The Claremont City Council held a meeting on Tuesday, June 9, 2026, in the Council Chambers of City Hall.

The meeting was called to order by Mayor Girard at 6:30 p.m.

Members of the Council present:

Ward I Councilor Andrew O’Hearne
Ward II Councilor William Greenrose
Ward III Councilor Christopher Irish
Assistant Mayor Debora Matteau
At-Large Councilor Christopher Cogswell
At-Large Councilor Wayne Hemingway
At-Large Councilor William Limoges
At-Large Councilor Nicholas Koloski
Mayor Dale Girard

NEW BUSINESS

City Manager Hiring Strategy

The City Council discussed the resignation of the City Manager and noted that Manager Bates’ final date of employment is not yet determined but is expected to occur sometime during the summer. Council members then discussed the process for hiring a new City Manager, including the potential use of recruitment firms, assistance from the Human Resources Director, and the potential formation of a search committee. Councilors shared perspectives on past recruitment efforts, candidate screening, organizational challenges, and the importance of establishing clear expectations for the position. Additional discussion focused on interim leadership needs, possible organizational restructuring, the relationship between the City Council and City Manager, and strategies to attract qualified candidates. The consensus of the Council was to have Human Resources Director Thibodeau provide additional information regarding recruitment options, associated costs, hiring timelines, and opportunities available through the City's LinkedIn membership. The Council also agreed that Mayor Girard would serve as the primary point of contact with recruitment firms as the City moves forward with the City Manager recruitment process.

A motion was made by Councilor O’Hearne and seconded by Councilor Greenrose to authorize Mayor Girard as the point of contact for recruitment firms for the City Manager recruitment process.

room please write down your contact information if you'd like to be contacted as well as your concern on the clipboard for follow-up.

Ms. LaChance, Ward II – had concerns brought forward about Memorial Day and noted Councilor O'Hearne was the only councilor that did not reach out and would like to hold a clean up day for veteran headstones in the City cemeteries.

Valorie Deloria, Ward II, representing the CYBSA, wants to update field 2, and requests the Council put this back on the agenda.

Ken Burke, Ward II, agrees with Ms. Deloria and is very involved with baseball and emphasized the tournaments bring people from other areas into our City, and asked the Council to give this consideration.

NEW BUSINESS

Resolution 2026-52 Claremont Firefighters IAFF Local 1571 Collective Bargaining Agreement – Public Hearing

The City Manager reported that the City and the IAFF Local 1571 bargaining unit returned to negotiations following a previous tentative agreement and were able to reach a revised tentative agreement. The negotiations were described as positive and productive. The proposed agreement includes a general wage increase of 4 percent, with the associated financial impacts outlined in Resolution 2026-52.

A motion was made by Councilor Hemingway and seconded by Assistant Mayor Matteau to accept Resolution 2026-52.

Councilor Hemingway read Resolution 2026-52 into the record.

Mayor Girard opened a public hearing.

Kyle Lizotte, President of IAFF Local 1571, thanked the City Manager, Human Resources Director, and members of the negotiating team for their work throughout the bargaining process. He stated that both parties worked collaboratively to reach a compromise, noting that the union made concessions in an effort to reach an agreement. Mr. Lizotte expressed hope that the agreement would be approved to move forward.

Mayor Girard closed the public hearing.

Resolution 2026 – 53 Application for RSA 79-E Community Revitalization Tax Relief Incentive
for Substantial Rehabilitation of 17 Water Street – Public Hearing

Planning and Development Director, Gina Gavan, presented Resolution 2026-53 regarding an application submitted by 1852 MB Claremont, LLC for RSA 79-E Community Revitalization Tax Relief Incentives for the substantial rehabilitation of 17 Water Street for 11 years. She explained the purpose of the RSA 79-E program, eligibility requirements, and the Council's authority in determining the duration of the tax relief benefit. The applicant proposal is a project that supports the City's Master Plan goals, and the project meets multiple qualifying criteria, including improvements within the historic district, rehabilitation of a qualifying structure, and public benefit considerations. Council discussed the length of the tax relief period, transferability of the benefit to a future property owner, and the project's potential to create additional housing opportunities. A consensus was reached supporting an 11-year tax relief period.

A motion was made by Councilor Limoges and seconded by Councilor Greenrose to accept Resolution 2026-53 amended to correct the date in the second Whereas clause to June 3, 2026.

Councilor Limoges read Resolution 2026-53 into the record.

Matt Bacon of 1852 MB Claremont, LLC thanked the Council for its consideration of the application. Discussion also occurred regarding project commencement and completion dates, with the applicant indicating construction is expected to begin shortly after July 1, 2026, with substantial completion anticipated by April 2028.

Mayor Girard opened the public hearing.

Jeff Barrett, Ward 1, questioned the proposed 11-year tax relief period, noting that he thought previous RSA 79-E agreements had been limited to seven years. Director Gavan explained that state law allows for additional time when meeting certain criteria Mr. Barrett expressed concern that 11 years was too long a period for tax relief.

Mayor Girard closed the public hearing.

Motion carried 9-0

Ordinance 645 Water Rates – First Reading

Director Gleeson and Treasurer Parks presented additional water rate options requested by the Council following the Raftelis rate study presentation. Staff reviewed both a level increase model and a minimum increase model, highlighting the long-term impacts on revenues, fund balances, and reserve levels. Discussion focused on the importance of maintaining adequate reserves to support aging infrastructure, future capital improvements, and unexpected equipment failures at the water and wastewater treatment facilities.

Council members discussed the need for regular review of rates and suggested changing the language in the Ordinance to read Shall review annually instead of may review annually. Also discussed the potential impact of future development and new customers, and the balance between minimizing rate increases and maintaining financial stability.

A motion was made by Assistant Mayor Matteau and seconded by _____ to pass Ordinance 645 minimum option to a second reading with an amendment of the wording may review annually to shall review annually.

Contemporaneous meeting notes for use with other resources in preparation of draft minutes
MEMBERS – PERSONS appearing – BRIEF DESCRIPTION – DECISIONS, RSA 91-A:2.

Assistant Mayor Matteau read the explanation of proposed action into record.

Councilor O'Hearne doesn't agree with the wording change and thinks its a substantial change.

Assistant Mayor Matteau disagrees and stated Ordinances have multiple readings to make changes if needed.

Assistant Mayor Matteau withdrew the motion.

A motion was made by Councilor Irish and seconded by Councilor Koloski to pass Ordinance 645 Level option to a second reading with an amendment of the wording "may review annually" to "shall review annually".

Councilor Irish read the explanation of proposed action into record.

After discussion Mayor Girard asked for a roll call to move the question.

Resolution 2026-58 Safe Streets for All Grant Application – Public Hearing

Manager Bates explained the City has now applied for an implementation grant based on The Federal Safe Streets and Roads for All (SS4A) plan. Manager Bates submitted the application before Council approval not wanting to lose out on the capitalization of the City's earlier \$30,000 match and is requesting approval supporting the application. If the grant is awarded, the City will need to provide a 20% match (\$150,800), with a separate future resolution identifying the funding source.

A motion was made by Councilor Koloski and seconded by Councilor Limoges to accept Resolution 2026-58.

Councilor Koloski read Resolution 2026-56 into the record.

Mayor Girard opened a public hearing.

Elizabeth Cram, Ward I, shared concerns with items discussed at Traffic Advisory meetings, Manager Bates noted this would address several of those items.

Resolution 2026-60 FY2027 benefit strategy

Human Resource Director Shannon Thibodeau, presented the City's updated benefits strategy, noting two changes that would not impact the tax rate, the addition of a low-cost, employee-paid vision plan purchased directly through Anthem, and a revised life-insurance waiting period that begins on the first of the month following employment.

Director Thibodeau also presented 3 options of the Lumenos High-deductible health plan which were contributions of 50% for the deductible only, contributions of 50% for the deductible and targeted premium credit, and a contribution of 50% for the deductible plus full remaining deductible offset. Director Thibodeau recommends the second option of a 50% contribution with a targeted premium credit.

A motion was made by Councilor Cogswell and seconded by Councilor Greenrose to accept Resolution 2026-60.

COMMITTEE REPORTS

Gr reported the Historic District Committee received 3 applications and approved 2 ½.

Assistant Mayor Matteau reported the Planning Board approved a conditional use permit, and a preliminary site plan.

Councilor Koloski noted the Arts Commission received an assessment report for the Eage restoration and it will cost about \$4,000.00.

Councilor Limoges noted the CDA put out an RFP, discussed the northern borders grant mentioned the CDA does not have enough money to pay for administrative fees. Melissa Richmond asked to buy 56 Opera House Square, and the CDA voted to get a legal opinion.

Manager Bates relayed the Joint loss committee met, and noted the Opera House balcony railings and plaster is installed and stabilized, and the Licensing board met earlier this week and requested the council create an ad-hoc committee for the speedway.

FUTURE AGENDA ITEMS AND DIRECTIVES

By consensus the City Council cancelled the June 16th, Tour and CSBCC meeting.

Councilor Koloski wants applications for boards and committees before the seats are vacant and would like to change the five-minute rule for citizens speaking. Councilor Koloski would like the Claremont Art Walk on a future agenda.

CONSULTATION WITH LEGAL COUNSEL

None.

ADJOURNMENT

At 10:27 p.m., a motion was made by Assistant Mayor Matteau and seconded by Councilor O'Hearne to adjourn.

Voice Vote:

O'Hearne – yes

Cogswell – yes

Greenrose – yes

RE: Proposed Ordinance (#645) to Amend Water Rates

Dear Ms. Bates:

I write to you regarding the proposed 2026 Ordinance #645, which seeks to amend the City's Water Rates for the 2027—2031 fiscal years. I have reviewed the draft Ordinance as drafted by myself with the assistance of the Director of Public Works (Alex Gleeson).

As required by Claremont City Council Rule 36, I hereby certify that the draft Ordinance (#645) as I have reviewed and drafted is in the correct form according to the Claremont Charter, Code as well as all other applicable administrative rules.

Sincerely,

Shawn M. Tanguay

Shawn M. Tanguay

Ordinance #645 – Amend Water Rates for 2027 – 2031

The purpose of this proposed change is to amend the City's water rates in order to establish new rate schedules for the next five (5) fiscal years from 2027 to 2031. The changes to these rates reflect the City's needs to address estimated operating costs, depreciation and existing debt obligations of the Claremont Water System. The increases to each rate schedule seek to implement an incremental change for each fiscal year in order to responsibly introduce such charges for the City's water users in a fashion that does not impose a drastic financial impact for any particular fiscal year covered by this amendment.

It is the hope of the City that the slight annual increase to these water rates, for each fiscal year under this amendment, will be a gradual and acceptable way to address the financial needs of the City's Water System during this timeframe, but avoids users experiencing an extreme increase of cost in any of the years under these new schedules. This change is requested by the City Manager.

CITY OF CLAREMONT
IN THE YEAR TWO THOUSAND AND TWENTY-SIX

ORDINANCE #645

“WATER RATES”

THE CITY OF CLAREMONT ORDAINS:

Pursuant to New Hampshire RSA 47:17 and Section 20-166 of the Claremont City Code, Article IV of Chapter 20, Utilities, the Schedule for Water Rates to be charged all users of water supplied by the City shall be amended as follows.

Section 1 Schedule of Water Rates

The Schedule for Water Rates, as adopted by Ordinance #586 by vote of the City Council, on or about July 14, 2021, is hereby revised as follows:

A. All users of water supplied by the City shall be charged a volume charge, quarterly, based on the cubic feet of water used, as follows:

<u>Water Volume Charges</u> <u>(per 100 cu. Ft.)</u>	<u>FY 2022</u> 7	<u>FY 2023</u> 8	<u>FY 2024</u> 9	<u>FY</u> <u>2025</u> 30	<u>FY</u> <u>2026</u> 31
0 - 1,000 cu. ft. per quarterly period	\$2.50 \$2.91	\$2.60 \$3.03	\$2.70 \$3.09	\$2.80 \$3.15	\$2.90 \$3.21
1,001 – 50,000 cu. ft. per quarterly period	\$7.20 \$8.11	\$7.40 \$8.44	\$7.60 \$8.61	\$7.80 \$8.78	\$8.00 \$8.95
Over 50,000 cu. ft. per quarterly period	\$5.70 \$6.55	\$5.90 \$6.81	\$6.10 \$6.95	\$6.30 \$7.09	\$6.50 \$7.23
<u>Water Flat Rate</u> <u>(Unmetered Users)</u>					
Per quarterly period	\$196.75 \$221.62	\$202.05 \$230.49	\$207.50 \$235.10	\$213.10 \$239.80	\$218.85 \$244.60

B. All users of water supplied by the City shall be charged a fixed charge, quarterly, based on the size of the user's water meter, as follows:

<u>Meter Size</u>	<u>Fixed Charge</u>				
	<u>FY 20227</u>	<u>FY 20238</u>	<u>FY 20249</u>	<u>FY 202530</u>	<u>FY 202631</u>
5/8"	\$18.60 \$20.96	\$19.10 \$21.79	\$19.60 \$22.23	\$20.15 \$22.67	\$20.70 \$23.13
3/4"	\$27.90 \$31.44	\$28.65 \$32.70	\$29.40 \$33.35	\$30.23 \$34.02	\$31.05 \$34.70
1"	\$46.50 \$52.40	\$47.75 \$54.49	\$49.00 \$55.58	\$50.38 \$56.69	\$51.75 \$57.83
1 1/2"	\$93.00 \$104.78	\$95.50 \$108.97	\$98.00 \$111.15	\$100.75 \$113.37	\$103.50 \$115.64
2"	\$148.80 \$167.65	\$152.80 \$174.35	\$156.80 \$177.84	\$161.20 \$181.40	\$165.60 \$185.03
3"	\$279.00 \$314.34	\$286.50 \$326.91	\$294.00 \$333.45	\$302.25 \$340.12	\$310.50 \$346.92
4"	\$465.00 \$523.90	\$477.50 \$544.86	\$490.00 \$555.75	\$503.75 \$566.87	\$517.50 \$578.21
6"	\$930.00 \$1,047.80	\$955.00 \$1,089.71	\$980.00 \$1,111.51	\$1007.50 \$1,133.74	\$1,035.00 \$1,156.41

Section 2 Fire Protection Charges

In addition to charges as stated above, each user of water supplied by the City who has a water connection for fire prevention purposes, including both hydrants and fire suppression systems, shall pay, quarterly, an additional charge as follows:

<u>Type</u>	<u>Line Size</u>	<u>FY</u> <u>2022</u> <u>7</u>	<u>FY 20238</u>	<u>FY 20249</u>	<u>FY</u> <u>20253</u> <u>0</u>	<u>FY</u> <u>20263</u> <u>1</u>
<u>Private Hydrants</u>	All sizes	\$65.50 \$72.80	\$67.00 \$75.71	\$68.50 \$77.23	\$70.00 \$78.77	\$71.50 \$80.35
<u>Fire - Suppression Systems</u>	Less than 6"	\$65.50 \$72.80	\$67.00 \$75.71	\$68.50 \$77.23	\$70.00 \$78.77	\$71.50 \$80.35
	6"	\$130.50 \$143.52	\$133.00 \$149.26	\$135.50 \$152.25	\$138.00 \$155.29	\$141.00 \$158.40
	8"	\$209.00 \$230.88	\$213.00 \$240.12	\$217.50 \$244.92	\$222.00 \$249.82	\$226.50 \$254.81
	10"	\$548.50 \$605.28	\$559.50 \$629.49	\$570.50 \$642.08	\$582.00 \$654.92	\$593.50 \$668.02
	12"	\$692.00 \$763.88	\$706.00 \$794.44	\$720.00 \$810.32	\$734.50 \$826.53	\$749.00 \$843.06

Section 3 Annual Review

Notwithstanding the above, the Schedule of Water Rates may be reviewed annually to determine if the Water Rates, as adopted herein, are sufficient to meet at least the annual operating costs, depreciation and existing debt obligations of the Claremont Water System.

Section 4 Prior Enactments Shall Not Be Superseded

Any adoptions and/or amendments to billing and payment procedures for all charges associated with use of City water by action of the City Council, as set forth in Chapter 20, Article IV, Division 2, Water, prior to the adoption of this Ordinance are hereby preserved subject to the current amendments as presented by this Ordinance.

Section 5 Validity

If any article, section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this Ordinance.

Section 6 Effective Date

This Ordinance shall take effect and be enforced July 1, 2026.

RE: Proposed Ordinance (#646) to Amend Sewer Rates

Dear Ms. Bates:

I write to you regarding the proposed 2026 Ordinance #646, which seeks to amend the City's Sewer Rates for the 2027—2031 fiscal years. I have reviewed the draft Ordinance as drafted by myself with the assistance of the Director of Public Works (Alex Gleeson).

As required by Claremont City Council Rule 36, I hereby certify that the draft Ordinance (#646) as I have reviewed and drafted is in the correct form according to the Claremont Charter, Code as well as all other applicable administrative rules.

Sincerely,

Shawn M. Tanguay

Shawn M. Tanguay

Ordinance #646 – Amend Sewer Rates for 2027 – 2031

The purpose of this proposed change is to amend the City's sewer rates in order to establish new rate schedules for the next five (5) fiscal years from 2027 to 2031. The changes to these rates reflect the City's needs to address estimated operating costs, depreciation and existing debt obligations of the Claremont Sewer System. As with the City's water rates, the City is seeking to implement incremental changes to the sewer rates in order to avoid drastic increases, in any particular fiscal year, for users of the City's Sewer System.

It is the hope of the City that changing the sewer rates will provide for the financial needs of the Sewer System in a responsible and gradual fashion. This change is requested by the City Manager.

CITY OF CLAREMONT
IN THE YEAR TWO THOUSAND AND TWENTY-SIX

ORDINANCE 646

“SEWER RATES”

THE CITY OF CLAREMONT ORDAINS:

Pursuant to New Hampshire RSA 47:17 and Section 20-191 of the Claremont City Code, Article IV of Chapter 20, Utilities, and the schedule for sewer system rates to be charged all users of the City’s sanitary sewer system, shall be amended as follows.

Section 1 Schedule of Wastewater System User Fees

The Schedule for Wastewater System User Fees, as adopted by Ordinance #588 by vote of the City Council, on or about July 14, 2021, is hereby revised as follows:

A. Fixed Fees

All major industrial users and all residential, commercial and minor industrial users who discharge waste into the City’s sanitary sewer system shall pay the following fixed charge, quarterly. The Fixed Fee shall not apply to unmetered users.

<u>FY 20227</u>	<u>FY 20238</u>	<u>FY 20249</u>	<u>FY 202530</u>	<u>FY 202631</u>
\$50.25 \$55.39	\$51.55 \$56.49	\$52.90 \$57.62	\$54.30 \$58.78	\$55.70 \$59.95

B. Volume Charges.

In addition to Fixed Fees, all major industrial users and all residential, commercial and minor industrial users who discharge waste into the City's sanitary sewer system shall pay the following volume charges, quarterly, based on the volume discharged, per 100 cubic feet. Volume charges shall not apply to users with unmetered discharge.

<u>Discharge Volume</u>	<u>FY 20227</u>	<u>FY 20238</u>	<u>FY 20249</u>	<u>FY 202530</u>	<u>FY 202631</u>
	<u>Charge (per 100 cu. Ft.)</u>				
Less than 200,000 cu. ft. per month	\$6.10 \$6.83	\$6.30 \$6.97	\$6.50 \$7.11	\$6.70 \$7.25	\$6.90 \$7.40
200,000 cu. ft. per month and over	\$4.00 \$4.08	\$4.00 \$4.16	\$4.00 \$4.24	\$4.00 \$4.33	\$4.00 \$4.42
Special Usage (Major Industrial Users)	TBD	TBD	TBD	TBD	TBD

C. Flat Rate (Unmetered Customers)

All users of the city's sanitary sewer system whose service location is unable to be metered, as determined and approved by the Department of Public Works, shall be assessed, quarterly, the following flat rate in place of both fixed fees and volume charges.

<u>Sewer Flat Rate (Unmetered Users)</u>	<u>FY 20227</u>	<u>FY 20238</u>	<u>FY 20249</u>	<u>FY 202530</u>	<u>FY 202631</u>
Per quarterly period	\$184.15 \$202.88	\$188.95 \$206.94	\$193.85 \$211.07	\$198.90 \$215.30	\$204.05 \$219.60

Notwithstanding the above, the Schedule of Sewer Rates may be reviewed annually to determine if the Sewer Rates, as adopted herein, are sufficient to meet at least the annual operating costs, depreciation and existing debt obligations of the Claremont Sewer System.

Section 4 Prior Enactments Shall Not Be Superseded

Any adoptions and/or amendments to billing and payment procedures for all charges associated with use of the City's sanitary sewer system, as set forth in Chapter 20, Article IV, Division 3, Sanitary Sewer System, prior to adoption of this Ordinance are hereby preserved subject to the current amendments as presented by this Ordinance.

Section 5 Validity

If any article, section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this Ordinance.

Section 6 Effective Date

This Ordinance shall take effect and be enforced July 1, 2026.

Introduced and passed on first reading _____, 2026.

Adopted by the Claremont City Council on _____, 2026.

MEMORANDUM

To: City Manager Bates
From: Alex Gleeson, Director of Public Works
Date: June 12th, 2026

Subject: Water Division Budget 490 Revenue Adjustments – FY 2027 Budget

City Manager Bates,

The attached Fiscal Year 2027 budget worksheets incorporate updated Water Fund revenue projections based on the proposed annual 4% water rate increase currently being considered by the City Council. These revisions replace the revenue assumptions originally used in the budget, which were derived from the rate adjustments recommended in the Raftelis Water Rate Study.

The initial Water Fund budget was prepared using the financial projections contained in the Raftelis study to ensure adequate funding for ongoing operations, system maintenance, and future capital improvements. Since the development of the proposed budget, the City Council has discussed alternative approaches to implementing future water rate adjustments. As a result of those discussions, an ordinance establishing a 4% annual water rate increase received its first reading on June 10th, 2026.

In anticipation of the Council's consideration of the ordinance's second reading and final adoption at its June 24th, 2026 meeting, staff has revised the Water Fund revenue estimates included in the attached budget packet to reflect the proposed rate structure. Updating these projections at this stage provides a more accurate representation of anticipated revenues and ensures that the budget presented for tentative approval is aligned with the most current policy direction under review by the City Council.

While these revisions reflect the proposed ordinance, final revenue estimates and any associated budget adjustments will remain contingent upon City Council action at the June 24th, 2026 meeting. Should the Council approve a different rate structure, staff will need to make any necessary revisions to the Water Fund budget prior to final budget adoption.

Respectfully Submitted,

Alex Gleeson

Director of Public Works

Water Utilities Division

City of Claremont, NH

Department: Public Works; Fund: 490

Mission Statement

Our mission is to provide a sufficient and dependable quantity of safe drinking water that is aesthetically pleasing at a reasonable cost to Claremont customers and to provide fire protection for its customers and the entire community.

The Water Utilities Division of the Department of Public Works plays a critical role in maintaining Claremont's infrastructure by delivering safe, reliable drinking water and supporting essential fire protection services throughout the community. Our mission is to provide a dependable, high-quality water supply at a reasonable cost while protecting public health and ensuring system reliability.

Highlights

Throughout 2026, the Division continued to demonstrate its commitment to system reliability and responsiveness. Crews addressed 15 water main breaks and completed 28 curb stop replacements and 8 repairs, ensuring uninterrupted service under a variety of conditions.

The North and Main Street rehabilitation project included significant waterline replacements and system upgrades. As part of the improvements, approximately 1,800 feet of new water main was installed in areas where no prior infrastructure existed, enhancing system redundancy and resiliency. This addition ensures that in the event of a localized issue, service disruptions are minimized and fewer residents are impacted. The project also involved the replacement of approximately 4,800 feet of existing water main dating back to the early 1900s. This effort represents a major step forward in modernizing aging infrastructure, improving reliability, and

reducing the risk of system failures. In addition, multiple lead service lines to residential properties were replaced, contributing to improved water quality and public health outcomes. Several fire hydrants were also replaced throughout the project area, enhancing fire protection and increasing overall fire suppression capabilities in the immediate vicinity.

Ongoing system improvements included the installation of four new water corporations and two new service connections, along with upgrades to critical infrastructure such as valves, valve boxes, and hydrants. These improvements included the addition of remote monitoring capabilities, enhancing system efficiency and response times.

The Division also made meaningful progress in public health initiatives by replacing lead-containing water services at 15 properties and conducting residential lead sampling as needed to ensure compliance and safety.

Work continued on key infrastructure projects, including water main replacement along Main Street and system upgrades in coordination with future roadway improvements. In addition, the staff has maintained water facilities and reservoirs through vegetation management, hydrant painting, and routine maintenance activities.

2027 Outlook

In the upcoming fiscal year, the Water Department will continue advancing its lead service line removal program, working through the City's lead inventory to systematically eliminate lead components from the distribution system. The proposed budget supports these efforts through targeted investments in infrastructure improvements and regulatory compliance initiatives.

These investments will have a direct and positive impact on the community by ensuring the continued delivery of safe drinking water, strengthening fire protection capabilities, and enhancing the overall resilience of the City's infrastructure.

The Department will also continue to pursue state and federal funding opportunities, including grants and loan forgiveness programs, to support large-scale infrastructure projects and minimize the financial burden on ratepayers. Claremont has been successful in securing such funding in recent years and remains committed to leveraging these opportunities whenever available.

The department's priority is to strengthen system reliability and address a known infrastructure conflict that poses a significant long-term risk in this area. When utilities were originally installed on Belding Street, the drainage pipe was placed above the sewer line, an improper configuration that has progressively crushed the sewer main over time. This has already resulted in multiple excavation repairs in recent years to restore sewer flow, and the condition continues to deteriorate, representing a critical failure risk if not addressed. To resolve this, the department is advancing the rehabilitation of lower Belding Street as part of the annual capital line replacement program, in coordination with the Streets & Roads and Sewer Departments. This effort includes replacement of the Freedom Street waterline, which is old, galvanized steel, and a series of targeted improvements along Belding Street, such as hydrant installations and relocations, system interconnections, and other upgrades, designed to improve service resilience, operational efficiency, and overall network integrity while eliminating the underlying utility conflict.

The department is also prioritizing replacement of the waterline crossing at the new Sullivan Street bridge as part of its annual capital line replacement program. This need is driven by the recent failure of an aging pipe at the stream crossing, which exposed a critical vulnerability in the system. While in-line valves have been installed on either side of the brook to isolate the leak and maintain service continuity, this is a temporary safeguard rather than a long-term solution. Addressing this crossing now reduces the risk of future failures, protects water service reliability, and mitigates potential environmental impacts. The project will involve engineered design in compliance with stream-crossing permitting requirements, ensuring that the new installation meets regulatory standards and is resilient to future conditions. It will also include full restoration of the disturbed area following construction, preserving the integrity of the brook and surrounding environment.

The Department is also planning to complete Phase 2 of the Clay Hill Waterline Project. This project will replace an approximately 1960-era 1.5-inch cement-lined water main with a new 8-inch plastic water main capable of supporting fire hydrants in the area. Completing this loop will also improve system resiliency by creating redundancy, which will help maintain service in the event of an issue within the area. This upgrade will be funded through the NHDES loan program, which includes loan forgiveness. This project will be undertaken in tandem with water tank maintenance and repair work, including safety upgrades to access points, as well as cleaning and repainting of both system tanks: the Bible Hill Tank and the Moody Tank.

The department relies on its pipe truck as a frontline response unit for operations, including water main breaks, scheduled excavations, and emergency repairs, and with 4,700 operating hours on the current 2016 Ford F-550 chassis with mechanic style body for tool and materials, the unit has experienced wear consistent with heavy use, increasing the risk of downtime that could impact service delivery and response times; therefore, the department is proposing to replace it with a new pipe truck of similar specification, a consistent size chassis with a mechanic-style body, enclosed tool and material storage, and an integrated crane for hydrant setting and material handling, at an estimated cost of \$300,000; to manage this expense, the replacement will be financed through a 5-year lease with an estimated annual payment of \$47,556, allowing the department to maintain reliable operations.

Conclusion

The Water Utilities Division remains dedicated to providing high-quality, reliable water service to the residents of Claremont. This budget reflects a continued focus on operational efficiency, infrastructure investment, and regulatory compliance ensuring the Division is well-positioned to meet current needs and future challenges while maintaining a high level of service to the community.

Respectfully Submitted,

Alex Gleeson, Director of Public Works

Sewer Division

City of Claremont, NH

Department: Public Works; Fund: 492

(City of Claremont, NH, Wastewater Treatment Plant)

Mission Statement

The Department of Public Works' Sewer Department plays a critical role in Claremont's infrastructure by providing high-quality, cost-effective sanitary sewer services. Our mission is to collect and treat all wastewater generated from City service areas while adhering to local, state, and federal permit requirements.

2026 Highlights

In 2026, the Sewer Department focused on significant upgrades at the wastewater treatment plant to enhance operational efficiency and accommodate future growth. This included the completion of a large electrical enhancements/upgrade to meet state code requirements and planning for dewatering upgrades to improve wastewater treatment processes.

The department has been awarded 100% grant funding through the New Hampshire Department of Environmental Services (NHDES) to conduct a comprehensive facility study of the Wastewater Treatment Plant. This study will evaluate existing infrastructure, identify current and future operational needs, and support long-term capital planning. The results will guide strategic investments to ensure continued regulatory compliance, optimize system performance, and sustain a proactive maintenance and repair program. This effort is critical to preserving the

reliability, efficiency, and long-term sustainability of this major municipal asset without direct financial impact to the City.

In addition, the Dewatering Project is underway for the two sludge centrifuges that will be replacing the original belt presses and greatly improve the working environment for the staff and will reduce deterioration of the surrounding equipment with the contained units. This new equipment will also lower the quantity of residual water left in the sludge to facilitate anticipated off-site hauling more cost effective. With the pre-purchase of the centrifuges and associated equipment already taken place, the construction is anticipated to start this fall.

2027 Look Ahead

The FY 2027 Sewer Division budget reflects a continued focus on maintaining reliable wastewater services while addressing rising operational costs and investing in critical infrastructure improvements.

On the revenue side, the system remains strong, with the majority of funding generated through residential metered sewer billing, along with contributions from industrial users, septage fees, and interest income. Notably, industrial charges have been separated from residential revenues to improve transparency and better track usage across customer classes.

Expenditures for FY 2027 are primarily driven by personnel costs, wastewater treatment operations, and regulatory compliance requirements. Increases in health insurance, electricity, and contract services reflect both market conditions and the operational demands of running the wastewater treatment facility. Contracted wastewater treatment services remain one of the largest components of the budget, including anticipated increases in chemical costs and regulatory requirements.

The budget also includes important capital and infrastructure investments, most notably funding for annual sewer line replacements that have become key trouble locations which include the following:

Summer Street

Summer Street has developed a sag in the sewer line, resulting in frequent backups that affect nearby businesses, customers, and residences. The impacted section includes approximately 300 feet of pipe running across the intersection of Pleasant Street and Summer Street. This issue has caused repeated sewer backup events, creating significant disruption for the surrounding properties and the broader area. In addition to the direct impact on homes and businesses, these recurring failures pose an ongoing risk of service interruptions and potential economic harm. The estimated cost to correct this issue is \$113,117.

Winter Street

Winter Street contains approximately 555 feet of failing Orangeburg (bitumen) pipe installed in the 1940s. Orangeburg was commonly used from the 1940s through the 1960s due to metal shortages during World War II, as traditional materials were expensive and limited.

This pipe is made from compressed wood pulp fibers saturated with coal tar. Because it is organic and relatively soft, it absorbs moisture over time (similar to wet cardboard) causing it to lose strength and structural integrity. While it was a reasonable solution at the time, its expected lifespan was only 30–50 years under ideal conditions, and it is now well beyond that range.

This section has already failed multiple times this year and continues to deteriorate with each repair. It is also connected to vitrified clay pipe (VCP), which is experiencing joint separation and cracking. The combined failure of both materials is driving the need for full replacement of both materials in the ground. Continued failures increase the likelihood of emergency repairs and unplanned service interruptions. The estimated cost for this work is \$80,000.

Belding Street / Freedom Street

Belding Street has experienced multiple emergency calls this year due to backed-up sewer lines, requiring repeated response and maintenance efforts. This project also includes Freedom Street, which will undergo full reconstruction as part of the same effort.

The work has been engineered in coordination with the Highway and Water Divisions. The existing sewer on Belding Street currently has aging drainage infrastructure installed above it, contributing to ongoing issues. As part of this project, all systems will be properly separated and reconstructed to meet NH DES requirements.

Addressing these issues proactively will reduce emergency response costs, minimize disruptions to residents, and prevent more significant system failures. The sewer portion of the Belding Street and Freedom Street project, included under the Capital Line Replacement program, is estimated at **\$326,700** based on updated engineering figures.

These projects are essential to maintaining overall system integrity, reducing inflow and infiltration, and avoiding increasingly frequent and costly emergency repairs. Delaying these improvements will likely result in higher long-term costs and greater service disruptions.

The Sewer Department would also like to replace the following equipment, with the first years lease payment has already been added to the budget, under vehicle leases. The existing Truck #101, a 1986 Ford F-7000, is a critical piece of equipment used to transport sewer sludge from the sludge presses to the on-site compost area, but has already been extended past its useful life and may not meet future operational demands as regulations on sludge disposal continue to evolve, potentially requiring off-site transportation. Replacing this truck will ensure continued reliability while positioning the department to meet both current and anticipated regulatory requirements. The proposed replacement will be a roll-off style truck and associated equipment, such as containers to store and catch the material with an estimated cost of \$270,000. This purchase will be financed through a 5-year lease with annual payments of approximately \$61,143, and upon delivery of the new unit, the existing truck will be sold via Municibid or similar site to recover residual value.

Additional cost increases are associated with ongoing maintenance of pump stations and sewer mains, and continued investment in system reliability. At the same time, some costs have stabilized or decreased, including reductions in certain debt service obligations as older loans are completed.

Overall, the FY 2027 Sewer Division budget reflects approximately a 14.3% increase, largely driven by planned capital improvements and necessary operational adjustments. Despite these increases, the budget remains balanced and continues to support the long-term sustainability of the sewer system.

The Division remains committed to providing safe, efficient wastewater services while proactively investing in infrastructure, meeting regulatory requirements, and minimizing impacts to ratepayers through careful financial planning.

Conclusion

In conclusion, the Sewer Department remains committed to fulfilling its mission of providing high-quality, cost-effective sanitary sewer services to the community. The budget reflects our dedication to operational efficiency, infrastructure upgrades, and regulatory compliance, ensuring continued service excellence for the residents of Claremont.

Respectfully Submitted,

Alex Gleeson, Director of Public Works

COMMUNICATIONS 911 AND POLICE

Introduction

The Claremont Police Department remains a full-service public safety agency providing 24/7 law enforcement and emergency communications services to the City of Claremont and its regional partners. Department operations include patrol services, criminal investigations, emergency dispatching, and community-based policing initiatives. The proposed FY27 Budget reflects a continued commitment to delivering high-quality services while adapting to evolving operational demands and maintaining fiscal responsibility.

Budget Overview and Trends

Over the past several fiscal years, both the Police (421) and Communications (420) budgets have operated well below appropriated levels. This has largely been due to conservative spending practices, personnel vacancies, and the prior inclusion of health insurance within departmental budgets. Also, prior to FY25, the Police Department utilized the encumbrance budget to make large purchases. One such purchase, made by former Chief Mark Chase, was the Taser 7 Plan/Package. That equipment has reached end of life and is no longer covered under warranty. That equipment is now in need of replacement, will cost significantly more than it did six years ago, and has been included in the FY27 Proposed Budget for the Police Department (421).

Most important, the recent transition of health insurance costs being moved to a centralized fund has had a significant impact on our ability to absorb overruns within the existing appropriations. We recognize that this will have a stabilizing effect on the overall cost of Health Insurance across the city, but the change has not happened without its share of growing pains. As a result, the FY27 proposals that we have drafted more accurately reflect the true cost of operations in a given Fiscal Year.

Personnel and Staffing

Personnel costs remain the primary driver of both budgets. The FY27 proposal includes:

- Contractual wage increases of 2% for employees who are members of the New England Police Benevolent Association, with additional adjustments for Merit Plan and Teamsters Local Union No 633 personnel.
- Continued funding towards full staffing levels, including the restoration of one of the underfunded Patrol Officer positions. As a reminder, during the FY24 Budget process, the Honorable City Council underfunded three Full-Time patrol officer positions. This was done at the recommendation of the City Manager, and supported by me, so that the City could offer large wage increases to the Collective Bargaining Unit. This was critical for us to remain competitive in the local law enforcement market. At the time, the Honorable Council assured the Administration that if staffing levels improved, those

positions would be funded in future Fiscal Years. In FY26, the City Manager requested, and the City Council approved, the appropriation of funds for one of those positions. In FY27, I am requesting that the Honorable Council appropriate funds to return a second (of three) of those previously underfunded positions. I am confident in our ability to fill those in FY27.

- Adjustments to NH Retirement, FICA, and NH Workers Compensation have been made based on wage and rate projections for FY27.

After several years of operating below authorized staffing, the Claremont Police Department has made significant progress towards stabilization. Presently, the Claremont Police Department has two open positions, and two very strong candidates who we could immediately entertain for appointment. However, given the current budget situation, I have made the decision to hold off on recommending anyone to the Honorable Claremont Police Commission for an appointment until the very end of FY26 or the beginning of FY27.

Restoring, maintaining and (hopefully one day) growing our full staffing level is critical to reducing operational strain, improving service delivery, and limiting excessive reliance on overtime.

Overtime and Operational Coverage

Overtime remains a significant component of Claremont Police Department's expenditures in any given Fiscal Year. Historical data shows that overtime expenditures have consistently exceeded appropriations. This is driven by a few factors, including:

- Minimum staffing requirements;
- Backfilling for leave, training, and court obligations;
- Investigative demands and specialized assignments.

Until January of 2026, the Claremont Police Department was operating under the following structure:

- 4 Patrol shifts, consisting of a Sergeant and two Patrol Officers;
- 1 Full-time Detective Sergeant;
- 1 Full-time School Resource Officer (of which 50% of her fully burdened cost is recovered; in off-setting revenue through an agreement with SAU6.

Chief, Deputy Chief, Patrol Commander.

In January, our most recent additions to the roster were fully trained and ready to be released to "Solo Officer Status." This gave us the opportunity to move a second full-time officer to the Detective Division (which was long overdue), and place two officers on "cover shifts," which gave us greater coverage during the busiest parts of the day, and more effectively absorbed overtime caused by vacancies (due to Earned Time usage, training, etc.).

For context, the Claremont Police Department has historically had a Full-Time Detective Commander, and two full-time Detectives, plus the School Resource Officer. Due to our critical staffing levels, our ability to properly staff the Detective Division was hampered. The Detective Division is principally responsible for investigating our most serious crimes, preparing search/arrest warrants, presenting cases to the Sullivan Grand Jury, liaising with other Criminal Justice partners, and assisting Patrol with case follow-ups that need to be completed during business hours.

In the Patrol Division (since the adoption of 12-hour shifts) we have typically had a 5th Patrol Sergeant who was used as a “floater,” covering vacancies of the other four patrol supervisors and adding coverage which enabled the Sergeants to complete their administrative functions more effectively. Due to low staffing levels, this billet has not been filled in four years. Finally, we have historically had at least three Patrol Officers assigned to each of the Squads (plus the Sergeant), giving each shift the ability to better absorb vacancies, properly investigate crimes (in the moment) without being called away to other urgent matters, and prepare reports quicker.

The City of Claremont provides one budget line to address “Overtime” costs; however, “overtime” is not all the same. Here are some of the ways in which Claremont Police Department expends Overtime Funds:

- Earned Time Coverage -Vacation, Personal, Floating Holiday;
- Coverage resulting from sick time, FMLA use, and Worker’s Compensation;
- K9 Overtime (federally mandated);
- Court overtime;
- Investigation Overtime;
- Highway Safety Grant (reimbursed by the NH Office of Highway Safety);
- Narcotics Investigation Overtime (reimbursed by the Northern Shield Grant);

The FY27 Budget proposal increases the overtime line to better align with our actual operational needs, based on a five-year average of approximately \$210,000 and a detailed projection of approximately \$228,000–\$230,000 in the upcoming year, based on wage increases. This adjustment reflects a more realistic and sustainable budgeting approach.

Communications (420) Operations

The Communications Division continues to provide regional dispatch services, supporting not only Claremont but several partner agencies. The FY27 budget includes:

- Modest increases in personnel costs and part-time staffing;
- Continued investment in dispatcher training and certification (APCO, NHEDA);

- Shared technology costs, including records management and dispatch systems;
- Revenue growth through contractual agreements with partner communities (projected 3% increase).

These investments ensure continued reliability of emergency communications services and support regional collaboration.

Operations, Technology, and Equipment

The Department continues to reintegrate operational costs previously supported through grants or one-time funding. Notable items include:

- Full local funding of the canine program, anticipating reduced external funding which was originally obtained at the inception of the program.
- Continued investment in technology platforms, including Records Management System/Computer Aided Dispatch (RMS/CAD), digital forensics tools, and performance management software. In FY27, the Claremont Police Department is looking to improve our existing Records Management Platform and move to the parent company's (Central Square) updated model. We have established a regional consortium with other municipalities to keep our costs lower. We believe that this upgraded platform will increase our ability to share law enforcement information, warehouse our criminal justice information, and merge several other existing platforms into one. If we can accomplish this, we will likely see reductions in several other Budget areas starting in FY28.
- Ongoing support for training, wellness programs, and accreditation efforts, which are essential for professional standards and employee retention.

These investments are necessary to maintain modern, effective policing and communications operations.

Fleet and Capital Planning

The FY27 budget includes the planned replacement of four patrol vehicles through a leasing model. This approach:

- Spreads costs over multiple years;
- Includes full upfitting (emergency equipment, communications systems, and vehicle markings);

- Reflects a transition back to the Ford Explorer platform based on operational needs.

Fleet costs are partially offset by prior acquisitions, including donated and forfeiture vehicles, which have helped reduce immediate replacement needs.

Professional Services and Community Support

The budget continues funding for:

- Prosecutorial services through the Sullivan County Attorney's Office. We receive in-kind support on our billing model, as we provide Attorney Proctor with office space and administrative support. We share the fully burdened cost of Attorney Proctor with the Towns of Charlestown, Cornish and Plainfield. The amount of money that we spend for a bar admitted Attorney to serve (full-time) as the City of Claremont's prosecutor is very reasonable.
- Psychological and polygraph testing for new hires;
- Community event staffing and public safety presence.

These services are essential to maintaining effective case prosecution, recruitment standards, and community engagement.

Conclusion

The FY27 budget reflects a transition toward a more accurate and sustainable representation of Department operations (in each line). While prior years benefited from under-expenditures and structural offsets, the current proposal incorporates known and recurring costs into the base budget. Strategic investments in personnel, technology, fleet, and training will ensure that the Claremont Police Department continues to meet the public safety needs of the community in a professional, efficient, and fiscally responsible manner.

FINANCE DEPARTMENT

Mission Statement

The mission of the Finance Department is to ensure the City's financial stability and sustainability by managing resources, collecting revenue, preparing and monitoring budgets, and providing accurate financial reporting to support effective decision-making and public service delivery.

Description

The Finance Office consists of 3 FTE for staffing. Under the supervision of the Finance Director, the City Treasurer and the AP/AR Specialist process over \$37M in local, school, state ed, and county revenue. It also works with departments to properly account for grant and project funds. The department is responsible for assisting the City Manager with budget development, filing all appropriate State reports on revenues and expenditures, and coordinating the annual independent audit. The Finance Office processes AP payments, provides oversight for AR, and reconciles all City bank and general ledger accounts.

The Central Collections Department consists of 4 FTE for staffing; one FTE is split between Central Collections and the Water and Sewer Enterprise Funds. Central Collections is responsible for billing and collecting property tax, processing motor vehicle transactions, processing vital records, facilitating elections, collecting water/sewer payments, and collecting various other miscellaneous payments to the City.

Fiscal Year 2026 Highlights

Fiscal year 2026 was another busy and challenging year for the Finance Office. Halfway through the year, the Finance Director shifted to her new role as City Manager, leaving a vacancy in the role of Finance Director that as of the writing of this report remains unfilled.

The Finance Department staff, and the City Manager/Acting Finance Director, would like once again to thank all the City departments for their assistance, cooperation, and patience as we worked through another challenging year.

Despite the challenges, the Finance Department was able to close the 2024 Audit and is about to close the 2025 audit, which will bring the City up to date with audit reports and set the stage for on-time audit reports going forward. The department has also worked with a committee to revamp the procurement policy and evaluate procurement/contract management software which we hope to implement in FY27, with Council's approval of the costs.

The commitment of the current staff and their willingness to step up and take on extra duties is commendable. Thank you to Treasurer Parks for her work with the department heads monitoring budgets and keeping things flowing (a job usually done by the Director), and for her steady presence and solid work ethic. Thank you to Ms. Davis for her efforts in getting accounts receivable up to date and for her continued work in streamlining accounts payable.

Central Collections welcomed Nicole Meyer as the new Water/Sewer Bookkeeper/Collection Clerk following Courtney Chase's promotion to Deputy City Clerk/Tax Collector, which brings staffing levels to maximum based on current, approved positions.

The local elections this winter brought with it new technology implemented by the City Clerk/Tax Collector. This included new pole pads for voter registration and new machines for reading ballots. All reports indicate it was a huge success and made for a smooth and more efficient election process for the residents of Claremont.

Fiscal Year 2027 Preview

Looking forward to FY27, the Finance Department remains committed to continued operational improvement. The department looks forward to implementing the new procurement/contract software, to working on the current audit rather than playing catch up, and to welcoming a new Director of Finance, whoever that may be.

The department continues to implement better internal controls, provide consistent oversight for Accounts Receivable & Payable and provide improved reporting and cash flow projections to the City Manager and Council.

PLANNING AND DEVELOPMENT DEPARTMENT

Department Overview

The Planning & Development Department manages the City's efforts in planning, zoning, building permits and inspections, code enforcement, project management, and economic development. The department oversees the City's Master Plan, Zoning Ordinance, Site Plan Regulations, and Subdivision Regulations, and works to ensure their proper application and implementation. Additionally, the department supports the website, GIS services, grant activities, conservation efforts, emergency planning, and capital investments.

Planning & Development is proud to provide staff support to numerous boards, committees, and organizations, including the Planning Board, Zoning Board, Historic District Commission, Conservation Commission, Claremont Development Authority, Arts, History and Culture Resources Preservation Commission, Steering Committee for the EPA Multipurpose Grant, UVLSRPC Transportation Advisory Committee, Regional Coordinating Council, Brownfields Advisory Committee, and more.

The Planning & Development Department is dedicated to supporting the City's continued growth and ensuring future success through active partnerships between City employees, government officials, property owners, developers, granting agencies, and citizens.

FY 2026 Highlights

Fiscal year 2026 continued the previous year's trend of significant change. We wish our best to Robin Butterfield, Chris Glock, Bryana Mitchison, Matt Klingery, Annie Steed, Paul Thibodeau, and George McHugh, and we are pleased to welcome Peg Watson, George Smith, and Dylan Bastian to the team.

The Planning & Development Department has maintained momentum despite staffing and has continued providing services to the City and the public. By the start of FY 2027, the department estimates a total of around 700 processed building permits, a number that has generally held strong from the previous year. We've been successful in maintaining prompt turnaround times, with a large majority of permits processed and issued in 1 week or less.

The Department has worked hard to support the expansion of housing opportunities in the City, supporting local and regional objectives and ensuring that Claremont plays a meaningful role in tackling the housing crisis. We saw an increased interest in not only large-scale housing developments, but also adaptive reuse of downtown buildings, multi-family conversions, and small-scale infill development such as ADUs. Our efforts also included supporting the City Manager's office in the sale of 17 Water Street, and we are excited to continue to support this development in the coming fiscal year. Finally, we've

welcomed a series of exciting new businesses to the City, and hope citizens are looking forward to what FY 2027 will bring to Claremont.

Looking Forward to FY 2027

This will be an exciting and active year for Planning & Development. Our primary objective is to identify and hire candidates for vacant key positions, but our goals stretch beyond staffing and maintaining operations.

Key Objectives & Activities

- Fully staff department.
- Lead efforts in developing a new City of Claremont website.
- Update key municipal plans, including the Master Plan, Capital Improvement Plan, Hazard Mitigation Plan, and Emergency Operations Plan.
- Participate in regional and state planning efforts, including long-range transportation planning work with NHDOT and UVLSRPC.
- Champion several amendments to the Zoning Ordinance and Site Plan Regulations, continuing the efforts of the Planning Board Zoning Review Subcommittee and modernizing Claremont's regulations.
- Work with the Conservation Commission to further conservation goals, including integrating conservation objectives and findings into the Zoning Ordinance.
- Continue efforts to mitigate and redevelop Claremont's brownfields, including the creation of the Riverwalk, demolition of the Sullivan Stack, and collaboration with assisting agencies and consultants.
- Manage and foster the success of key City projects, including the completion of the Route 12 & North Street Improvements Project and the start of the Sugar River Land Redevelopment (Riverwalk) Project.
- Overhaul and modernize the City's GIS systems, including acquiring new aerial imagery, creation of a new parcel update process, and leveraging expanded ArcGIS Online capabilities.
- Continue to expand housing opportunity through regulatory updates, local and outside partnerships, and funding opportunities, including supporting the redevelopment of the former state office building at 17 Water Street into multifamily housing.
- Generate engaging and high-quality media for city residents and prospective businesses to highlight city initiatives.
- Create strong relationships with existing business owners and learn how the department can best support their success.

Memorandum

To: Honorable Mayor, Assistant Mayor, and City Council
From: Nancy Bates, City Manager
Date: June 24, 2026
Re: Resolution 2026-51 – Teamsters Local Union No. 633 Contract Negotiations– Public Hearing

In accordance with RSA 273-A, the City has reached a tentative agreement with the Teamsters Local Union No. 633 Collective Bargaining Unit for a successor contract covering the period of July 1, 2026 through June 30, 2029. We are submitting Resolution 2026-51, for ratification and approval of costs associated with the negotiated contract.

We are providing a copy of the re-negotiated pay table to each Council member, the only change from the redline document previously provided. This pay table is not part of the agenda packet as it is confidential until it is ratified.

All cost items associated with this agreement will be incorporated into the City's FY2027 budget.

RESOLUTION 2026-51

Teamsters Local Union No. 633 Collective Bargaining Agreement

BE IT RESOLVED by the Claremont City Council, after a public hearing duly noticed, that

WHEREAS, the agreement between the Teamsters Local Union No. 633 Collective Bargaining Unit and the City of Claremont is set to expire on July 1, 2026; and

WHEREAS, the City of Claremont has negotiated a new agreement with said bargaining unit which includes the following increases in salaries and benefits:

FY2027	\$55,832 (\$0.04 per 1,000)
FY2028	\$43,240
FY2029	\$44,970

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Claremont, New Hampshire, that it hereby ratifies the new collective bargaining unit agreement between the Teamsters Local Union No. 633 Collective Bargaining Unit and the City of Claremont to run from July 1, 2026, to June 30, 2029; and

BE IT FURTHER RESOLVED that the costs associated with the increase in salaries and benefits for FY2027 shall be covered in the 2027 Budget; and

BE IT FURTHER RESOLVED that the city manager, or his/her designees, are hereby authorized to undertake all actions and execute all documents as may be required to implement this resolution.
(Majority Vote Required)

Dated this 24th day of June 2026, in the City of Claremont, County of Sullivan, State of New Hampshire.

Memorandum

To: Honorable Mayor, Assistant Mayor, and City Council
From: Nancy Bates, City Manager
Date: June 24, 2026
Re: Repurpose of the Claremont 250 Special Revenue Fund

In 2013, the City established a special revenue fund for the purpose of supporting the Claremont 250th Celebration. Currently, there is approximately \$6,650 in that fund.

Since the Claremont 250th Celebration is long over and no further expenses will be incurred for that purpose, I recommend repurposing the surplus in that fund and renaming the fund to Claremont Council Sponsored Special Events and maintaining it as a special revenue fund for future city-wide events and donations that encourage civic pride and community engagement.

Before any expenditures are made from this fund, an event must be designated by the Council as a council sponsored city-wide event by the City Council.

I have provided a resolution to affect this recommended change in fund purpose and to deem the July 3rd Celebrate Claremont event as Council sponsored.

RESOLUTION 2026-54

Repurpose – Claremont 250 Celebration Special Revenue Fund

WHEREAS, the City of Claremont, New Hampshire (the “City”) established a special revenue fund in 2013 for the Claremont 250th Celebration; and

WHEREAS, there is a surplus in said fund and there will be no further expenditures for the purpose of the Claremont 250th Celebration; and

WHEREAS, the City would like to use the surplus in said fund to support Council sponsored city-wide events; and

NOW THEREFORE, BE IT RESOLVED by the City Council, after a public hearing duly noticed, that it hereby renames and repurposes the Claremont 250th Celebration Fund to the Claremont Council Sponsored Special Events Fund; and

BE IT FURTHER RESOLVED that the July 3rd, 2026, Celebrate Claremont is hereby deemed a Council sponsored city-wide event; and

BE IT FURTHER RESOLVED that the city manager, or his/her designees, are hereby authorized to undertake all actions and execute all documents as may be required to implement this resolution. (*Majority Vote Required*)

Dated this 24th day of June, 2026 the City of Claremont, County of Sullivan, State of New Hampshire.

CERTIFICATION

I, Julia A. Bizzarro, the undersigned officer, hereby certify that the foregoing Resolution was adopted by the City Council of the City of Claremont, New Hampshire, at a meeting duly noticed and held on June 24, 2026.

Julia A. Bizzarro, Clerk to the Council

City of Claremont
Request for Funding for Social Service Agencies
for the FY 2027

Name of Organization

Requesting Funding: Southwestern Community Services, Inc

Organization's Fiscal Year (for example: Jan 1 – Dec 31 or Jul 1 – June 30): June 1 – May 31

Key Contact Person: Keith F. Thibault

Mailing Address: P.O. Box 603 – 63 Community Way Keene, NH 03431

Telephone Number: (603) 719-4208 E-mail address: kthibault@scshelps.org

I prefer that you use the following methods to contact me: E-Mail

€ Attach a prospectus of the organization outlining its mission, the specific programs provided, and who is served. **SCS' Mission, Vision & Community Statements are attached; the 2026 Economic Impact Report is also attached (outlining specific programs and who is served)**

€ Attach a copy of the most recent audited financial statements of the organization. If audited financial statements are not available, attach unaudited financial statements with an explanation of why audited statements are not available. **SCS most recent, Audited Financial Statements attached.**

€ The specific amount of funding requested from the City of Claremont is:
\$30,000 (thirty-thousand dollars)

€ Describe how these funds will be used (attach statement if additional space is required):
Southwestern Community Services (SCS) will use these City of Claremont funds to match federal funding to support the Sullivan County Transit Program (SCTP). SCTP is the public transportation program which includes five bus routes across Sullivan County as well as the Volunteer Driver Program. For every \$10,000 of federal FHTA awarded to the transit program, SCS must raise \$2,000 in local matching funds. SCS must raise close to \$200,000 of matching funds each year for program operations. Additional match is then needed on an ongoing basis for capital needs such as bus replacements.

Does the organization receive funding from other municipalities?

YES, See attached Town Summary Reports from the past three years.

If yes, list the other Towns or Cities providing funding and the amount of funding provided:

Name of Town or City	FY2023 Received	FY2024 Received	FY2025 Received
PLEASE SEE ATTACHED			

--	--	--	--

- € Does the organization provide services to Claremont residents? **YES**
 If yes, please provide information in the table below on the number of Claremont residents relative to the total number of clients served. This information should be made available for each category of services or programs provided to Claremont residents. If the size of the table below is not adequate, please provide an attachment with this information.

If you are unable to provide this information, please (a) attach a statement detailing why this information is not available; and (b) provide a statement on how your organization directly benefits the citizens of the Claremont.

Program #1 Description: <i>Transit Rides</i>	Clients Served 2 Years Ago	Last Year's Clients Served	This Year's Clients Served

Residents of _____			
Total Clients Served			511

For your application to be considered complete, please respond fully to the following questions:

Does the level of funding you are requesting from the Town of Claremont relate to the actual services provided to the residents of Claremont? If so, please describe how you arrive at the amount of funding you are requesting from the City of Claremont. (Attach statement if additional space is required):

Southwestern Community Services (SCS) must raise in excess of \$200,000 in local matching funds to allow us access to the remaining 80% of the program's annual costs. Given the amount of ridership, just under 25,000 rides per day, the City of Claremont far exceeds any other communities in total ridership. The towns of Newport and Charlestown both contribute toward match funding to support the program. While this is primarily where these funds are allocated, SCS also provides other services to residents of Claremont, as outlined in the Economic Impact Report and with some of those programs outlined in the chart above (Fuel Assistance, Electric Assistance, Weatherization, WIC, etc.

SCS also owns several properties within the City of Claremont, including the Head Start center (three classrooms), supportive housing buildings, and administrative offices.

The SCS financial and community investments within the City of Claremont include:

\$3,255,492 – direct client assistance (fuel benefits, electric discounts, etc.)

\$29,020 – property taxes

Local economy & workforce: 30 + employees that are Claremont residents (SCS as a local employer) and working with/making payments to local fuel vendors, general contractors, and other local businesses for all services provided; providing public transit to area employers and businesses

Community: SCS chairs the Sullivan County Community Partners meetings to promote ongoing communication and efficiencies between area organizations, school districts, and more; SCS also actively participates in the Sullivan County Public Health Advisory Council and the development of the Community Health Improvement Plan

- € Is the level of funding relative to the level of service provided to Claremont residents commensurate with the level of funding and level of service provided to other communities? If not, why not? (Attach statement if additional space is required):

Yes. In a continuation of the above, Claremont's ridership far exceeds the other communities that have daily service. SCTP's six trips to and from Lebanon emanate from Claremont. Claremont residents benefit from the knowledge of and access to public transportation five days per week: fifty-two weeks per year, from 6:00 AM to 6:00 PM.

This investment assists not only Claremont's most needy residents but also the businesses that provide them with goods and services and for some employees' transportation to and from their employment.

We receive funding to make up the required match funding for transportation programs from the Town of Newport, the Town of Charlestown, Dartmouth Hitchcock (due to the Claremont to Lebanon bus route), the Newport Service Organization, and the Newport Charitable Fund.

- € What would be the impact to Claremont residents if the services provided by your organization were not available? (Attach statement if additional space is required):

Scores of Claremont residents would immediately lose access to medicines, medical care and basic groceries without access to public transportation through the bus routes and Volunteer Driver Program. Dozens of Claremont residents would need to find alternate

transportation to and from their employment. Claremont businesses would feel the effects as well– less customers and an unpredictable workforce.

When the public transit service was suspended in the late Summer of 2016, City of Claremont officials were inundated with daily calls for assistance with basic transportation. SCS was lobbied heavily by local, county & state officials to consider picking up the reins of the program. Its Board of Directors voted in September 2016 to work with NH DOT to reinstate the program, getting this vital public service operating once again. However, as the program requires SCS to raise substantial local, nonfederal matching funds in order to secure the federal funding through FTA/DOT, it is vital that our communities contribute.

Also attached to this application is SCS' detailed, seven-page, annual City Report that details SCS' activities and impact upon City of Claremont's residents during the past year. SCS provided over \$5.1 million dollars in direct service and cash assistance to Claremont residents during its last Fiscal Year, SCS provides this report to every City and Town in both Cheshire & Sullivan counties.

For your organization's funding request to be considered, **be received no later than Wednesday, April 22, 2026.** Applications should be e-mailed or delivered to:

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Southwestern Community Services, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Southwestern Community Services, Inc. (a New Hampshire nonprofit corporation) and related companies, which comprise the consolidated statements of financial position as of May 31, 2025, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Southwestern Community Services, Inc. and related companies as of May 31, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Southwestern Community Services, Inc. and related companies and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southwestern Community Services, Inc. and related companies' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southwestern Community Services, Inc. and related companies' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southwestern Community Services, Inc. and related companies' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Southwestern Community Services, Inc. and related companies' 2024 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 13, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended May 31, 2024, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 19, 2026, on our consideration of Southwestern Community Services, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Southwestern Community Services, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Southwestern Community Services, Inc.'s internal control over financial reporting and compliance.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Southwestern Community Services, Inc. is a New Hampshire nonprofit corporation formed as an umbrella corporation that offers an array of services to the elderly, disabled, and low-income households in the Cheshire and Sullivan counties of New Hampshire. Various programs provide assistance in the areas of education, child development, employment, energy and its conservation, housing, and homelessness prevention. Services are provided through Southwestern Community Services, Inc., and its related corporations, SCS Management Corporation, SCS Housing, Inc., SCS Development Corporation, SCS Housing Development, Inc., and various limited partnerships, as described below. The Organization is committed to providing respectful support services and assisting individuals and families in achieving self-sufficiency by helping them overcome the causes of poverty. The primary source of revenues is derived from governmental contracts.

Principles of Consolidation

The consolidated financial statements include the accounts of Southwestern Community Services, Inc. and the following entities (collectively the Organization) as Southwestern Community Services, Inc. has both an economic interest and control of the entities through a majority voting interest in their governing board. All significant intercompany items and transactions have been eliminated from the basic consolidated financial statements.

- SCS Management Corporation
- SCS Housing, Inc.
- SCS Development Corporation
- SCS Housing Development, Inc.
- Troy Senior Housing Associates, Limited Partnership (Troy Senior) Sold May 2025
- Keene East Side Senior Housing Associates, Limited Partnership (Keene East Side)
- Winchester Senior Housing Associates, Limited Partnership (Winchester)
- Swanzey Township Housing Associates, Limited Partnership (Swanzey)
- Snow Brook Meadow Village Housing Associates, Limited Partnership (Snow Brook)
- Keene Highland Housing Associates, Limited Partnership (Keene Highland)
- Warwick Meadow Housing Associates, Limited Partnership (Warwick)
- Railroad Square Senior Housing Limited Partnership (Railroad Square)

SOUTHWESTERN COMMUNITY SERVICES, INC. AND RELATED COMPANIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEARS ENDED MAY 31, 2025 AND 2024

Basis of Accounting

The consolidated financial statements of the Organization have been prepared utilizing the accrual basis of accounting in accordance with generally accepted accounting principles.

Basis of Presentation

The consolidated financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications. The classes of net assets are determined by the presence or absence of donor-imposed restrictions.

Net assets without donor restrictions: include net assets that are not subject to any donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and board of directors.

Net assets with donor restrictions: include net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

As of May 31, 2025 and 2024, the Organization had net assets without donor restrictions and with donor restrictions (see **Note 16**).

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended May 31, 2024 from which the summarized information was derived.

Estimates

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

SOUTHWESTERN COMMUNITY SERVICES, INC. AND RELATED COMPANIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEARS ENDED MAY 31, 2025 AND 2024

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all liquid investments purchased with original maturities of three months or less to be cash equivalents.

Concentration of Credit Risk

The Organization maintains its cash accounts in several financial institutions, which at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant risk with respect to these accounts.

Current Vulnerability Due to Certain Concentrations

The Organization is operated in a heavily regulated environment. The operations of the Organization are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies. Such administrative directives, rules and regulations are subject to change by an act of Congress or Legislature. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change. For the years ended May 31, 2025 and 2024, approximately 71% and 74%, respectively, of the Organization's total revenue was received from government agencies. The future nature of the Organization is dependent upon continued support from the government.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from balances outstanding at year end. The Organization uses historical loss information based on the aging receivables as the basis to determine expected credit losses from receivables and believes that the composition of receivables at year-end is consistent with historical conditions as credit terms and practices and the client base has not changed significantly. The allowance for uncollectible accounts was estimated to be zero at May 31, 2025 and 2024, respectively. The Organization has no policy for charging interest on overdue accounts.

In-Kind Donations / Noncash transactions

The Organization records various types of in-kind support including professional services and materials. Contributed professional services are recognized if the service received creates or enhances long-lived assets or requires specialized skill, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributions of tangible assets are recognized at fair value when received. The Organization received \$63,811 and \$64,736 in donated services and materials for the years ended May 31, 2025 and 2024, respectively (see **Note 15**).

SOUTHWESTERN COMMUNITY SERVICES, INC. AND RELATED COMPANIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS **FOR THE YEARS ENDED MAY 31, 2025 AND 2024**

Refundable Advances

The Organization records grant and contract revenue as refundable advances until it is expended for the purpose of the grant or contract, at which time it is recognized as revenue.

Property and Depreciation

Purchased property and equipment are stated at cost at the date of acquisition or at fair value at the date of receipt in the case of donated property. The Organization generally capitalizes and depreciates all assets with a cost greater than \$5,000 and an expected life greater than one year. Depreciation is provided for using the straight-line method in amounts designed to amortize the cost of the assets over their estimated useful lives as follows:

Buildings and improvements	10 - 40 Years
Vehicles and equipment	5 - 10 Years
Furniture and fixtures	7 Years

The use of certain assets is specified under the terms of grants received from agencies of the federal government. These grants also place liens on certain assets and impose restrictions on the use of funds received from the disposition of the property. Depreciation expense for the years ended May 31, 2025 and 2024 totaled \$1,258,053 and \$1,059,580, respectively.

Advertising

The Organization expenses advertising costs as incurred.

Income Taxes

Southwestern Community Services, Inc. and SCS Management Corporation are exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and are not private foundations. As such, they are exempt from income tax on their exempt function income.

SCS Housing, Inc., SCS Development Corporation and SCS Housing Development, Inc. are taxed as corporations. SCS Housing Inc. has federal net operating loss carryforwards available for the May 31, 2025 and 2024 tax returns totaling \$1,348,627 and \$1,322,915, respectively. These loss carryforwards may be offset against future taxable income and, if not used, will begin to expire in 2027. SCS Development Corporation has federal net operating loss carryforwards totaling \$442 and \$497 at May 31, 2025 and 2024, respectively. These loss carryforwards may be offset against future taxable income and, if not used, began expiring in 2023. SCS Housing Development, Inc. has federal net operating loss carryforwards totaling \$173,462 and \$140,337 at May 31, 2025 and 2024, respectively. These loss carryforwards may be offset against future taxable income and, if not used, will begin to expire in 2035.

SOUTHWESTERN COMMUNITY SERVICES, INC. AND RELATED COMPANIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEARS ENDED MAY 31, 2025 AND 2024

The tax effects of the carryforwards as related to deferred tax assets is as follows as of May 31:

	<u>2025</u>	<u>2024</u>
Tax benefit from loss carryforwards	\$ 319,727	\$ 307,387
Valuation allowance	<u>(319,727)</u>	<u>(307,387)</u>
Deferred tax asset	\$ <u>-</u>	\$ <u>-</u>

Troy Senior (sold May 2025), Winchester, Keene East Side, Swanzey, Snow Brook, Keene Highland, Warwick, and Railroad Square are taxed as partnerships. Federal income taxes are not payable by, or provided for these entities. Earnings and losses are included in the partners' federal income tax returns based on their share of partnership earnings. Partnerships are required to file income tax returns with the State of New Hampshire and pay an income tax at the state's statutory rate.

Accounting Standard Codification No. 740, "Accounting for Income Taxes," established the minimum threshold for recognizing, and a system for measuring, the benefits of tax return positions in financial statements. Management has analyzed the Organization's tax position taken on its income tax returns for all open years and has concluded that no additional provision for income taxes is necessary in the Organization's financial statements.

Fair Value of Financial Instruments

ASC Topic No. 825-10, Financial Instruments, provides a definition of fair value which focuses on an exit price rather than an entry price, establishes a framework in generally accepted accounting principles for measuring fair value which emphasizes that fair value is a market-based measurement, not an entity-specific measurement, and requires expanded disclosures about fair value measurements. In accordance with FASB ASC 820, the Organization may use valuation techniques consistent with market, income and cost approaches to measure fair value. As a basis for considering market participant assumptions in fair value measurements, FASB ASC 820 establishes a fair value hierarchy, which prioritizes the inputs used in measuring fair values. The hierarchy gives the highest priority to Level 1 measurements and the lowest priority to Level 3 measurements. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

SOUTHWESTERN COMMUNITY SERVICES, INC. AND RELATED COMPANIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEARS ENDED MAY 31, 2025 AND 2024

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The carrying amount of cash, accounts receivables, accounts payable, accrued expenses, and refundable advances approximates fair value because of the short maturity of those instruments.

Support and Revenue Recognition

Contracts with Customers

Program fees are reported at the amount that reflects the consideration to which the Organization expects to be entitled for providing childcare services to its clients.

Generally, the Organization bills customers and third-party payors several days after the services are performed. Revenue is recognized as performance obligations are satisfied. Performance obligations are determined based on the nature of the services provided by the Organization. The Organization measures the performance obligations of its childcare services to the point when it is no longer required to provide services to the client, which is generally weekly for childcare services. These services are considered to be a single performance obligation.

Revenue for performance obligations satisfied at a point in time is recognized when services are provided, and the Organization does not believe it is required to provide additional services to the client.

Based on the nature of services provided by the Organization and due to the fact that all of the Organization's performance obligations related to contracts with a duration of less than one year, the Organization has elected to apply the optional exemption provided in FASB ASC 606-10-50-14(a) and, therefore is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period.

SOUTHWESTERN COMMUNITY SERVICES, INC. AND RELATED COMPANIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEARS ENDED MAY 31, 2025 AND 2024

The transaction price for childcare services is based on standard charges for services provided to clients. Under the terms of the State of New Hampshire Department of Health and Human Services childcare subsidy programs, reimbursement for childcare services provided may differ from established rates. It is the Organization's policy to set its rates to be consistent with current reimbursement rates. Therefore, amounts due do not include significant variable consideration subject to retroactive revenue adjustments due to settlement of reviews and audits.

Private Grant Revenue and Contributions

Private grant contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions, if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires, (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the combined statements of activities as net assets released from restrictions.

Grants and Support

Grant revenue is derived from various federal grant agreements and various state and private entity passthrough grant agreements and contracts to provide funding support of the Organization's programs and services provided by the Organization including childcare, child development, social, health, nutrition, employment, language, energy, and special needs services to families enrolled in the Organization's programs. The Organization has evaluated its grant agreements against applicable accounting standard guidance and determined that the grant agreements are contributions (nonreciprocal transaction) conditioned upon certain performance requirements and/or incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenses in compliance with specific provisions of the grant agreements.

Rental Revenue

The Organization derives revenues from the rental of apartment units. Revenues are recognized as income, monthly, when rents become due and control of the apartment units is transferred to the lessees. The individual leases are for a term of one year and are cancelable by the tenants. Control of the leased units is transferred to the lessee in an amount that reflects the consideration the Partnership expects to be entitled to in exchange for the leased units. The cost incurred to obtain a lease will be expensed as incurred.

SOUTHWESTERN COMMUNITY SERVICES, INC. AND RELATED COMPANIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED MAY 31, 2025 AND 2024

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis. Natural expenses are defined by their nature, such as salaries, rent, supplies, etc. Functional expenses are classified by the type of activity for which expenses are incurred, such as management and general and direct program costs. Expenses are allocated by function using a reasonable and consistent approach that is primarily based on function and use.

The costs of providing certain program and supporting services have been directly charged.

The Organization submits an indirect cost rate proposal for the paid leave, fringe benefits and other indirect costs to the U.S. Department of Health and Human services. The negotiated indirect cost rate was 12% effective from June 1, 2021 through September 30, 2024. Effective October 1, 2024, the Organization elected to use the up to 15% de minimis indirect cost rate (April 2024 revision) allowed under the Uniform Guidance.

NOTE 2 **BANK LINE OF CREDIT**

The Organization has a \$250,000 revolving line of credit agreement with a bank. Interest is due monthly and is stated at the Wall Street Journal Prime Rate or at a floor rate of 4%. The line is secured by all the Organization's assets. As of May 31, 2025 and 2024, the interest rate was 7.50% and 8.50%, respectively. There was no outstanding balance at May 31, 2025 and 2024.

NOTE 3 **LONG TERM DEBT**

The long term debt consisted of the following at May 31:

	<u>2025</u>	<u>2024</u>
1% mortgage payable to New Hampshire Housing in monthly installments for principal and interest of \$891 through August 2032. The note is secured by real estate of the Organization (NHH, 96 Main Street).	\$ 80,135	\$ 89,887
Non-interest bearing mortgage payable to Community Development Finance Authority, in quarterly principal payments based on an operating income formula applied to affordable housing portion of the specified real estate. The note is secured by real estate of the Organization (CDFA, 96 Main Street).	19,089	21,589

Thereafter	<u>9,442,152</u>
Total	<u>\$11,233,624</u>

NOTE 4 ECONOMIC INJURY DISASTER LOAN

During June 2020, the Organization received an Economic Injury Disaster Loan (EIDL) from the Small Business Administration with proceeds in the amount of \$150,000. The EIDL is payable over 30 years at an interest rate of 2.75% with a deferral of payments for 30 months from the date of the note. Installments, including principal and interest, of \$641 monthly began in December 2022. The balance of principal and interest will be payable in December 2052. The loan is secured by the Small Business Administration. The EIDL loan balance at May 31, 2025 and 2024 was \$141,959 and \$145,352, respectively.

The scheduled maturities of the EIDL as of May 31, 2025 were as follows:

Year Ending May 31,	Amount
2026	\$ 3,893
2027	4,001
2028	4,113
2029	4,227
2030	4,345
Thereafter	<u>121,380</u>
Total	<u>\$ 141,959</u>

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED MAY 31, 2025 AND 2024

NOTE 5 **FORGIVENESS OF DEBT**

During the years ended May 31, 2025 and 2024, the Organization realized forgiveness of debt income in connection with notes payable to Community Development Block Grant, HUD, Community Development Finance Authority and Federal Home Loan Bank of Boston (year ended May 31, 2025) and the sale of Troy Senior. Forgiveness of debt income totaled \$889,090 and \$89,089 for the years ended May 31, 2025 and 2024, respectively.

NOTE 6 **OPERATING LEASES**

On July 1, 2022, the Organization was required to adopt ASU 2016-02, Leases (Topic 842). As part of implementing ASU 2016-02, the Organization evaluated its contracts to determine which met the criteria of a lease.

The right of use (ROU) asset represents the Organization's right to use underlying assets for the lease term, and the lease liability represents the Organization's obligation to make lease payments arising from these leases. The ROU asset and lease liability, all of which arise from operating leases, were calculated based on the present value of future lease payments over the lease terms. The Organization has elected to discount future cash flows at the risk free borrowing rates commensurate with the lease terms, which was 3.07%. Common expenses, classified as occupancy costs in the accompanying financial statements, are considered a non-lease component under FASB ASC 842 and are recognized as costs are incurred. The Organization's operating leases are described below.

The Organization leases facilities, equipment and vehicles under non-cancelable lease agreements at various financial institutions. Lease periods range from month to month to 2028. Monthly lease payments range from \$470 to \$3,550. Lease expense for the years ended May 31, 2025 and 2024 totaled \$99,946 and \$99,015, respectively.

The weighted average lease term at May 31, 2025 is 1.70 years. The weighted average discount rate at May 31, 2025 is 3.07%.

Future minimum payments as of May 31, 2025 on the above leases are as follows:

<u>Year Ending</u> <u>May 31,</u>	<u>Amount</u>
2026	\$ 48,579
2027	<u>37,541</u>
	86,120
Less imputed interest	<u>2,370</u>
Total	<u>\$ 83,750</u>

SOUTHWESTERN COMMUNITY SERVICES, INC. AND RELATED COMPANIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED MAY 31, 2025 AND 2024

NOTE 7 **ACCRUED COMPENSATED BALANCES**

At May 31, 2025 and 2024, the Organization accrued a liability for future annual leave time that its employees had earned and vested in the amount of \$154,879 and \$155,985, respectively.

NOTE 8 **CONTINGENCIES**

Southwestern Community Services, Inc. is the 100% owner of SCS Housing, Inc. and SCS Housing Development, Inc. SCS Housing, Inc. and SCS Housing Development, Inc. are the general partners of eight limited partnerships formed to develop low-income housing projects through the use of Low Income Housing Tax Credits. Southwestern Community Services, Inc., SCS Housing, Inc. and SCS Housing Development, Inc. have guaranteed repayment of liabilities of various partnerships totaling approximately \$10,100,000 and \$10,200,000 at May 31, 2025 and 2024, respectively.

Partnership real estate with a cost basis of approximately \$22,400,000 at May 31, 2025 and 2024 provides collateral on these loans.

The Organization receives funds under various state grants and from Federal sources. Under the terms of these agreements, the Organization is required to use the funds within a certain period and for purposes specified by the governing laws and regulations. If costs were found not to have been incurred in compliance with the laws and regulations, the Organization might be required to repay the funds.

No provisions have been made for this contingency because specific amounts, if any, have not been determined or assessed by government audits as of May 31, 2025 and 2024.

NOTE 9 **RELATED PARTY TRANSACTIONS**

During the years ended May 31, 2025 and 2024, SCS Housing, Inc. managed eight limited partnerships. Management fees charged by SCS Housing, Inc. totaled \$252,899 and \$256,642, for the years ended May 31, 2025 and 2024, respectively. Additionally, SCS Housing, Inc. has advanced the limited partnerships funds for cash flow purposes over several years.

The Organization has also advanced funds to a related entity for Department of Housing and Urban Development (HUD) sponsorship purposes.

The total amounts due and expected to be collected from the limited partnerships and related entities totaled \$37,747 and \$37,647 at May 31, 2025 and 2024, respectively.

SOUTHWESTERN COMMUNITY SERVICES, INC. AND RELATED COMPANIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED MAY 31, 2025 AND 2024

During January of 2025 Marlborough Homes Limited Partnership had an incident where the dry sprinkler system failed causing a flood within the building and an emergency evacuation of all 24 units. A claim was filed with The Cooperative Insurance Company. As well as a claim against the sprinkler system vendor. As of February 19, 2026, total expenses incurred are approximately \$6,100,000, of which insurance has paid a total of approximately \$3,500,000, SCS Housing, Inc. has paid \$575,000 and Marlborough Homes, LP has paid \$300,000. Additionally, third party loans of approximately \$695,000 were secured to fund the repairs. The Organization continues to pursue legal action against the insurance company and vendor to receive reimbursement for the expenses incurred and paid by SCS Housing, Inc. and Marlborough Homes, LP. The ultimate outcome is currently unknown.

NOTE 10 BOARD DESIGNATED NET ASSETS

The board designates a portion of the unrestricted net assets for WM Marcello GAPS funds. There was \$5,651 and \$9,301 designated by the board at May 31, 2025 and 2024, respectively.

NOTE 11 RETIREMENT PLAN

The Organization maintains a tax sheltered annuity plan under the provisions of Section 403(b) of the internal Revenue Code. All employees who have had at least 30 days of service to the Organization are eligible to contribute to the plan. The Organization begins matching contributions after the employee has reached one year of service. Employer contributions are at the Organization's discretion and totaled \$407,976 and \$383,830 for the years ended May 31, 2025 and 2024, respectively.

NOTE 12 EQUITY INVESTMENT

Southwestern Community Services, Inc. and related companies use the equity method to account for their financial interests in the following companies:

	<u>2025</u>	<u>2024</u>
Cityside Housing Associates, LP	\$ (9,533)	\$ (9,528)
Marlborough Homes, LP	(100)	(87)

Reserve funds	<u>(1,989,969)</u>	<u>(1,831,509)</u>
Total amounts not available within one year	<u>(2,027,716)</u>	<u>(1,869,156)</u>
Financial assets available to meet general expenditures over the next twelve months	<u>\$ 3,966,691</u>	<u>\$ 3,888,324</u>

SOUTHWESTERN COMMUNITY SERVICES, INC. AND RELATED COMPANIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED MAY 31, 2025 AND 2024

The Organization has a goal to maintain unrestricted cash on hand to meet 30 days of normal operating expenditures, which are, on average, approximately \$1,640,000 and \$1,700,000 at May 31, 2025 and 2024, respectively. The Organization has a \$250,000 line of credit available to meet cash flow needs.

NOTE 15 **IN-KIND CONTRIBUTIONS/SERVICES**

The Organization records the value of in-kind contributions according to the accounting policies described (see **Note 1**).

The fair value of gifts in kind included contributions in the financial statements and the corresponding program expenses for the years ended May 31:

	<u>2025</u>	<u>2024</u>
Volunteer hours:		
Head Start and Early Head Start	\$ 63,811	\$ 64,736

NOTE 16 **RESTRICTIONS ON NET ASSETS**

Net assets with donor restrictions are available for the following purposes:

	<u>2025</u>	<u>2024</u>
GAPS/Warm Fund	\$ 78,018	\$ 88,462
Head Start Parents Association	<u> 8,936</u>	<u> 7,761</u>
Total net assets with donor restrictions	<u>\$ 86,954</u>	<u>\$ 96,223</u>

NOTE 17 **RECLASSIFICATION**

Certain amounts and accounts from the prior year's financial statements were reclassified to enhance comparability with the current year's financial.

NOTE 18 **SUBSEQUENT EVENTS**

Management has evaluated subsequent events through February 19, 2026, the date the financial statements were available to be issued.

SOUTHWESTERN COMMUNITY SERVICES, INC.

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED MAY 31, 2025**

NOTE 1 BASIS OF PRESENTATION

The accompanying schedule of expenditures of Federal Awards (the Schedule) includes the federal award activity of Southwestern Community Services, Inc. under programs of the federal government for the year ended May 31, 2025. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Southwestern Community Services, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3 INDIRECT COST RATE

Southwestern Community Services, Inc. has elected to use the up to fifteen percent de minimis indirect cost rate (April 2024 revision) or the ten percent de minimis indirect cost rate (October 2023 revision) allowed under the Uniform Guidance.

NOTE 4 FOOD DONATION

Nonmonetary assistance is reported in the Schedule at the fair value of the commodities received and disbursed.

NOTE 5 SUBRECIPIENTS

Southwestern Community Services, Inc. had no subrecipients for the year ended May 31, 2025.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
Southwestern Community Services, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Southwestern Community Services, Inc. (a New Hampshire nonprofit corporation) and related companies, which comprise the consolidated statement of financial position as of May 31, 2025, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated February 19, 2026.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Southwestern Community Services, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Southwestern Community Services, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Southwestern Community Services, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Southwestern Community Services, Inc.'s consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Professional Association*

Wolfeboro, New Hampshire
February 19, 2026

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of
Southwestern Community Services, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Southwestern Community Services, Inc.'s (a New Hampshire nonprofit corporation) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Southwestern Community Services, Inc.'s major federal programs for the year ended May 31, 2025. Southwestern Community Services, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Southwestern Community Services, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended May 31, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Southwestern Community Services, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Southwestern Community Services, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Southwestern Community Services, Inc.'s federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Southwestern Community Services, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Southwestern Community Services, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Southwestern Community Services, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Southwestern Community Services, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Southwestern Community Services, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

SOUTHWESTERN COMMUNITY SERVICES, INC.
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED MAY 31, 2025

SUMMARY OF AUDITORS' RESULTS

1. The auditors' report expresses an unmodified opinion on whether the consolidated financial statements of Southwestern Community Services, Inc. and related companies were prepared in accordance with GAAP.
2. No significant deficiencies relating to the audit of the consolidated financial statements are reported in the *Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards*. No material weaknesses are reported.
3. No instances of noncompliance material to the consolidated financial statements of Southwestern Community Services, Inc. and related companies, which would be required to be reported in accordance with *Government Auditing Standards* were disclosed during the audit.
4. No significant deficiencies in internal control over major federal award programs are reported in the *Independent Auditors' Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance*. No material weaknesses are reported.
5. The auditors' report on compliance for the major federal award programs for Southwestern Community Services, Inc. expresses an unmodified opinion on all major federal programs.
6. There were no audit findings that are required to be reported in accordance with 2 CFR 200.516(a).
7. The programs tested as major programs included:
 - U.S. Department of Agriculture, Special Supplemental Nutrition Program for Women, Infants, and Children, ALN 10.557
 - U.S. Department of Health & Human Services, Low Income Home Energy Assistance, ALN 93.568
8. The threshold for distinguishing Type A and B programs was \$750,000.
9. Southwestern Community Services, Inc. was determined to be a low-risk auditee.

FINDINGS - FINANCIAL STATEMENTS AUDIT

None

FINDINGS AND QUESTIONED COSTS - MAJOR FEDERAL AWARD PROGRAMS AUDIT

None

Cover Letter

Sullivan County Humane Society Introduction

Dear City Council,

We are the Sullivan County Humane Society, a small group of dedicated volunteers working with the abandoned, neglected, and homeless cats of our city and county. We operate a no-kill cat-only shelter and offer many services to the citizens of Claremont and the surrounding area.

Sullivan County Humane Society (SCHS) is located in downtown Claremont. Some of the services we offer to the citizens of Claremont include low-cost spay and neuter clinics, low-cost vaccination clinics, a pet food bank, and a 24-hour emergency hotline for injured or abandoned animals. We also assist low-income pet owners in other ways, helping pets remain in their homes. When that isn't possible, we provide a safe haven for cats whose owners are unable to keep them as well as for strays found within the City. We care for these animals, often helping them regain full health before finding forever homes for them.

Need for the services we provide continues to grow. We respectfully request a grant in the amount of \$13,100 in support of several of our programs, as detailed in the attached application. We selected these from among our many programs because they directly benefit many citizens of Claremont.

We appreciate your consideration. Should you have any questions or wish to tour our facility, we would be happy to assist you.

Best Regards,

Cheryl Koenig
Executive Director, Sullivan County Humane Society

I prefer that you use the following methods to contact me: E-Mail Phone

- ☐ Attach a prospectus of the organization outlining its mission, the specific programs provided, and who is served. Please see Attachment 1
- ☐ Attach a copy of the most recent audited financial statements of the organization. If audited financial statements are not available, attach unaudited financial statements with an explanation of why audited statements are not available. Please see Attachment 2
- ☐ The specific amount of funding requested from the City of Claremont is: \$13,100
- ☐ Describe how these funds will be used (attach statement if additional space is required):
Please see Attachment 3
- ☐ Does the organization receive funding from other municipalities? NO
If yes, list the other Towns or Cities providing funding and the amount of funding provided:

Name of Town or City	FY2023 Received	FY2024 Received	FY2025 Received
N/A			

- ☐ Does the organization provide services to Claremont residents? **YES**

If yes, please provide information in the table below on the number of Claremont residents relative to the total number of clients served. This information should be made available for each category of services or programs provided to Claremont residents. If the size of the table below is not adequate, please provide an attachment with this information.

If you are unable to provide this information, please (a) attach a statement detailing why this information is not available; and (b) provide a statement on how your organization directly benefits the citizens of Claremont.

Program #1 Description: Spay/Neuter Clinics	Clients Served 2 Years Ago	Last Year's Clients Served	This Year's Clients Served
Residents of Claremont	612	625	137
Residents of Newport	302	208	13
Residents of Charlestown	132	189	15
Residents of Cornish	89	72	7
Residents of other (multiple communities)	44	70	18
Total Clients Served	1,179	1,164	190
Program #2 Description: Vaccine clinic	Clients Served 2 Years Ago	Last Year's Clients Served	This Year's Clients Served
Residents of Claremont	462	377	N/A
Residents of Newport	104	40	N/A
Residents of Charlestown	23	43	N/A
Residents of Cornish	11	22	N/A
Residents of other (multiple communities)	20	20	N/A
Total Clients Served	620	502	N/A
Program #3 Description: Shaina's Safe Haven	Clients Served 2 Years Ago	Last Year's Clients Served	This Year's Clients Served
Residents of Claremont	20	14	8
Residents of Newport	5	2	5
Residents of Charlestown	1	1	2
Residents of other (multiple communities)	2	3	2
Residents of _____			
Total Clients Served	28	20	17

For your application to be considered complete, please respond fully to the following questions:

- ☐ Does the level of funding you are requesting from the Town of Claremont relate to the actual services provided to the residents of Claremont? If so, please describe how you arrive at the amount of funding you are requesting from the City of Claremont. (Attach statement if additional space is required):

The level of funding we are requesting is greatly below the actual amount for the services we provide. We chose three of our many programs because these are the ones that are beneficial to the most community members. Please see attachment 3 for the details of the amount requested.

- ☐ Is the level of funding relative to the level of service provided to Claremont residents commensurate with the level of funding and level of service provided to other communities? If not, why not? (Attach statement if additional space is required):

No, we receive no funding from any other community.

- ☐ What would be the impact to Claremont residents if the services provided by your organization were not available? (Attach statement if additional space is required):

The number of strays, homeless, and unwanted cats would greatly increase which would lead to increased complaints of cat fights, cat smell, and property damage. The number of animals not vaccinated against rabies would sharply increase. Since rabies cases do occur in our area, this would be a public health risk. The number of abandoned pets due to families in crisis would increase, causing an increase in all the previously mentioned issues, as well as resulting in these families suffering an even greater loss. Please see Attachment 3 for additional details.

For your organization's funding request to be considered, **complete applications must be received no later than Wednesday, April 22, 2026**. Applications should be e-mailed or delivered to:

Attachment 1. Prospectus of the organization outlining mission, specific programs provided and who is served.

Sullivan County Humane Society (SCHS) is a community engaged nonprofit no-kill shelter based in Claremont. We are committed to improving the quality of life for animals in our city. While SCHS works with residents of all towns in Sullivan County, the overwhelming number of our patrons reside in Claremont.

We aim to help our community access affordable pet care through programs such as low cost spay/neuter clinics, vaccine clinics, and population control programs such as Trap/Neuter/Return (TNR) and Fix-the-Mom (FTM). We also aim to improve the quality of life for animals, put an end to animal overpopulation, abandonment, and neglect. Additionally, we promote responsible ownership through humane education and outreach. We serve our community and their pets by helping pets remain and thrive in their “forever” homes. Further, through our low cost spay/neuter programs and TNR, and FTM programs we limit the number of litters born in our city and county and therefore decrease the number of stray and surrendered cats.

We respectfully request a grant in the amount of \$13,100 to help offset the expenses of three programs. Each of these programs directly benefits the citizens of Claremont. The three programs for which we are seeking support are our bi-monthly low cost spay/neuter clinics, annual low-cost vaccine clinics, and Shaina’s Safe Haven.

We are requesting \$3,600 to help support our Spay and Neuter (S/N) clinics. Our shelter is too small to conduct this service on-site, so we must rent a facility for each of these bi-monthly clinics, at a cost of \$150 per clinic. Over half of the clients of our S/N clinics are residents of Claremont, many of whom would otherwise be unable to afford the cost of “fixing” their pets. Providing this service reduces the population of unwanted cats in our region and directly benefits many citizens of Claremont.

We are requesting \$3,500 to help support our vaccine clinics, which are held twice yearly in the spring. These clinics make the rabies vaccination available at a far lower cost to pet owners than through a full-service vet. This program not only helps dog owners comply with state law but also supports public health by reducing the risk of rabies in pets in our community.

We are requesting \$6,000 to help support Shaina’s Safe Haven, a long-standing program that was officially named at the end of 2024. The name honors Shaina, a dedicated volunteer who passed away at a young age, at the request of her family as a way to memorialize her legacy. We know that many people have temporary hardships that do not allow them to care for their pets. This program allows for the temporary fostering of these pets until their families are able to reclaim them.

Thank you for your consideration of our request. We appreciate your time and attention and look forward to working with you to better the lives of the people, and pets, of Claremont.

Sullivan County Humane Society does not conduct audits, choosing instead to spend money to assist animals in our care. Although unaudited, these financial statements are reviewed monthly by our board and represent our financial health, providing valuable financial information and performance for a given calendar month. The information provided in these reports is used by the board to track revenue sources, costs and cash flow. This is critical for making informed decisions for business operations and long-term planning.

Attachment 3. Usage of Funds

The specific amount of funding requested from the City of Claremont is \$ 13,100

The requested funds will be used toward our spay/neuter clinics, vaccine clinics, and Shaina's Safe Haven, a temporary fostering program for families unable to care for their pets and pet euthanasia for those who cannot afford to end their pet's suffering.

Program #1 is our spay/neuter clinics, which are widely used by the residents of Claremont. Although mainly for cats, we also spay/neuter rabbits and dogs on occasion. To date, we have spayed/neutered 102 rabbits and 232 dogs. However, our biggest accomplishment is cats. To date we have spayed/neutered 10,940 cats! As the 2024 (52%) and 2025 (54%) data show, over half of these cats belong to Claremont residents. Using the most conservative estimates of cat reproduction and survival, we have prevented the birth of 115,964 cats in Claremont alone and of 218,800 cats in our region! We are requesting \$3600 to cover the cost of renting a facility in which to hold the clinics.

Program #2 is our low-cost rabies vaccination clinics. These vaccine clinics are primarily used by Claremont residents. Although we do offer vaccines for cats, the majority of the animals we vaccinate are dogs. This ensures that the animals of Claremont are up-to-date on their rabies vaccine, which is vital to public health. We are requesting \$3500 to support purchase of vaccines.

Program #3 is Shaina's Safe Haven. This program has existed for years but was officially named Shaina's Safe Haven in the end of 2024 after a volunteer who passed at a young age. Her family requested that we memorialize her in this way. We know that many people have temporary situations that will not allow them to care for their pets. This program allows for the temporary fostering of these pets until their families are able to reclaim them. Most of these pets we care for in the program need temporary care because their owner is either hospitalized for a medical condition or their owner has been temporarily displaced from their home due to domestic violence, a house fire, etc. Another reason pets enter this program is because their family is temporarily homeless so the pets remain with us until they secure housing. The average length of stay for pets in temporary foster is 4 months, with the longest being 2.5 years.

The level of funding we are requesting is a very conservative level that will help with a portion of the cost for some of our programs. We provide many more services to the residents of Claremont, such as a shelter/rescue for surrendered and stray animals, a pet food bank for low-income families, and a 24-hour emergency line for animal related emergencies. We have chosen the three programs that we did because they have a direct impact on the largest number of Claremont residents.

We are respectfully requesting a total of \$13,100, to include \$3600 to cover the expense of renting the location where we hold our spay neuter clinics. We hold two clinics a month; the rental fee is \$150 per clinic. There are many other fees associated with the clinic, but we are only asking that the city help cover the cost of renting the location.

We are requesting \$3500 to help cover the expense of our vaccine clinics. Historically we have offered two vaccine clinics in the Spring. This year we plan to hold 3 in the Spring and 1 in the Fall. There are many expenses involved with holding a vaccine clinic, we are respectfully requesting \$3500 to help offset a portion of the expense of the actual vaccines.

We are requesting \$6000 to help support Shaina's Safe Haven. In just the first 4 months of 2026, we have spent \$5000 on this program. We know it is such a needed and valued program that we want to continue and expand. We are requesting \$6,000 to help offset the cost of providing a safe haven for the pets of people in crisis. Per our by-laws, our boarding fee, if we charge one, is \$5/day - well below the actual cost. Year to date, we have had a total of 12 cats and 2 dogs temporarily fostered through Shaina's Safe Haven. The total days of foster for these 14 animals, so far as 11 cats and 2 dogs still remain in foster, is 712 days at a cost of \$3560 for just foster care.

While these pets are with us, we provide all care free of charge, including providing all food. By law, before these pets can be returned to their owners, they must be rabies vaccinated so we provide that too, free of charge. Being true to our mission to help end pet overpopulation we also offer the owners to arrange to have their pet spayed/neutered if not done so already. This too is paid for by us. This year, so far, we have had to spay/neuter 4 of the animals in our care and vaccinate all of them. The cost for this additional care this year to date has been \$540. We also provide any necessary medical care, so if their pet appears to be sick, we do get them the care they need. We have had no animals yet needing extra care this year but at the end of last year, we had a cat that needed approximately \$500 in care.

In addition to temporarily fostering pets, we have expanded this program over the last few years to include covering the expense of euthanasia for those who cannot afford it. We do this to prevent the animal from suffering. This program has been used the most for the elderly on a fixed income. Once the owner calls us, we will be in contact with their vet to verify that the animal is truly at the point where euthanasia is needed. If they do not have a veterinarian, we send them to our veterinarian-even providing transport when needed. If the veterinarians confirm that euthanasia is needed, we will cover this expense. Year to date, we have paid for the euthanasia of 3 pets. Although the expense depends on the veterinarian used and the size of the animal, the cost is around \$300 a pet for a total of \$900.

BRENDA BURNS, Executive Director- (603) 863-5139

August 26, 2025

Claremont City Council
Claremont City Hall
58 Opera House Square
Claremont, N.H. 03743-2677

Dear City Council,

Sullivan County Nutrition Services (SCNS) is the driving force, while engaging with municipalities, for providing sufficient traction to improve the lives of older adults with nutritious meals and socialization.

Recent surveys indicate older adults, in your community, are struggling to shop for and prepare meals due to the lack of basic income. Meals-on-Wheels addresses malnutrition, food insecurity, and supports older adults, giving them the opportunity to age in their own home independently for as long as it is safe to do so.

Municipal support is critical if we want to combat food insecurity. State and federal funding does not cover the entire cost of providing a meal or any cost for meals delivered above and beyond our contracted units (meals). By design, (nationally) the program has a part of its funding formula an element of community support.

It is that time of the year when we solicit community support for the Meals-on-Wheels segment of the program. Your financial support will help ensure your residents, who have an average nutrition risk score of 8, 10 being the highest, have a well-balanced nutritious meal delivered to individual homes.

Your support of \$10,000 (.22 cents per meal) will let your community know that you recognize food insecurity as a serious threat and will do your best to ensure no older adult goes to bed hungry.

Without your contribution, Meals-on-Wheels would be in jeopardy. Your contribution allows SCNS to meet cash match requirements and continue to access partial State and Federal Funds used to provide a well-balanced nutritious meal, safety check and access to other services for your most vulnerable citizens.

Should you have any questions, please feel free to contact me at 863-5139. Thank you for your continued support.

Sincerely,

A handwritten signature in cursive script that reads "Brenda Burns".

Brenda Burns, Executive Director

Meals Delivered 2023-2024	43,550 meals	252 clients
Meals Delivered 2024-2025	43,600 meals	258 clients

City of Claremont
Request for Funding for Social Service Agencies
for the FY 2027

Name of Organization _____

Requesting Funding: Sullivan County Nutrition Services-Meals-on-Wheels

Organization's Fiscal Year (for example: Jan 1 – Dec 31 or Jul 1 – June 30): July 1 -June 30

Key Contact Person: Brenda Burns, Executive Director

Mailing Address: PO Box 387 Newport, NH 03773

Telephone Number: 603-863-5139 E-mail address: b.l.burns@hotmail.com

I prefer that you use the following methods to contact me: **E-Mail** Phone U.S. Mail

- ☐ Attach a prospectus of the organization outlining its mission, the specific programs provided, and who is served.

Sullivan County Nutrition Services (SCNS) addresses food insecurity and malnutrition for older adults, in Sullivan County, including Claremont, who have difficulty with preparing nutritious meals due to limited mobility abilities, financial constraints, and lack of transportation.

Preventing hunger for older adults is carried out through Meals-on-Wheels (M.O.W.), congregate dining, and grab-n-go meals. Deliveries to individual homes provides a daily check-in to ensure the safety and well-being of a loved one.

For many participants, the driver is the only person one interacts with on a regular basis. Drivers engage in providing meaningful connections during deliveries that prevent isolation, loneliness, depression, and other health issues.

Attach a copy of the most recent audited financial statements of the organization. If audited financial statements are not available, attach unaudited financial statements with an explanation of why audited statements are not available.

- ☐ The specific amount of funding requested from the City of Claremont is: \$10,000

- ☐ Describe how these funds will be used (attach statement if additional space is required):

State and federal funding is not sufficient to meet the increasing demand for services and rising costs of food, gas, and wages if we are going to retain staff. Persistent funding gaps creates the need to request support for Meals-on-Wheels in order to be able to continue to reduce food insecurity, malnutrition, and isolation among older adults living in Claremont.

Support from Claremont will directly benefit the seniors of Claremont. Funds will be used to reduce the risk of wait list, continue meal delivery, and the ability to purchase quality foods used to prepare nourishing meals.

- ☐ Does the organization receive funding from other municipalities? **YES** NO
 If yes, list the other Towns or Cities providing funding and the amount of funding provided: *Some towns have not submitted support at this time, but have allocated funds in their budget.*

Name of Town or City	FY2023 Received	FY2024 Received	FY2025 Received

Unity	\$0	\$0	\$TBA
Washington	\$1,500	\$1,500	\$TBA
Cornish	\$493	\$493	\$TBA

- ☐ Does the organization provide services to Claremont residents? **YES** NO

If yes, please provide information in the table below on the number of Claremont residents relative to the total number of clients served. This information should be made available for each category of services or programs provided to Claremont residents. If the size of the table below is not adequate, please provide an attachment with this information.

If you are unable to provide this information, please (a) attach a statement detailing why this information is not available; and (b) provide a statement on how your organization directly benefits the citizens of the Claremont.

For your application to be considered complete, please respond fully to the following questions:

- ☐ Does the level of funding you are requesting from the Town of Claremont relate to the actual services provided to the residents of Claremont? If so, please describe how you arrive at the amount of funding you are requesting from the City of Claremont. (Attach statement if additional space is required):

The requested amount is reflective of the number of meals (43,600) delivered to older adults in Claremont. The actual cost of providing a meal is \$17.99 per meal. Resulting in a total cost of \$784,364 for meals prepared and delivered, throughout Claremont, to your most frail residents. State and Federal funding reimbursement rate is \$8.68 per meal and is capped. The remaining cost per meal to be raised through fundraising, municipal support, client donations, and grants is \$9.31. We are requesting .23 cents per meal. Our request is modest and respectful of your budget. With current discussions, in Washington, DC, regarding changes in the food pyramid, we anticipate increased costs in food costs in the upcoming year.

- ☐ Is the level of funding relative to the level of service provided to Claremont residents commensurate with the level of funding and level of service provided to other communities? If not, why not? (Attach statement if additional space is required):

Each town request is based on the number of meals delivered to that town and the distance traveled, from headquarters, to deliver meals. We are always mindful and respectful of town budgets and their increased costs as well.

- ☐ What would be the impact to Claremont residents if the services provided by your organization were not available? (Attach statement if additional space is required):

Individuals receiving Meals-on-Wheels services, 85%, are living at or below poverty level. As a result, individuals are choosing between food, utilities, rent, and prescription costs. Without Meals-on-Wheels, older adults would experience severe malnutrition, increased food insecurity, and increased risk of hospitalization. Isolation and safety risks are heightened without daily wellness checks.

For your organization's funding request to be considered, **complete applications must be received no later than Wednesday, April 22, 2026.** Applications should be e-mailed or delivered to:

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
of Newport Senior Center, Inc.

Opinion

We have audited the accompanying financial statements of Newport Senior Center, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Newport Senior Center, Inc. as of June 30, 2025, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Newport Senior Center, Inc., and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Newport Senior Center, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Newport Senior Center, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Newport Senior Center, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Newport Senior Center, Inc.'s 2024 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 22, 2025. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2024, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 11, 2025, on our consideration of Newport Senior Center, Inc. internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Newport Senior Center, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Newport Senior Center, Inc.'s internal control over financial reporting and compliance.

Newport Senior Center, Inc.
Notes to the Financial Statements
June 30, 2025 and 2024 Comparative

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Purpose

The Newport Senior Center, Inc., is a voluntary, not-for-profit corporation, incorporated under the laws of the State of New Hampshire (RSA 292) and organized exclusively for tax-exempt charitable and educational purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1954, as amended. The Organization is not a private foundation within the meaning of Section 509(a). The purpose of the Organization is to operate a community center, which serves the elderly residents of Newport, Claremont, Charlestown and surrounding areas.

Major sources of funds for operations are received from the State of New Hampshire Division of Elderly and Adult Services.

Program Services

Following are descriptions of the program services provided by the Organization:

Senior Center - Providing elderly citizens with such services including, but not limited to, health, education, general counseling and recreation.

Sullivan Nutrition - Providing nutritional, transportation and outreach services to area elderly citizens.

Trip Program - Providing the opportunity for overnight and day trip activities for elderly citizens.

Comparative Financial Information

The accompanying financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America (GAAP). Accordingly, such information should be read in conjunction with our audited financial statements for the year ended June 30, 2024, from which the summarized information was derived.

Cash, Cash Equivalents, and Restricted Cash

We consider all cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to building projects, endowments that are perpetual in nature, or other long-term purposes are excluded from this definition.

Newport Senior Center, Inc.
Notes to the Financial Statements
June 30, 2025 and 2024 Comparative

Short Term Investments: Brokered Certificates of Deposit: continued

The Organization earned \$585 and \$1,780 in interest on these Certificates during the year ended June 30, 2025 and 2004 respectively and these amounts are included as part of the interest income amount in the statement of activities. The organization maintains brokered CDs with a single brokerage firm. These CDs are issued by various banks, and the organization monitors that the total investment in any single issuer does not exceed the FDIC insured limit of \$250,000.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets with Donor Restrictions – We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Revenue & Revenue Recognition

Contract Revenue:

Revenue is recognized as services are rendered using the accrual method of accounting. We recognize revenue from sales of food products and services when the performance obligations of transferring the products and providing the services are met. The Organization has contracts with the State of New Hampshire to provide nutritional services to the elderly at predetermined unit rates subject to a maximum number of units. As we deliver the meals, we bill the State of New Hampshire according to the amount contained in the various contracts for the specific client being served.

At contract inception, once the contract is determined to be within the scope of FASB ASC 606, the Organization evaluates the performance obligations promised in the contract that are based upon the goods and services that will be transferred to the customer and determines whether those obligations are both (i) capable of being distinct and (ii) distinct in the context of the contract. Goods and services that meet these criteria are considered distinct performance obligations. If both these criteria are not met, the goods and services are combined into a single performance obligation. The Organization recognizes and revenue the amount of the transaction price that is allocated to the respective performance obligation when the performance obligation is satisfied.

In 2018, the Financial Accounting Standards Board (FASB) issued ASU 2018-08 which provided clarifications on how non-governmental organizations should recognize contributions in accordance with ASC topic 958. This guidance also applies to various grants that non-profit

Newport Senior Center, Inc.
Notes to the Financial Statements
June 30, 2025 and 2024 Comparative

Investment Policy and Valuation

The Organization's investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Organization classifies its investments into a three-level hierarchy, which prioritizes the inputs used to measure fair value:

- **Level 1:** Quoted prices (unadjusted) in active markets for identical assets that the organization can access at the measurement date (e.g., publicly traded stocks, mutual funds).
- **Level 2:** Inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly (e.g., corporate bonds, municipal bonds).
- **Level 3:** Unobservable inputs for the asset (e.g., private equity, real estate, beneficial interests in trusts)

Short Term Investments: Brokered Certificates of Deposit:

The Organization holds certificates of deposit purchased through a brokerage account. Each certificate of deposit represents a direct obligation of the issuing financial institution. Although the CDs are held in a brokerage account, they remain insured by the Federal Deposit Insurance Corporation (FDIC) up to applicable limits. The brokerage firm does not insure these instruments; its role is limited to facilitating the purchase and custody of the CDs.

Brokered certificates of deposit are stated at amortized cost, which approximates fair value due to their short-term maturities and fixed interest rates. In accordance with ASC 820, *Fair Value Measurement*, the Organization evaluates the classification of these instruments within the fair value hierarchy. Because the CDs are not actively traded in quoted markets and their valuation relies on observable inputs such as market interest rates and contractual cash flows, they are categorized within **Level 2** of the fair value hierarchy.

The Organization monitors the creditworthiness of the issuing institutions and does not anticipate any credit losses, as all CDs are fully insured and held with banks considered financially sound. Interest income is recognized as earned.

2024

Bank	Amount	Level 1	Level 2	Level 3	Maturity	Interest Rate
M & T Cash	\$ 25,908					
CD Associated Bank	26,000		26,000		11/27/2024	5.40%
Short Term Investments	<u>\$ 51,908</u>	<u>\$ -</u>	<u>\$ 26,000</u>	<u>\$ -</u>		

2025

Newport Senior Center, Inc.
Notes to the Financial Statements
June 30, 2025 and 2024 Comparative

Revenue & Revenue Recognition continued

organizations often receive. When determining recognition of grant revenue, the first step is to determine if the transaction is an exchange transaction or a contribution. The key difference between an exchange transaction and a contribution is commensurate value which refers to reciprocal benefits of equal value flowing between two parties to an agreement. Benefits provided to the public does not constitute commensurate value to the resource provider. Therefore, most, if not all, of the grants received by the Organization during the years ended June 30, 2024 and 2023 were considered contributions. If it is determined that the grant qualifies as a contribution the next step is to determine if the contribution is conditional or Unconditional. If a grant is determined to be unconditional, revenue is recognized when the grant is received. If a grant is determined to be conditional based on the following criteria there will be no revenue recognition of the grant until the conditions are met. Two things need to exist for the grant to be considered conditional:

1. There is a barrier the nonprofit must overcome to be entitled to the resources, and
2. The contributor retains a right of return for the resources provided or more simply put, the funding needs to be returned or is not received if certain conditions are not met. The grant agreement must make it sufficiently clear that there is a right of return for this component to be met.

Any amount not used in the year they are received are recognized as refundable advances with donor restrictions at yearend and disclosed in the financial statements. The Organization had no non-refundable advances from grants considered conditional on June 30, 2025 or 2024.

Occasionally, a portion of our revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when we have incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. We received cost-reimbursable grants of \$0 and \$0 for the years ended on June 30, 2025 and 2024 respectively. No, amounts have been received in advance under our federal and state contracts and grants.

Fundraising Revenue:

Is revenue derived from the providing of recreational activities to the senior population in the towns we serve. We charge a fee for the cost of those services to the members who wish to participate. This revenue earned when the activity is provided which may be in advance of the receipt of funds. These funds are restricted until the activity occurs. At June 30, 2025 and 2024 the Organization had received \$1,489 in advance of a trip which occurred after the year end. This amount is recorded as restricted revenue and restricted cash on June 30, 2025 and 2024.

Newport Senior Center, Inc.
Notes to the Financial Statements
June 30, 2025 and 2024 Comparative

Revenue & Revenue Recognition continued

Gift Shop Revenue:

The Organization runs a small gift shop and recognizes revenue as the items are purchased and delivered to our customers.

Membership Dues:

The organization Senior Center charges a small amount to be a member of the Senior Center each year. This revenue is recognized when received and is all earned within the fiscal year of the Organization. No amounts were recorded as unearned at the year ended June 30, 202 or 2024.

Rental Revenue:

Occasionally the organization rents out part of its facility to organizations that provide services to our members. We recognize revenue when the rental of the facility occurs.

Revenue & Revenue Recognition Continued

Contributions

We recognize contributions when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

In-Kind Donations

The Organization receives in-kind donations of space, food, and volunteer services. Volunteers contribute significant amounts of time to our program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. We record donated professional services at the respective fair values of the services received. No significant contributions of such goods or services were received during the year ended June 30, 2025 or 2024.

Contract Receivable

Receivables from contracts with the State of New Hampshire are reported as Contracts Receivable, net in the accompanying statement of financial position. Contract liabilities are reported as deferred revenue in the accompanying statement of financial position. Contract Receivable are considered by management to be fully collectible and accordingly no allowance for doubtful accounts is considered necessary. We have tracked historical loss information for our contracts receivable and compiled historical credit loss percentages for different aging categories (current, 1–30 days past due, 31–60 days past due, 61–90 days past due, and more than 90 days past due). We believe that the historical loss information we have compiled is a reasonable base on which to determine expected credit losses for accounts receivable held at June 30, 2025 because the composition of the accounts receivable at that date is consistent with that used in developing the historical credit-loss percentages (i.e., the similar risk characteristics of its customers and its lending practices have not changed significantly over time). Additionally, management has determined that the current and reasonable and supportable forecasted economic conditions are consistent with the economic conditions

Newport Senior Center, Inc.
Notes to the Financial Statements
June 30, 2025 and 2024 Comparative

Contract Receivable continued

included in the historical information. As a result, the historical loss rates have not been adjusted for differences in current conditions or forecasted changes. Accordingly, the allowance for credit losses at June 30, 2025 and 2024 totaled \$0

Contributions Receivable

We record unconditional promises to give that are expected to be collected within one year at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statement of activities. We determine the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectable.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Salaries and wages, benefits, payroll taxes, and certain other expenses are allocated based on estimates of time and effort. Other expenses that are common to several functions are allocated as appropriate.

Inventory

Inventory consists of purchased food and supplies used for the Sullivan Nutrition Program. Inventory is carried at cost and is determined by the first-in, first-out method.

Property and Equipment

Property and equipment are recorded at cost or, if donated, at the approximate fair value at the date of donation. Newport Senior Center, Inc. follows the policy of capitalizing, at cost, all expenditures for fixed assets in excess of \$1,500. Depreciation is calculated using the straight-line method over the following estimated useful lives:

	<u>Years</u>
Land	-
Building and improvements	30-39
Furniture, fixtures and equipment	3-30
Automobiles	5

When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

Newport Senior Center, Inc.
Notes to the Financial Statements
June 30, 2025 and 2024 Comparative

Property and Equipment continued

Depreciation expense recognized in these financial statements for the years ended June 30, 2025 and 2024 was \$52,331 and \$50,888, respectively. We review the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the years ended June 30, 2025 or 2024.

Advertising Costs

Advertising costs are expensed as incurred and approximated \$0 and \$5,935 during the years ended June 30, 2025 and 2024 respectively.

Income Taxes

The organization is organized as a nonprofit corporation and has been recognized by the IRS as exempt from federal income taxes under IRC Section 501(c)(3), and is classified as other than a private foundation as defined by section 590(a) of the IRC. Thus it qualifies for the charitable contribution deduction under IRC Sections 170(b)(1)(A)(vi). The organization is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. Therefore, it is generally exempt from federal and state income taxes except for tax on unrelated business income, if any. Management has determined that substantially all of the Organization's income, expenditures, and activities relate to its exempt purpose; therefore, the Organization is not subject to material unrelated business income taxes and will continue to qualify as a tax-exempt entity. Accordingly, no provision for income taxes has been included in the accompanying financial statements. The Organization is required to evaluate and disclose tax positions that could have an effect on the Organization's financial statements. There are no uncertain tax positions considered to be material. The Organization reports its activities to the Internal Revenue Service and to the State of New Hampshire on an annual basis. These informational returns are generally subject to audit and review by the governmental agencies for a period of three years after filing; the open years subject to audit are fiscal years 2022, 2023, and 2024; presently the Organization is not subject to audits for any of the open tax years.

Use of Estimates

The preparation of the financial statements in accordance with Generally Accepted Accounting Principles requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

Reclassifications

Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between periods presented. The reclassifications had no impact on previously reported net assets.

3. RESTRICTIONS ON NET ASSETS

Amounts in restricted net assets represent revenues received but not expended for their restricted purpose. Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose of the passage of time. Net assets in the trip fund are restricted to be used for overnight and day trips for elderly citizens. These restricted funds amounted to \$1,289 on June 30, 2025 and 2024 respectively. The Board restricted net assets consist of net assets that have been restricted by the Board of Directors for use in the Sullivan County Nutrition program.

4. CONCENTRATIONS, FINANCIAL INSTRUMENTS and CREDIT RISK

The Organization had one (1) major contractor, the State of New Hampshire, accounting for approximately 71% and 79% of support for the years ended June 30, 2025 and 2024, respectively. The Organization has a potential concentration of credit risk in that it maintains most of its cash and cash equivalents at one financial institution. Deposits are insured up to \$250,000 in any one institution at June 30, 2025 and 2024 cash exceeded these limits by \$1,571,628 and \$1,109,919 respectively and was over the limit throughout the year. The Organization has not experienced any losses in such accounts, nor does it believe that the cash and cash equivalents are exposed to any significant risk for the periods ended 2025 and 2024.

5. FUNCTIONAL EXPENSES

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Newport Senior Center, Inc.
Notes to the Financial Statements

	<u>\$2,336,166</u>	<u>\$2,003,667</u>

Newport Senior Center, Inc. is substantially supported by restricted contractual or grant payments which are all expected to expire within a twelve-month period. Because a contract's or grant's restrictions requires resources to be used in a particular manner or in a future period Newport Senior Center, Inc. must maintain sufficient resources to meet those responsibilities. As part of Newport Senior Center, Inc. liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. As part of our liquidity management plan, we invest cash in excess of daily requirements in short-term investments, CDs, and money market funds.

7. SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through December 11, 2025, which is the date the financial statements were available to be issued for events requiring recording or disclosure in the financial statements for the year ended June 30, 2025. No additional disclosures were required.

8: Refundable Tax Credits- Employer Retention Credit

In the years ended June 30, 2022 and 2021, the Company filed a claim for \$171,369 and \$81,081 respectively of refundable tax credits in accordance with the Employer Retention Credit (ERC) program, authorized by the Coronavirus Aid, Relief, and Economic Security (CARES) Act, as amended by subsequent legislative changes. In accordance with the ERC program, a Company is eligible for an ERC if, due to the COVID-19 pandemic, there has been a significant decline in gross receipts in the current year as compared with 2019 gross receipts, or a full or partial shutdown based on a governmental order. The ERC is based on a percentage of qualified wages (including qualified health insurance expenses) incurred during the year, with a maximum annual credit per employee. The Company's policy is to account for the ERC as a grant using guidance analogous to a conditional contribution found in ASC Subtopic 958-605, *Not-for-Profit Entities- Revenue Recognition*. In accordance with ASC Subtopic 958-605, the ERC is recognized and recorded as income in the statement of income when the conditions required for the ERC are substantially met.

9. Supplemental Disclosure of Cash Flow Information

The Organization did not receive any in-kind contributions recorded in the financial statements for the years ended June 30, 2025, and 2024. The Organization paid no interest or income taxes for the years ended June 30, 2025, and 2024.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of
Newport Senior Center, Inc

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Newport Senior Center, Inc (a nonprofit organization), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 11, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Newport Senior Center, Inc 's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Newport Senior Center, Inc 's internal control. Accordingly, we do not express an opinion on the effectiveness of Newport Senior Center, Inc 's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Newport Senior Center, Inc 's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

December 11, 2025

March 23, 2026

Dear City of Claremont,

I am the Executive Director, Angela Bark I am writing to you on behalf of Claremont Soup Kitchen, to invite you to make a meaningful difference in our community. Every day, we work to ensure that individuals and families, especially children, have access to the nourishment they need to thrive. With the growing demand for our services, we are reaching out to compassionate supporters like you to help us continue and expand this vital work. Your generosity can have a direct and lasting impact on the lives of those we serve.

We respectfully ask you to consider a gift of \$20,000 to help sustain and expand our meal programs for those who rely on us most. This level of support will make a significant impact, allowing us to continue providing nutritious meals to children and families. Your investment will directly help ensure that no child in our community goes hungry and that we can meet the growing demand with care, consistency, and compassion.

Beyond meals, our work extends to nourishing the overall well-being of our guests—offering a safe, welcoming space and connecting individuals with critical services such as housing assistance, healthcare resources, and social support programs.

Over the past fiscal year, we proudly served more than 336,000 meals to our community, ensuring consistent access to nutritious food for those who need it most. A significant part of this effort includes our commitment to children in the city, especially during the summer months when school is out and many lose access to regular meals. Throughout the summer break, we provide an additional 12,000 meals, helping to bridge that gap and support families during a critical time. This work reflects our ongoing dedication to fighting hunger and nurturing the well-being of every child we serve.

We are proud to serve the Sullivan County community and remain committed to supporting its most vulnerable residents. We would welcome the opportunity to provide additional information or discuss how this funding would have an immediate and meaningful impact.

Thank you for your consideration and for your continued commitment to the well-being of our community.

Sincerely,

Angela Bark

Executive Director, Claremont Soup Kitchen

E-mail address:

abank@claremontsoupkitchen.org

I prefer that you use the following methods to contact me:

☒ E-Mail

☐ Phone

☐ U.S. Mail

☒ Attach a prospectus of the organization outlining its mission, the specific programs provided, and who is served.

☒ Attach a copy of the most recent audited financial statements of the organization. If audited financial statements are not available, attach unaudited financial statements with an explanation of why audited statements are not available.

☒ The specific amount of funding requested from the City of Claremont is: \$ 10,000.00

☒ Describe how these funds will be used (attach statement if additional space is required):

The funds will help out with overhead costs like
heat, electric, security systems, payroll etc. As well
as food and supplies

☐ Does the organization receive funding from other municipalities? YES ☒ NO
If yes, list the other Towns or Cities providing funding and the amount of funding provided:

Name of Town or City	FY2023 Received	FY2024 Received	FY2025 Received

☒ Does the organization provide services to Claremont residents?

☒ YES ☐ NO

If yes, please provide information in the table below on the number of Claremont residents relative to the total number of clients served. This information should be made available for each category of services or programs provided to Claremont residents. If the size of the table below is not adequate, please provide an attachment with this information.

If you are unable to provide this information, please (a) attach a statement detailing why this information is not available; and (b) provide a statement on how your organization directly benefits the citizens of the Claremont.

For your application to be considered complete, please respond fully to the following questions:

- ☐ Does the level of funding you are requesting from the Town of Claremont relate to the actual services provided to the residents of Claremont? If so, please describe how you arrive at the amount of funding you are requesting from the City of Claremont. (Attach statement if additional space is required):

We are feeding folks of City of Claremont, plus helping them sustain food in security at their homes.

- ☐ Is the level of funding relative to the level of service provided to Claremont residents commensurate with the level of funding and level of service provided to other communities? If not, why not? (Attach statement if additional space is required):

NO we serve Sullivan County and it
is mostly folks from City of Claremont

- ☐ What would be the impact to Claremont residents if the services provided by your organization were not available? (Attach statement if additional space is required):

People going hungry or not having
enough food to feed their families. People stealing
food or money to get food.

Seniors, children, veterans, family, homeless.

For your organization's funding request to be considered, **complete applications must be received no later than Wednesday, April 22, 2026.** Applications should be e-mailed or delivered to:

The Claremont Soup Kitchen's mission is to be a trusted resource within our community, committed to providing assistance with dignity, respect, and compassion for all, by procuring and distributing food and essentials through our programs and partner agencies.

At our soup kitchen, we are committed to making sure no one in our community goes hungry. We provide **17 hot meals each week**, offering consistent, nourishing options for anyone in need. In addition to daily meals, we distribute **monthly food boxes and meat bags** to help individuals and families maintain a stable food supply at home.

We also offer **daily pick-up of fresh foods**, including fruits, vegetables, breads, and other items we receive from local stores—helping reduce waste while providing healthy options to our community.

During the summer months, we run a **Summer Lunch Program** to ensure that children continue to receive nutritious meals even when school is not in session.

Our services are available to all residents of Sullivan County, including **children, adults, seniors, veterans, and individuals experiencing homelessness**. We are here for anyone who needs a meal or access to food—no matter their situation.
