Adrian Patrick, Ward 1- stated being hesitant to speak tonight and believes Council is obligated to vote in public yay or nay to whether they believe that Jon Stone should be on the CDA. Mr. Adrian noted the report that came out is a black eye on the community. What bothers him are the Councilors who are elected officials have not commented. Mr. Adrian noted the Council pushed to change the rules of the CDA, and now has the authority to remove members, and read from the CDA bylaws, and stated if these records were released prior to Jon Stone's appointment, he wouldn't have been appointed, and there is an opportunity to vote now.

Mike Tetu, Ward 1, stated it would be useful to know which Councilors are in favor of the Charter Amendment being held in 2024. Mr. Tetu stated he spoke with the Secretary of State, Election Division and has in writing the amendment can be on a special election for state/federal election or a school election, also sharing concern for adding things onto the Agenda and is not comfortable with it.

Tosi Nelson, Ward 2, stated Jon Stone's actions are unforgivable no matter how many years have passed, they should be taken into consideration, Ms. Nelson stated Stone was not elected on these boards, he was appointed and the Council can remove members. Rob Lamontagne – Assistant Mayor Matteau invited him to speak. Mr. Lamontagne shared concern for authorities, like officer McLaughlin and Jon stone, stating this is a systematic problem that needs to be addressed. Officers and county attorneys need to be held accountable for their actions, and wants to improve public trust in our institutions.

Ann Fine, Ward 2, stated she had reached out to the majority of Council and only one person had the courage to respond. Ms. Fine noted she speaks with anxiety and that Jon Stone has previously bullied community members, and needs to be removed from any and all positions in the City of Claremont. Ms. Fine also requests Andrew O'Hearne to recuse himself from Council.

Gary Dickerman, Ward 3, stated he is speaking as an individual tonight and could not agree more with the previous speakers, and hopes Council will vote and take a stand.

Tom Longlavin, Ward 2, Agrees with Tosi and stated the Council needs to make a decision, and noted there is no evidence that there has ever been an apology from Jon Stone. And agrees this man needs to be removed from any position of authority.

Ketih Raymond, Ward 1, agrees with everything.

Whitney Skelling, Ward 2, - offered a suggestion about AI, and echoed all comments made about Jon Stone.

Brain Zutter, Ward 2, agrees with Whitney's comments on AI and stated AI is only as good as the items your giving it, and stated there are many resources out there.

Hope Damon, State Representative, District 8, stated she was here to speak about Jon Stone, and State Representative Stone, and noted regardless of parties or position, Representative Stone is not a an acceptable Representative for this state, and mentioned any citizen of New Hampshire can ask for a house ethics evaluation or review.

Candice Crawford, Ward 2, asked council to take action to remove Jon Stone from both committees in Claremont, wants Claremont to thrive. Ms. Crawford noted this shows terrible disregard in town and out of town, and asked why can't something be done, the revelations are recent and that's why it's important to take action now. Ms. Crawford stated to the Council - You're the people I've given power to, take action.

Kassy Steel, Ward 2, agrees to all comments and noted these occurrences happened 18 years ago, and stated 18 years ago Jon Stone wasn't a 16 or 17 year old. He was a grown male. Council should be answering to the community.

Codi Raymond, Ward 1, agrees with comments about Jon Stone. This is not a political issue this is a matter of decency, and asked the Council how they wanted to be remembered in this community.

Sam Killay, Ward 1 stated to make a point that this was 18 years ago, the argument doesn't serve- that information was suppressed from the public, a lot of time and money was used trying to keep this information suppressed, this is the first-time people have had the chance to urge on this information.

Mayor Girard closed Citizens Forum at 7:11pm
