NEW BUSINESS

Ordinance 606 Employee Classification Plan Attachment B

Samantha Lauzon, Human Resources Manager, explained Ordinance 606. Manager Lauzon noted the PAB gave its blessing for the changes to Attachment B, and stated the Ordinance change consists of the removal of the position Human Resources Coordinator, now known as the Human Resources Manager, and adding a Human Resources Director Position. The primary reason for this change is because the scope has expanded, Manager Manale added that the IT department would now report to Human Resources Director. As this position will be vacant in the coming weeks Ms. Lauzon noted it was Important for the next person in this position to hit the ground running with little direction from the City Manager.

The second change is the creation of Finance/Human Resource Specialist. Due to the software conversion, the Finance Clerk's work-load has lessened, and the Human Resources Department needs more assistance, this creation will build a stronger Human Resources Department.
