Jr Peter Nelson Ward III- Thanks the Council and Manager Manale for the work you're doing. Read a letter from ABC (A Better Claremont) group. Asking the City of Claremont to send a letter to DES on behalf of the residents to stop Acuity.

10/4/23

Councilors,

A Better Claremont (ABC) is a group of Claremont citizens who strongly oppose the proposed Construction and Demolition Facility (C&D) that Acuity is planning to build on Industrial Boulevard, Claremont NH. We are asking for the City of Claremont to initiate a letter to the New Hampshire Department of Environmental Services (NH DES) to demand that NH DES reject Acuity's application.

This property was permitted in 1987 to recycle cans and cardboard. Acuity wants to put a C&D Transfer Facility on site. They argue that the permitted recycle facility should be expanded to handle a massive construction and Demolition facility. According to Acuity's estimation, the facility will receive 77 trucks per day, and an estimated 500 tons of toxic debris, including PFAS, mercury, lead, formaldehyde, and many other toxic chemicals. This facility is within 1000 feet of an elementary school and within ¼ mile of hundreds of homes.

Claremont City Code says that a transfer station is not allowed in Industrial District 1. The designated Recycle center classification is there due to a 1987 special exception.

In the latest determination, the Zoning Board of Adjustment (ZBA) said that the facility as proposed is not allowed, due to City ordinance. It does not meet the code requirements; now we want DES to recognize the validity of Claremont's codes.

One of the problems with this permit modification application Acuity sent to NH DES is that the City said NO and NH DES should not consider this modification due to the authority regarding local control.

ABC wants an NH DES informational meeting in Claremont before a draft permit is considered. The citizens need to be heard. This is not a modification of the existing permit; this is a major shift in size and purpose.

The city has said NO and NH DES should reject Acuity's application.

Sincerely,

To: Mayor, Assistant Mayor, and Council

From: Diane Mulholland, Finance Director

Date: October 17, 2023

Re: Planning Vehicle Purchase

The Council has before them information regarding lease purchasing a 2023 Ford Bronco for the Planning and Development Office. The purchase price is \$30,419.52. We received the following 2 bids for 5-year leases:

Ford Credit Municipal Finance at 9.09% with an annual payment of \$7,314.46.

Acme Auto Leasing, LLC at 12% with an annual payment of \$7,300.45.

These interest rates seemed high and were not the best rates for the City of Claremont, I reached out to Mascoma Savings Bank and Municipal Leasing Consultants. Municipal Leasing Consultants did not respond to my email. Mascoma Savings Bank offered the following Municipal Lease Purchase terms:

Mascoma Savings Bank at 5.4% with an annual payment of \$6,771.70 for 5-years.

I would recommend purchasing the 2023 Ford Bronco from Ford of Claremont, financing with Mascoma Savings Bank.

Motion to Accept Multi-Year Lease for Vehicles

The Claremont City Council hereby authorizes the City Manager to enter into a multi-year lease agreement **1** – Vehicles for Planning and Development in the amount not to exceed \$31,000 the expenditure for the first year of the lease being \$6,771.70; said costs have been raised and appropriated in the 2024 budget. The proposed lease agreement contains a termination clause in the event of non-appropriation of sufficient funds for any subsequent year of lease.

Director Merrill 2023 Ford Bronco explains why the city is looking into a different interest rate. The rates seemed high so Director Mulholland called two other banks, Mascoma is a municipal lease of 5.4 % and does have the escape clause.

Councilor Contois asks for clarification.

Director Mulholland explains the city is doing a municipal lease purchase which requires us to have an escape clause. We will own it at the end.

Councilor Contois states he is surprised that the vehicle is a bronco.

Councilor O’Hearne asks Director Merrill what vehicle is being replaced.

Director Merrill states the department will be replacing the old fire Tahoe that will no longer pass inspection.

Councilor Stone asks if the recommendation is a bronco.

Director Mulholland responds yes.

Councilor Stone asks if this is a popular government type vehicle that is used for municipalities.

Director Merrill explains the vehicle is a Bronco Sport so a smaller Bronco but is used for sites that are hard to get to during bad weather and also taking new potential investors around the city.

Councilor Stone asks if the city received a bid for a Durango or Ford Explorer.

Director Mulholland explains the city did ask for those but we did not receive any bids for those vehicles.

Director Merrill responded that yes, the car is in stock.

Councilor O’Hearne asks what the purpose of the vehicle function is.

Director Merrill explains used for site visits by inspectors and planners, also used by Director Merrill to show the city.

Mayor Girard asks if we are able to buy the vehicle through Ford.

Director Mullholland responds yes, it would be exactly the same

Councilor Limoges states it’s a good vehicle.

Councilor Contois asks Manager Manale if the city has looked into electric vehicles.

Manager Manale moving forward we will be looking at the tax payer incentive programs, we will be doing that evaluation.

Director Mulholland states the city has talked to the Grant consultants about electric vehicles for the future.

Manager Manale notes the performance and powerful of the electric truck is great.

Councilor Stone states he is curious to see how the ford all electric truck operates throughout the first calendar before we get off the rails with purchasing more electric vehicles.

Councilor Batchelder before moving the entire fleet we need more infrastructure for chargers.

A motion was made by Councilor O’Hearne to accept seconded by Councilor Limoges to accept the multi-year lease for vehicles.

Dated this 25th day of October, 2023, the City of Claremont, County of Sullivan, State of New Hampshire.

Councilor Batchelder asks how many companies responded to the bid.

Director Merrill explains speaking with DOT officials they said to be grateful you got one. Seeing projects almost twice the estimate.

Councilor Stone what was the timeframe of the bid being open from beginning to end.

Director Merrill about a month, there are a lot of big projects underway.

Mayor Girard the bid was out for about 1 month it sounds like you put a timeline you wanted to start immediately. 9 to 10 million bids if they didn't have to come in immediately. I think we should be getting another run at the bids.

Director Merrill states the bid was listed as staging would start in the fall.
