PILOT Agreement – Grissom Lane Solar Project– Public Hearing (City Manager/Assessing)

Motion to Approve PILOT Agreement

The Claremont City Council, pursuant to RSA 72:74 and after public hearing duly noticed, approves the proposed Payment in Lieu of Tax Agreement (PILOT) between the City and Power Investment, LLC for a renewable solar power electric generating facility located at or near Grissom Road (map 176, lot 2) (the Property), and further authorizes the City Manager or his designees to take all such actions as may be necessary to execute said PILOT and implement this motion in accordance with state law and regulation.

Mr. Hamilton is here in support of the city manager for solar by Grissom road 19.8 acres of land as current use land. The land generates this year \$65.61 in tax revenue for the city.

Manager Manale explains the company trying to come in and put in a solar farm. Six thousand per megawatt. Interchange and they can produce more than the City would charge more.

Councilor Zutter would like to find out who is currently using the land for farming.

Mr. Hamilton is unsure who is using the land and if it is used for farming but explains the land is enrolled in the current use program.

Assistant Mayor Matteau asks if the land will be coming out of current use.

Mr. Hamilton there will a land use change.

Assistant Mayor Matteau inquires the amount of the penalty for the change.

Mr. Hamilton the penalty is 10% of the land value.

Manager Manale explains the agreement.

Councilor Greenrose asks the track record of the company and their success rate.

Manager Manale states the company has done other projects in New Hampshire.

Councilor Koloski asks if this pilot still needs to go to the Planning Board.

Director Merrill states the Planning Board already has the items.

Councilor Hemmingway questions if the land will be leased or purchased.

Manager Manale explains the land will be purchased.

Councilor Hemmingway questions if the company will be responsible for any natural disaster and clean up if there were such an event.

Councilor Limoges inquires if it is only catastrophic events that will keep the company from paying the agreement.

Manager Manale explains even if the company produces less power, we will still minimum get the 20,00.00 dollars.

Councilor Koloski expresses he would like to see more of the questions answered before giving an answer tonight.

Mayor Girard questions if the company would start paying immediately.

Manager Manale states when their project is up and running.

Mayor Girard would like to know if the product goes down because of equipment going down will that prevent them from paying the entire pilot.

Manager Manale explains catastrophe event based on natural disasters.

Manager Manale explains at full capacity the price would twenty-four thousand but at minimum would be twenty thousand.

Greenrose asks if we know if they have plans to expand after this first step.

Manager Manale explains they are currently capped at what they are going to producing.

Director Merrill explains the capacity and the power companies improving lines.

Manager Manale explains it will be a ten year project to upgrade the capacity.

Councilor Hemmingway agrees the council needs a little more information on.

Manager Manale describes the solar is on private land not public land. The owners have determined that this is what they want to do with this land.

Director Merrill asks the council to confirm if the council would like to see the site plan.

Councilor Koloski stated this has been over a calendar year and would like to see site plans and tax map.

Mayor Girard inquires how did we come up with 6000.00 per megawatt

Manager Manale explains this is higher than what the going rate is and negotiated much higher. Director Merrill explains we can come back with confirmation for all questions from the council.

Mayor Girard opens public hearing.

Peter Nelson Ward III- would like clarification about a commercial project Girard privately owned project.

Mr. Nelson misunderstood but understands after Mayor Girard explains.

140 North Street Residential Deed Restriction (City Manager/Director of Planning and Development)

Director Merrill explains the North Street residential deed restrictions.

Motion to Approve Authorization to Release Deed Restrictions

The City of Claremont conveyed land and buildings located at 140 North Street, Claremont, NH to Michael Crone, by deed dated 2/22/99 and recorded in Vol. 1212, Page 746 of the Sullivan County Registry of Deeds.

The deed contained the following restrictions:

“SUBJECT TO THE FOLLOWING:

1. The property may not be used for residential purposes and must be in compliance with all applicable ordinances of the City of Claremont.
2. The grantee his heirs and assigns shall be responsible for the payment of all seasonably assessed real property taxes, notwithstanding the ability of the grantee, his heirs or assigns to claim an exemption from such taxes under applicable law.

3. The restriction that the grantee shall complete all improvements described in a purchase and sale agreement between the parties, dated November 18, 1999, covering the subject premises, or before one year from the date of this deed, failing which the property shall revert to the grantor upon notice of the grantee....

The Claremont City Council removed the reversion covenant on May 10, 2000. Ownership passed several times prior to the 12/1/14 transfer of the property from 140 North Street, LLC to N.I.M.M.A Holding, LLC. The deed to N.I.M.M.A. contains the first two conditions above.

City Manager and the Claremont Planning and Development Department recommend that it is in the best interests of the City of Claremont that the limitation on residential use be released and of no further force or effect. The property will remain subject to compliance with all applicable zoning and building code requirements.

The Claremont City Council hereby authorizes the City Manager, or his designees, to permanently release the above restriction on residential use and undertake all actions and execute all documents as may be required to implement this action. Nothing herein shall affect any restrictions the City may hold as to other parcels. This release pertains to 140 North St. only.

Dated this 28th day of August 2024, the City of Claremont, County of Sullivan, State of New Hampshire.

Councilor Limoges asked about building restrictions.

Director Merrill explains once the restriction is lifted we could sell to apartment owners.

Ordinance 633 – Zoning Amendment Recycling – Public Hearing (City Manager/Director of Planning and Development)

CITY OF CLAREMONT – IN THE YEAR TWO THOUSAND AND TWENTY-FOUR

SUBSTITUTE ORDINANCE #633

ZONING ORDINANCE AMENDMENTS

The City of Claremont Ordains:

Pursuant to RSA 675:2 and RSA 674:16, Chapter 22, Zoning, of the Claremont City Code is hereby amended as follows:

Section 1. Amend Sec 22-1, Definitions, to read:

“Recycling facility” shall mean collection, storage and transfer facility which collects, stores and prepares recyclable materials for market and transfers processed recyclable materials to markets for recycling. The term includes "recycling center." The collection, storage and/or transfer of hazardous waste or construction and demolition debris, as defined in this section, is expressly prohibited.

"Construction and demolition debris" means non-putrescible waste building materials and rubble which is solid waste resulting from the construction, remodeling, repair or demolition of structures or roads. The term includes, but is not limited to, bricks, concrete and other masonry materials, wood, wall coverings, plaster, dry wall, plumbing, fixtures, non-asbestos insulation or roofing shingles, asphaltic pavement, glass, plastics that are not sealed in a manner that conceals other wastes, and electrical wiring and components, incidental to any of the above and containing no hazardous liquid, metals or waste.

“Hazardous Waste” means asbestos waste, garbage, corrugated container board, electrical fixtures containing hazardous liquids such as fluorescent light ballasts or transformers, furniture, appliances, tires, drums and containers, and fuel tanks. It shall also include all substances defined as or determined to be hazardous waste pursuant to RSA 147-A:2VII.

MEMBERS – PERSONS appearing – BRIEF DESCRIPTION – DECISIONS. RSA 91-A:2.

“*Water Pollutant*” shall mean a chemical or physical agent introduced to any body of water that may detrimentally alter the natural condition of that body of water and other associated bodies of water.

Section 2. Amend Sec. 22-318(4), Special exceptions, to read:

(4) “Recycling facilities subject to receipt and maintenance of permit or license to operate under RSA 149-M from the New Hampshire Department of Environmental Services, Solid Waste Management Division. The collection, storage and/or transfer of hazardous waste or construction and demolition debris is expressly prohibited and not subject to a special exception.”

Section 3. Amend Sec 22-317 – Prohibited Uses, to read:

All uses of land, buildings, structures, or industrial processes that may be noxious by reason of the production or emission into the air or water (both surface and ground) of dust, smoke, refuse matter, odor, gas, fumes, noise, water pollutants, or similar substances or conditions are prohibited in the industry district I. This includes all uses and processes which require use of open stack structures as part of the manufacturing process other than for exhaust of heating and cooling facilities and air circulation and all uses and processes that are not able to be fully contained within a building or structure. This prohibition does not apply to external storage of raw materials or finished product, not contained within a structure, as may be permitted by the planning board as part of the site plan review process.

Section 4. Prior Enactments Shall Not Be Superseded

Any adoptions and/or amendments to Chapter 22 of the City Code by action of the City Council, prior to adoption of this Ordinance, are hereby preserved subject to the current amendments as presented by this Ordinance.

Section 5. Validity

If any article, section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this Ordinance.

Section 6. Effective Date

This substitute Ordinance shall take effect and be enforced immediately upon passage.
