Proposal" (pg:6)	Alternate Proposal includes a payment to the city for \$24,000 annually as a "host community fee"

****RSA 73;23-b (b)** *All leases and other agreements, the terms of which provide for the use or occupation by others of real or personal property owned by the state or a city, town, school district, or village district, entered into after July 1, 1979, shall provide for the payment of properly assessed real and personal property taxes by the party using or occupying said property no later than the due date*

Attached with this memo are both RFPs for review and an attachment that shows the estimated cost comparisons that residents would potentially be charged based on current rates through the RFP process.

Staff Recommendation:

If it is the decision of the council to continue moving forward with privatizing the Transfer Station, then it is the staff's recommendation in accordance with the most responsible proposal, RFP requirements, and staff review that the City Council authorize the City Manager to enter into negotiations with DeCamp Waste Services.

Mr. MacLean stated two proposals were submitted, one proposal met the bid requirements, the other did not but, they offered an alternative which was unsolicited.

Mike Tetu, Ward 1, noted he hasn't seen the proposals by both vendors, but did go to the pre-bid meeting. Mr. Tetu noted it was unfair to make any decision, and his proposal has never been on agenda.

Mr. Tetu, Ward 1, stated he wants what's best for the users of the Transfer Station, and many people would want to speak to this. Mr. Tetu does not want the decision rushed.

Councilor Stone stated the Transfer Station was not rushed and felt as though due diligence has been made to collect all information needed, and supports going the private route.

A motion was made by Councilor Stone and seconded by Councilor Limoges that the City Manager be authorized to negotiate with DeCamp for the privatization of the City of Claremont Transfer Station.

Mayor Girard asked for further discussion.

Casella representative stated the Transfer Station does not have an expense problem; it has a revenue problem. Land-fill prices are increasing, and land-fills on the North East are decreasing and explained this will also become another sunk cost.

Travis DeCamp, owner of DeCamp Trucking explained to the Council that DeCamp wants to do what is best for the City of Claremont, while being transparent. Mr. DeCamp stated he wants to try to keep costs as low as possible.

Councilor Koloski shared concern for recycling, and asked if either business collects recycling without charge. Mr. DeCamp explained times have changed and there is a cost for recycling.

Casella Representative noted the way the Claremont Transfer Station recycles is premium, because the glass and cardboard are separated. Suggested the mixed paper should go into zero-sort.

Mr. MacLean noted these are both well-run businesses. Mr. MacLean noted a privatization model works. Mr. MacLean explained that the Council was looking for RFP's relative to privatization, and while Mr. Tetu has put in hard work and effort; Mr. Tetu's plan has always been regarded as unsolicited.

Councilor Koloski stated if the Council proceeds, he will vote no, as he wants to make sure the citizens have more time to weigh in on the privatization.

A motion was made by Councilor O’Hearne and seconded by Councilor Beliveau to table the Transfer Station RFP to July 13th.

Streets and Roads (Highways)

Mr. MacLean noted the major issue was the ability to pave and construct roads and sidewalks using a bonding method.

Mayor Girard stated many discussions have been had and appreciates all the work Director Richmond has put into the budget relative to the bonding issues.

Mayor Girard stated paving should be in the budget, the Mayor suggested taking the \$105,000.00 from the Police Department plus adding another \$400,000.00 this along with the SB401 will bring this to just under \$800,000.00 for paving and sidewalks.

Mayor Girard wants to see \$505,000.00 added to a paving line item.

Mr. MacLean clarified with the Mayor that the \$505,000.00 should come from a property tax increase. Mayor Girard stated this was correct.

Ms. Richmond stated the new rate would be \$15.78 this adds \$0.5153 to the tax rate (adding the \$105,000 from police budget).

Mayor Girard opened a public hearing, no one spoke. Mayor Girard closed the public hearing.

Councilor Stone questioned the scale. Mr. Gleeson explained this was for a put and take shed and the current building is decrepit. It will cost \$3,500.00 for upgrades.

Nancy Merrill wanted to make note that the Encumbrance Budget TIFD includes the cost of the Sullivan Smokestack.

Councilor Stone asked for an explanation of the \$15,000.00 retention. Chief Chase explained this is for the remaining money the Council signed off on that is due to employees.

Mr. MacLean suggested the Council should give consideration to amending the Encumbrance Budget, and perhaps a motion to only exclude a few items.

AFSCME DPW Collective Bargaining Agreement

Mr. MacLean explained to the Council the agreement has only been renewed for one year; because Claremont does not have a permanent City Manager this may impact a multi-year agreement.

I move that the Claremont City Council approve a Collective Bargaining Agreement between the City of Claremont and AFSCME Council 93, Local 1348 (Public Works) which calls for the following increases in salary and benefits:

Year	Estimated Increase
FY 2023	\$29,793.08

Said sums represent the additional costs attributable to the increase in salaries and benefits, over those of the appropriation at current staffing levels. The increase for FY 2023 shall be covered in the 2023 budget.
