

The Claremont City Council held a meeting on Wednesday, September 28, 2022, in the Council Chambers of City Hall.

The meeting was called to order by Mayor Girard at 6:30 p.m.

Members of the Council present:

Ward II Councilor James Contois
Ward I Councilor Andrew O’Hearne
Ward III Councilor Jonathan Stone
Assistant Mayor Debora Matteau
At-Large Councilor Nicholas Koloski
At-Large Councilor William Limoges
At-Large Councilor Spencer Batchelder
At-Large Councilor Matthew Mooshian
Mayor Dale Girard

Also present:

Lisa Richmond, Finance Director/Assistant City Manager

AGENDA CHANGES

None.

REPORT OF THE SECRETARY

A motion was made by Councilor O’Hearne and seconded by Assistant Mayor Matteau to accept the minutes of the September 14, 2022, City Council meeting.

Voice vote:

Contois - yes

O’Hearne - yes

Stone - yes

Matteau - yes

Koloski - yes

Limoges - yes

Batchelder - yes

Mooshian - yes

Girard - yes

Motion carried 9-0

A motion was made by Assistant Mayor Matteau and seconded by Councilor O'Hearne to accept the minutes of the September 15, 2022, City Council meeting.

Voice vote:

Contois - yes

O'Hearne - yes

Stone - abstain

Matteau - yes

Koloski - abstain

Limoges - yes

Batchelder - abstain

Mooshian - yes

Girard - yes

Motion carried 6-0, (3 Abstained)

MAYOR'S NOTES

Mayor Girard reminded all that this Saturday; the Parks and Recreation Department will be hosting the Chili Cook-off.

A public meet and greet for the new City Manager will be held Tuesday at the Claremont Savings Bank Community Center from 6:00 PM to 8:00 PM.

Mayor Girard stated the Ink Factory will be sponsoring a clean-up day October 7th, 8:00 AM-4:30 PM.

Mayor Girard concluded, by sharing the Open House invitation for the ribbon cutting ceremony at the Claremont Municipal Airport. Mayor Girard thanked Chief Burr and all of those who have helped with the opening of the airport.

CITY MANAGER'S REPORT

Director Richmond started report by noting the second quarter property tax bills are due.

The City Hall roof project should be coming to conclusion this week.

Director Richmond added, that a mason has been working on Pleasant Street fixing bricks.

A fire hydrant was repaired on Pleasant Street through the sidewalk so it did not impact the road.

Planning and Development is working on an Outreach plan beginning October 5th. The Contractor is United Construction and will work on traffic control.

Director Richmond noted the lighting in the parking garage concern and added it is a circuit issue, parts are expected to arrive next week.

Director Richmond informed the Council that last week our tax collector worked with Interim City Manager, John Bohenko for an updated tax-deed list, and noted this should be coming to Council within the next few months.

Councilor Limoges asked if anything has been done with 22 Pleasant Street; Director Richmond stated Code Enforcement is working on it.

CITIZEN'S FORUM

Mayor Girard opened up Citizens Forum, and noted each participant will have five minutes to speak on non-agenda items.

Sean McCarthy, Ward, 1, Candidate for House Representative, shared concern over the street lamps that were replaced on Pleasant Street. Mr. McCarthy asked if the entire City will be migrating to these new lamps. Mr. McCarthy also asked what would be done with the old street lamps, and if they were available to purchase. Mr. McCarthy asked the Mayor to explain the intent of the amendment to the City Charter relative to the City Manager living within the City.

Mayor Girard explained the Charter change was first approached back in January when realizing trying to find a City Manager candidate was becoming more difficult with our candidacy clause. The goal was never to have a remote manager. Mayor Girard noted housing is difficult and if someone lived within a close proximity to the City, this could have been of value.

Assistant Mayor Matteau added when our attorney drafted the Charter amendment, he relayed most communities no longer have this clause. Assistant Mayor Matteau stated the Council and the City could have explained this better to the public.

OLD BUSINESS

Ordinance 597 Abolish the Assessing ordinance – Second Reading

CITY OF CLAREMONT - IN THE YEAR TWO THOUSAND AND TWENTY-TWO

ORDINANCE #597

Rescinding the City's Board of Assessors and Revising the Roles and Obligations of the City's Assessing Division

The City of Claremont Ordains:

Pursuant to New Hampshire RSA 48:12, Division 8 – Board of Assessors, of Chapter 2, Article II of the Claremont City Code is hereby abolished, rescinded and removed in its entirety from the City's Code. Furthermore, Chapter 2, Article III, Division 8 – Department of Planning and Development, Section 2-262 is hereby amended to revise the powers and duties of the City's Assessing Division, as follows:

Section 1. Chapter 2, Article II, Division 8 – Board of Assessors

The entirety of Division 8 of Article II of Chapter 2 as titled "Board of Assessors" shall be stricken and removed from the Claremont City Code. As a result, the Claremont Board of Assessors shall no longer possess any ability or right to conduct any further official duties or activities upon the adoption of this Ordinance. The Claremont Board of Assessors shall hereby be abolished upon the effective date of this legislation.

Section 2. Chapter 2, Article III, Division 8 – Department of Planning and Development. Revise Section 2-262, Assessing division, to read as follows:

The assessing division shall consist of a state D.R.A. certified appraiser, and other personnel as may be approved by the city manager. The city assessor and staff shall perform the following functions:

- (1) The city assessor shall act in all manners as the assessing official and carry out all the duties relative to appraisal of property for taxation as the assessing official as provided by law.
- (2) Prepare all assessments and tax rolls and notices as required by law and submit assessments for use in the billing of taxes .
- (3) Review all property transfers and maintain all property records pertaining to the assessing function.
- (4) Review and approve or deny all abatement requests, applications for exemptions, credits and deferrals.
- (5) Defend the abatement decisions appealed to the NH board of tax and land appeals or superior court, including resolving same through negotiations.
- (6) Prepare and submit regular reports to the Mayor and City Council detailing abatement requests made, abatements granted or denied, abatements appealed to the NH board of tax and land appeals or the superior court and the outcome or disposition of any appeal.
- (7) The assessing division staff shall support the duties of the city assessor.
- (8) Perform other functions as required.

Section 3. Prior Enactments Shall Not Be Superseded

Any adoptions and/or amendments to Chapter 2, Article III, Division 8, Section 2-262 of the City Code by action of the City Council, prior to adoption of this Ordinance, are hereby preserved subject to the current amendments as presented by this Ordinance.

Section 4. Validity

If any article, section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this Ordinance.

Section 5. Effective Date

This Ordinance shall take effect and be enforced immediately upon passage.

Steve Hamilton stated this is the second reading of this Ordinance. Mr. Hamilton explained, essentially this Ordinance was proposed by the Council, and noted it has been a difficult to recruit and retain members. Mr. Hamilton also explained by removing the BOA the notification to Council relative to assessing should improve.

A motion was made by Councilor O’Hearne and seconded by Assistant Mayor Matteau to suspend Council rules, and read the explanation of proposed action instead of the entire Ordinance 597.

Roll call:

Contois - yes
O’Hearne - yes
Stone - yes
Matteau - yes
Koloski - no
Limoges - yes
Batchelder - yes
Mooshian - yes
Girard - yes
Motion carried 8-1

A motion was made by Assistant Mayor Matteau and seconded by Councilor Batchelder to adopt Ordinance 597.

Roll call:

Contois - yes
O’Hearne - yes
Stone - no
Matteau - yes

Koloski - yes
Limoges - no
Batchelder - yes
Mooshian - yes
Girard - yes
Motion carried 7-2

Explanation of proposed action was read into record by Assistant Mayor Matteau.

Mayor Girard opened up a public hearing, no one spoke. Mayor Girard closed the public hearing.

Ordinance 598 Merit Plan - Second Reading

CITY OF CLAREMONT - IN THE YEAR TWO THOUSAND AND TWENTY-TWO

ORDINANCE #598

Amending the Non-Union Employee Classification Plan and Non-Union Employee Pay Schedule

THE CITY OF CLAREMONT ORDAINS:

Pursuant to Article III, Sections 24, 25 and Article IV, Section 52, of the Claremont City Charter; the Non-Union Employee Classification Plan (Attachment B) as well as the Non-Union Employee Pay Schedule (Attachment C) to the Non-Union Job Classification Plan are hereby amended and readopted as follows:

Section 1. Compensation and Job Classification

The compensation of every non-union employee of the city shall be determined by the classification of the job in which such person is employed and in accordance with Attachments B and C to the City's Merit System (which are on file in the city manager's office). Upon adoption of this Ordinance, the new versions of both Attachment B and C, which are exhibits to this Ordinance, shall be implemented with the proposed changes contained therein.

Section 2. Compensation for nonunion/nonexempt employees

With the exception of employees in grades 1 through 4, which are specified solely by an hourly wage rate, rates of compensation of each non-union, non-exempt city employee may be specified by hourly, weekly or annualized salary scales as set forth in Attachment C (on file in the city manager's office). An individual may be hired at or promoted to any salary within his/her job classification and designated Grade if, in the opinion of the department head with the concurrence of the city manager, such individual possesses such experience, skills, or knowledge that meet or exceed the requirements of the position.

Section 3. Salary scales for nonunion/exempt employees

The rates of compensation to be paid to each non-union/exempt city employee shall be at the annualized pay scales as set forth in Attachment C (on file in the city manager's office), with the exception of the salary of the city manager, which is discretionary with the city council. An individual may be hired at or promoted to any salary within his/her job classification and designated Grade if, in the opinion of the department head with the concurrence of the city manager, such individual possesses such experience, skills, or knowledge that meet or exceed the requirements of the position.

Section 4. Prior Enactments Superseded

The pay schedules as adopted by action of the City Council concerning those set forth in Attachment C, prior to adoption of this Ordinance, and all prior amendments thereto, are hereby repealed as they pertain to same.

Section 5. Validity

If any article, section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this ordinance.

Section 6. Effective Date

This Ordinance shall take effect and be enforced as of January 1, 2023.

Councilor Koloski recused himself for the Ordinance 598 Merit Plan Discussion, Council agreed.

Ms. Lauzon explained the highlights of this proposed amendment, and noted it was increasingly challenging to recruit and retain employees.

A motion was made by Councilor O'Hearne and seconded by Assistant Mayor Matteau to suspend Council rules, and read the explanation of proposed action instead of the entire Ordinance 598.

Roll call:

Contois - yes

Motion carried 8-0 (1 abstained)

13 Edgewood Street (City Manager/Director of Public Works)

This memo is to serve as an update for the work being done by Mr. Feustel at 13 Edgewood on the removal of fill from the city's Right Of Way (ROW). It was decided at the June 22nd meeting that the fill deposited from the property at 13 Edgewood into the City's ROW would need to be removed by Mr. Feustel per the City Council's vote within 90 days. The timeline expires on September 29th 2022.

“Motion to Require Removal of Encroachment the Claremont City Council hereby authorizes the city manager, or his designees, to take such actions as may be necessary for the proper management and administration of the City's interest in that portion of the abandoned railroad right of way behind 13 Edgewood Street. Such action shall include the removal of all encroachments from the right of way behind 13 Edgewood Street by the owner within 60 days, including authorizing the use of motorized vehicles under the supervision of the Parks & Recreation Department to ensure no damage to the trail or any wetlands as a result of the removal. A motion was made by Councilor Stone and seconded by Councilor Beliveau to authorize the City Manager, or his designees, to take such actions as may be necessary for the proper management and administration of the City's interest in that portion of the abandoned railroad right of way behind 13 Edgewood Street while amending the motion to 90 days”

When observing the work being done to remove the material deposited in the ROW on 9/17/22 the work is still not completed and would still require approximately 20 yards or so to be removed and the slope re-shaped to bring the area back to a reasonable grade (as close to matching the surrounding bank as possible).

The following items should be noted:

Mr. Feustel was given a temporary construction easement from the City to add in steps to the embankment for easier transport of fill up the steep hillside. These stone or wood steps will be temporary and removed from the ROW upon completion of the project. (see attached August 17th temporary agreement)

Although Mr. Feustel has been working on removing the deposited material by hand from the ROW the work will not be completed by the designated timeline set on the June 22nd meeting.

Director Gleeson reported to the Council as of tomorrow September 29th the 90 day time-limit is up and the removal is not complete. Councilor Stone asked Director Gleeson on his opinion for action. Director Gleeson suggested the rate of removal in which Mr. Feustel is using will take a long time.

A motion was made by Councilor Stone and seconded by Councilor O’Hearne to authorize the City Manager or his designees to determine the best course of action for the resident of 13 Edgewood to remove the material that is encroaching on the Rail Trail within 30 days.

Roll call:

Contois - yes

O’Hearne - yes

Stone - yes

Matteau - yes

Koloski - yes

Limoges - yes

Batchelder - yes

Mooshian - yes

Girard - yes

Motion carried 9-0

NEW BUSINESS

Drinking Water and Groundwater Trust Fund Funding Application

Memorandum

To: Honorable Mayor, and City Council
From: Alex Gleeson, Director of Public Works
Date: September 19, 2022
Re: Drinking Water Ground Water Trust Fund

In order to continue our efforts for drinking water construction projects with financial assistance; per RSA 485-F the City needs to authorize submission of a funding application by attaching "Form 2" which is authority to submit a funding application for the Construction Projects Assistance Program. Without this form applications will be considered ineligible and will not be reviewed.

This assistance is meant to off-set the cost of water construction projects as it has previously with the last award that was for 25% of our loan. This equated to \$500,000 dollars of a 2-million-dollar loan after applying.

We are looking for an approval to apply for construction project assistance. The amount to be determined by the state once applications are reviewed.

Alex Gleeson

Director, Public Works
Claremont, NH

Motion to Authorize Drinking Water Ground Water Trust Fund

The Claremont City Council hereby authorizes the City Manager or his designees to execute and perform all actions as may be required to apply and submit a funding application for the purpose of Construction Projects Assistance Program.

Director Gleeson explained the availability of grant funds and is looking for authorization to apply.

A motion was made by Councilor O’Hearne and seconded by Councilor Mooshian to authorize the City Manager to apply and submit the Drinking Water Ground Water Trust Fund Application.

Motion carried 9-0

Resolution 2023-11 Emergency Lane – Public Hearing

RESOLUTION 2023-11

Emergency Lane Declaration - Paddy Hollow Road

BE IT RESOLVED by the Claremont City Council, after a public hearing duly noticed, that:

WHEREAS, the City has the legal obligation and authority to perform snow removal on its Class V public roads, including the Class V portion of Paddy Hollow Road and; and

WHEREAS, the City does not ordinarily have legal authority to perform snow removal on Class VI public roads, including the Class VI portion of Paddy Hill Road north of the intersection with Windy Hill Road; and

WHEREAS, the City has the authority to declare any portion of a Class VI Road as an emergency lane under RSA 231:59-a for purposes of performing limited City maintenance when the public need to keep such road passable by emergency vehicles is supported by an identified public welfare or safety interest which surpasses or differs from any private benefits to landowners abutting such road; and

WHEREAS, City vehicles cannot safely plow the northernmost Class V portion of Paddy Hill Road, which runs steeply downhill to the point where the road becomes Class VI, because there is no room to safely turn the vehicles around at the end of the Class V portion; and

WHEREAS, a safe turnaround location exists approximately 200 feet into the Class VI portion of the road; and

WHEREAS, the City Council has determined that the public welfare and safety require the City to plow this approximately 200-foot length of the Class VI road so plows can reach an area where they can safely turn around and complete the legally-required winter maintenance of the Class V portion of Paddy Hill Road, to keep the entire length of the Class V portion safely passable by emergency vehicles; and

WHEREAS, the City Council has determined that the public welfare and safety interest in keeping the entire Class V portion of Paddy Hill Road safely passable by emergency vehicles surpasses and is different from any incidental benefit that may be created for landowners abutting the 200-foot length of the Class VI portion of the road;

NOW THEREFORE BE IT RESOLVED that the City Council declares the southernmost 200 feet of the Class VI portion of Paddy Hill Road (between the beginning of the Class VI portion and the existing safe turnaround area) to be an emergency lane under RSA 231:59-a; and

BE IT FURTHER RESOLVED that the City's Department of Public Works or its designee is hereby authorized to take all actions with respect to this emergency lane declaration as are necessary to implement this resolution for the purpose of properly maintaining the entire length of the Class V portion of Paddy Hill Road. Emergency lane declaration does NOT set a precedent that would require the City to plow this part of the road in the future, and it does NOT create liability for the City. Per RSA 231:59-a; an emergency lane declaration "may be rescinded or disregarded at any time without notice." (*Majority vote required.*)

Director Gleeson explained the Department of Public Works is looking to create an emergency lane within 200 feet of a Class VI Road.

Councilor Stone asked if there would be any additional cost or maintenance, Director Gleeson clarified no cost or maintenance is required and this just enables a way to safely turn around, and can be rescinded at any time.

A motion was made by Councilor O'Hearne and seconded by Councilor Stone to adopt Resolution 2023-11.

Councilor O'Hearne read resolution 2023-11 into the record.

Mayor Girard opened a public hearing, no one spoke. Mayor Girard closed the public hearing.

Motion carried 9-0

State Settlement with Janssen Pharmaceuticals/Johnson & Johnson

Re: STATE'S
SETTLEMENT
WITH JANSSEN
PHARMACEUTICA
LS/JOHNSON &
JOHNSON

Dear Interim City Manager Bohenko:

If you are represented by an attorney with respect to
Janssen Pharmaceuticals/Johnson & Johnson opioid claims,
please immediately contact them.

The New Hampshire Department of Justice has negotiated a settlement of all the State's opioid claims against Janssen Pharmaceuticals and Johnson & Johnson, which had been scheduled to go to trial in Merrimack County Superior Court in early September. The settlement requires the defendants to pay \$39.605 million; \$31.5 million of that amount will be dedicated exclusively to abate the opioid epidemic in this state. The settlement we negotiated represents millions more dollars than the State would have received under a proposed national settlement we opted not to join. More importantly, we negotiated terms requiring the defendants to pay the full settlement up-front rather than spread over a period of nine years as the national settlement would have allowed.

In addition, the settlement provides for Johnson & Johnson to pay approximately \$900,000 in attorneys' fees to outside counsel who represent New Hampshire subdivisions.

The settlement also contains injunctive terms that ban Johnson & Johnson from selling and manufacturing opioids, promoting opioids or opioid products and conducting prescription savings programs. It also restricts Johnson & Johnson's lobbying

Council Meeting
September 28, 2022
Page 304

activities and includes stringent enforcement provision to ensure compliance. We believe that New Hampshire's best interests are served by settling this case on the terms we negotiated.

— Telephone 603-271-3658 • FAX 603-271-2110 • TDD Access: Relay NH 1-800-735-2964 —

As one of 23 litigating subdivisions that filed an opioid lawsuit prior to September 1, 2019, you are eligible to receive a portion of \$4,725,000, which represents 15% of \$31.5 million. We would hope to distribute those funds as soon as possible after receipt of the settlement funds.

But, this settlement will not be final and payment will not be made until we receive signed releases from all of the litigating subdivisions, as well as from 18 primary non-litigating subdivisions identified by the defendants.

~~The balance of the \$31.5 million will, by state law, be placed into the dedicated opioid abatement trust fund. (See RSA 126-A: 63-86). In addition to your share of the 15%, you are also eligible to apply for grant funding from that trust fund.~~

As you likely know, the Opioid Abatement Commission is currently accepting grant applications for the first distribution of opioid settlement funds obtained from previous cases, which total approximately \$6.6 million. I encourage you to consider an application or applications for grants relevant to abating the opioid scourge in your community. Application material can be found at <https://www.dhhs.nh.gov/about-dhhs/advisory-organizations/nh-opioid-abatement-trust-fund-advisory-commission>.

A specific condition of the settlement with Johnson & Johnson is that the litigating subdivisions join us in releasing any claims you have against them and in dismissing your complaint against them. We now ask you to do that and have enclosed a release form provided by the defendants.

Also enclosed is a copy of the settlement agreement that has been filed with the Merrimack County Superior Court. This settlement represents significant progress in our effort to hold opioid manufacturers and distributors responsible for their contributing role in the opioid crisis. It provides substantial financial relief that can be delivered swiftly to New Hampshire communities to help abate this crisis. While no amount of money would be enough, this settlement is a significant improvement over the national settlement; combined with other settlements against other defendants, it will make a meaningful difference in the lives of those dealing with opioid use disorder.

We hope that you will join us in this settlement. Time is of the essence in finalizing this settlement. We need to return signed releases to the defendants by the end of September.

I am available at your convenience to answer any of your question questions.

Sincerely,

James T. Boffetti

Deputy Attorney General

(603) 271-0302 / (603) 724-0174

James.t.boffetti@doj.nh.gov

Director Richmond, explained about four years ago the City of Claremont joined in a class-action lawsuit against opiate manufactures, the Deputy Attorney General and Attorney General's office have entered into an agreement to settle with Janssen Pharmaceuticals and Johnson & Johnson. There are twenty-three litigants, for this deal to be finalized all litigants including Claremont need to agree to the terms in the settlement.

A motion was made by Assistant Mayor Matteau and seconded by Councilor Stone to accept the terms of the settlement as presented

Motion carried 9-0

Purple Hearts Designation

Memorandum

From: William Limoges <wlimoges.ccc@gmail.com>
Sent: Monday, September 19, 2022 11:28 AM
To: Julia Bizzarro <jbizzarro@claremontnh.com>
Subject: Purple Heart Designation for Claremont

The motion that I would like to make at the next council meeting is to make a proclamation designating Claremont a Purple Heart City, and place signs stating "Purple Heart City", or something similar, perhaps with "Claremont NH" above the 'Purple Heart City' wording. I've attached an example of both types of signs.

I'm willing to donate up to \$50.00 for 4 signs, which I believe will cover all entryways into the city.

I am also working to find a Purple Heart recipient, preferably a Claremont citizen to be at the meeting when the actual proclamation is read.

Motion to Designate – Purple Heart

The Claremont City Council hereby authorizes the City Manager or his designees to execute and perform all actions as may be required create a proclamation designating Claremont a Purple Heart City.

Councilor O’Hearne stated a motion is not necessary for this, and added the signs should be placed on the following streets: Main, RT. 120, Washington, Charlestown, and Chestnut.

Councilor Contois stated his willingness to also donate money, and commends Councilor Limoges for bringing this item forward.

Councilor Koloski also thanked Councilor Limoges, and wants to match the donation.

Sean McCarthy, Ward 1, stated the American Legion met and discussed Claremont as a Purple Heart City. The Legion had a resolution and it was approved.

COMMITTEE REPORTS

Councilor Stone, Policy Committee was unable to have a quorum for the last meeting.

Councilor Contois noted Ben Kilham had a presentation at the Claremont Senior Center, fifty-three people showed. Councilor Contois also noted the HDC was still discussing the potential demolition of vacant buildings in the City. Mayor Girard asked if there had been a decision made by the HDC regarding the demotion requests; Councilor Contois responded that the Commission had not reached an agreement yet.

Assistant Mayor Matteau, Planning Board had discussions on Solar arrays, and driveway appeals.

FUTURE AGENDA ITEMS AND DIRECTIVES

Assistant Mayor Matteau would like to see a task force created that will look into the finances if the Community Center.

Councilor Koloski shared concern for overnight parking at the North Street lot below the Visitors Center. Councilor Koloski also shared concern for suspending Council rules, and questioned why a rule change hasn't come forward instead.

Councilor Koloski asked for an update on the timeline relative to the HDC federal funds and demolition.

Assistant Mayor Matteau expressed urgency to the HDC to save tax payers money and wants the funds used before losing them.

CONSULTATION WITH LEGAL COUNSEL

None.

ADJOURNMENT

At 7:57 p.m., a motion was made by Assistant Mayor Matteau and seconded by Councilor O'Hearne to adjourn.
